I, the Applicant, request that this project be Expedited through Plan Review, including Rechecks, if staff and/or Consultants are available and the workload allows time to fulfill this request.

I understand that by Expediting Plan Review, the following will be charged and due prior to routing for Plan Review:

- The Standard Plan Check Fees
- An Expedited Upfront Review Cost

Any additional actual expedite costs and any time that exceeds the upfront Plan Review may also be charged prior to Permit Issuance. As with any permit application submittal, all review cycles beyond the 3rd cycle will be billed at actual hourly costs, in addition to any additional Plan Check Fees incurred.

The Applicant listed above will be notified by the Building Department if this request is Approved.

¹This service is not offered for the Departments of Health, Regional Air Quality or Construction Debris

²Additional Review Time may be required for Internal Disciplines; the Expedited Request will be routed, however, Expedite Turnaround Times can only be guaranteed for Building Department Reviews.

³Complete Submittals are required for all submissions to guarantee Expedited Review Times.

*This service is not offered for Off-Site Improvement Plans, Grading and Encroachment/Revocable Permits. Projects exceeding \$500,000 in valuation, Code Enforcement Cases, Master Plans, and OSHPD Clinic projects require approval from the Building Official. Expedite requests for these project types may take additional time to process upon submittal.
