Annually, the San Joaquin Council of Governments (SJCOG) is required, under Sections 99238.5 and 99401.5 of the Public Utilities Code, to determine if there are any **UNMET TRANSIT NEEDS** in the County that can reasonably be met. Reasonable unmet transit needs must be funded before Transportation Development Act funds can be used for non-transit purposes. Local public hearings will be held throughout San Joaquin County in Stockton, Lodi, Escalon, Tracy, Lathrop, Ripon, and Manteca.

The public is invited to comment on any unmet transit need at a public hearing to be held at the following regularly scheduled City of Lathrop City Council Meeting:

Monday, November 19, 2018 7:00 p.m.
City of Lathrop
390 Towne Centre Drive – Lathrop, CA
COUNCIL CHAMBERS

In lieu of testifying at the public hearing, written comments and statements may be submitted to SJCOG Attn: Michelle Lacondeguy, Assistant Regional Planner for San Joaquin Council of Governments at 555 E. Weber Avenue, Stockton, CA 95202, emailed to michelle@sjcog.org, submitted online at www.sjcog.org, or via phone by calling the SJCOG office at 209-235-0563.

For further information you may also contact the Lathrop Public Works Department at (209) 941-7430.
