CITY MANAGER'S REPORT SEPTEMBER 11, 2023 CITY COUNCIL REGULAR MEETING

ITEM: **AWARD SERVICE CONTRACT TO SWEEPING CORPORATION OF AMERICA OF CALIFORNIA, LLC FOR STREET SWEEPING SERVICES**

RECOMMENDATION: **Adopt Resolution Awarding a Service Contract to Sweeping Corporation of America of California, LLC for Street Sweeping Services**

SUMMARY:

The City of Lathrop is responsible for the street sweeping maintenance of approximately 170 curb-miles of streets and public parking lots within the city limits. The City's sweeping responsibility includes residential, collector, and arterial streets and City-owned parking lots. Therefore, bid specifications and a scope of work for scheduled and on-call street and parking lot sweeping services were completed by staff and advertised for informal bid on August 7, 2023 in accordance with Public Contract Code (PCC) 22034 and Lathrop Municipal Code (LMC) 3.30.060.

A total of two (2) bids were received and opened by Public Works on August 22, 2023. Based on review and evaluation of the bids, the responsible bidder with the lowest responsive bid was determined to be Sweeping Corporation of America of California, LLC (SCA of CA), with a bid of \$90,000.

Staff requests City Council award a Service Contract to SCA of CA for a partial term cost of \$74,027 for the initial term of September 11, 2023 to June 30, 2024 for scheduled and on-call street and public parking lot sweeping services.

Staff also requests City Council authorize the City Manager to approve up to two (2) additional consecutive one-year contract terms at a base cost of \$90,000 per year at the rates and terms as stipulated in the bid documents, plus yearly cost increases due to anticipated inflation if requested by the Contractor and the addition of newly accepted streets and parking lots. The total cost of this request is \$202,875, as summarized in Table 2 - *Contract Cost Estimate Summary* on page 3.

BACKGROUND:

The State of California Water Quality laws require municipalities to clean and sweep their public streets to ensure that trash and debris do not flow into the surrounding natural environment from the street through the storm drain system. Furthermore, the City's adherence to its National Pollutant Discharge Elimination System (NPDES) permit by sweeping its streets plays a crucial role in substantially reducing the release of pollutants and debris from the City's stormwater system into the surrounding natural environment.

CITY MANAGER’S REPORT **PAGE 2**
SEPTEMBER 11, 2023 CITY COUNCIL REGULAR MEETING
AWARD SERVICE CONTRACT TO SWEEPING CORPORATION OF AMERICA OF
CA, LLC FOR STREET SWEEPING SERVICES

The City is not equipped to perform street sweeping services. These services require specific equipment, skilled personnel, and specialized knowledge. Therefore, the City contracts scheduled and on-call street sweeping.

The specifications and scope of work for this project were completed and solicited for informal bid on August 7, 2023, in accordance with PCC 22034 and LMC 3.30.060.

A total of 2 bids were received, all determined to be responsive and from responsible bidders. The bid results are summarized in Table 1 below:

Table 1: Summary of Bid Results

| Contractor | Total Bid |
|---------------------------------|------------------|
| Sweeping Corporation of America | \$90,000 |
| Gregory Construction | \$132,069 |

The lowest responsible bidder for Street Sweeping Services was SCA of CA with a base bid of \$90,000 per year.

The proposed contract with SCA of CA includes monthly sweeping of all the City’s streets with curb & gutter and quarterly sweeping of City parking lots, plus unit prices for emergency call-outs and additions/deletions to the basic sweeping services. The initial term of the contract will begin as early as September 11, 2023 and end on June 30, 2024. The City at its discretion may renew the contract annually in writing for up to two (2) more one-year terms, each from July 1 to June 30, not to exceed June 30, 2026 using the same pricing structure as provided in the contractor’s original bid.

Staff requests that:

- City Council award a Service Contract to SCA of CA for a total contract amount of \$74,027 for the term of September 11, 2023 to June 30, 2024; and
- Authorize the City Manager to extend this contract for up to two (2) additional one-year terms with anticipated cost increases for inflation and the addition of new streets, for a total authorization of \$276,902. See Table 2, Contract Cost Estimate Summary below for details.

REASON FOR RECOMMENDATION:

The City maintains approximately 170 curb-miles miles of streets and public parking lots, and does not have the equipment, workforce, or expertise to sweep the City’s streets and public parking lots. Street sweeping is also a requirement under the City’s NPDES permit for its storm drain system.

SCA of CA was the responsible bidder with the lowest responsive bid of \$90,000 per year. SCA of CA has previously provided and currently provides identical services to

nearby municipal agencies in an acceptable and professional manner.

FISCAL IMPACT:

The cost of the FY 2023-24 Street Sweeping Services contract with SCA of CA is \$90,000 per year plus a yearly cost increase due to anticipated increases in the California Department of General Services (DGS) Construction Cost Index (CCI). The initial contract term from September 11, 2023 to June 30, 2024 is prorated at a cost of \$74,027.

The Cost Estimate Summary Table below shows estimated costs comprising each contract term, including contract base, and estimated costs for economic escalation and sweeping of future accepted public streets and parking lots.

| | Initial Term | Renewal 1 | Renewal 2 | Total Budget |

| CCI Increase @ 5% max. | N/A | \$4,500 | \$4,875 | |
| Anticipated Cost Increase for New Streets | N/A | \$3,000 | \$3,000 | |
| Contract Total Cost | \$74,027 | \$97,500 | \$105,375 | \$276,902 |

**prorated value for initial contract term*

Sufficient funding for the initial term of this contract was included in the FY 2023-24 budget; therefore, no budget amendment is needed.

Future budgets would be required prior to any term extensions.
