**RECOMMENDATION: Adopt Resolution to Award a Construction Contract to George Reed, Inc., for Construction of Class II Bikeway to Ace Station, CIP PS 22-18 and Approve Budget Amendment**

---

#### **SUMMARY:**

In 2021, City Council approved Capital Improvement Project (CIP) PS 22-18 for Class II Bikeway to ACE Station (Project). The Project will install approximately 4.2 miles of Class II bikeway south on Harlan Road from Louise Avenue to the Lathrop/Manteca ACE Station. The Project will microsurface Harlan Rd, grind and overlay asphalt concrete on segments along D'Arcy Parkway and Yosemite Avenue to accommodate the traffic loads shifted by the installation of bike lanes. A project location map is included as Attachment "C" for reference.

The bid solicitation package with plans and specifications for the construction of the Project was advertised on July 18, 2023 in accordance with Bidding Procedures in California Public Contract Code (PCC) 22160 and Lathrop Municipal Code (LMC) 2.36.060. The City Clerk received and opened six (6) bids on August 3, 2023. Based on the review and evaluation of the bids, the lowest responsive and responsible bidder for construction of the Project was determined to be George Reed, Inc. (George Reed), with a bid of \$1,642,616.

Staff requests City Council award a construction contract to George Reed for construction of the Project in the amount of \$1,642,617 and authorize a 10% construction contingency of \$164,262 for a total cost not to exceed \$1,806,879.

Staff is also requesting Council approve a budget amendment transferring \$449,234 from the Transportation Development Act (TDA) (2140) to the CIP Project Fund (3310) to fund the construction contract and a 10% contingency.

#### **BACKGROUND:**

The Active Transportation Program (ATP) was created by Senate Bill 99 (Chapter 359, Statutes of 2013) and Assembly Bill 101 (Chapter 354, Statutes of 2013) to increase the use of active modes of transportation including walking and biking. Through the San Joaquin Council of Governments (SJCOG), the ATP granted the City of Lathrop \$1,001,000 of Measure K funding toward the construction of CIP PS 22-18.

**CONSTRUCTION OF CLASS II BIKEWAY TO ACE STATION, CIP PS 22-18 AND**  
**APPROVE BUDGET AMENDMENT**

On January 10, 2022, City Council approved a Cooperative Agreement with SJCOG to establish roles and responsibilities on processing the granted funding on the Project.

The Project will install Class II bike lanes from Louise Avenue to the Lathrop/Manteca ACE Station. Construction of the Project includes microsurfacing Harlan Rd, grinding and overlaying asphalt concrete on segments along D’Arcy Parkway and Yosemite Avenue to support the traffic loads shifted by the installation of bike lanes. New signs will be installed and striping will use Methyl Methacrylate (MMA) green markings for bike lanes.

The bid solicitation package with plans and specifications for the construction of the Project was advertised on July 18, 2023 in accordance with Bidding Procedures in California PCC 22160 and LMC 2.36.060.

Six (6) bids were received; each determined to be responsive and responsible. The bid results are summarized in Table 1 below:

**Table 1: Summary of Bid Results**

<b>Contractor</b>	<b>Base Bid</b>
George Reed, Inc.	\$1,642,617
Dirt Dynasty, Inc.	\$1,804,969
Knife River	\$1,901,564
United Pavement Maintenance	\$1,934,286
Consolidated Engineering	\$1,965,297
B&M Builders, Inc.	\$2,085,965

Staff reviewed and evaluated the bids, and determined that the lowest responsive and responsible bidder is George Reed. Staff requests City Council adopt a resolution awarding a construction contract to George Reed for \$1,642,617.

Staff also requests City Council authorize a 10% construction contingency of \$164,262 and authorize staff to spend the contingency as necessary to achieve the goals of the Project for a total cost not to exceed \$1,806,879.

**REASON FOR RECOMMENDATION:**

Currently, there are no bike lanes on Harlan Road (south of Louise Avenue), D’Arcy Parkway, and Yosemite Avenue. The construction of this Project will connect residents north of Louise Avenue and commuters to the Lathrop/Manteca ACE commuter train station that services the Bay Area.

**AUGUST 14, 2023 CITY COUNCIL REGULAR MEETING**

**AWARD CONSTRUCTION CONTRACT TO GEORGE REED, INC. FOR CONSTRUCTION OF CLASS II BIKEWAY TO ACE STATION, CIP PS 22-18 AND APPROVE BUDGET AMENDMENT**

**FISCAL IMPACT:**

The proposed construction contract with George Reed for \$1,642,617, plus a 10% construction contingency of \$164,261 is requested for a total Project budget not to exceed \$1,806,879. The Project received Measure K funds in the amount of \$1,001,000. Additional funding in the amount of \$449,234 is needed to augment existing Project funds and the Measure K grant to cover the Project budget.

Therefore, staff requests Council approve a budget amendment transferring \$449,234 from TDA (2140) to the CIP Project Fund (3310) as follows:

<u>Increase Transfer Out</u>		
2140-9900-990-9010		\$449,234
