

PROVIDE DIRECTION ON LATHROP ROAD RESIDENTIAL DRIVEWAY RECONSTRUCTION AND CREATE CIP GG 24-27

CITY COUNCIL REGULAR MEETING | SEPTEMBER 11, 2023 – ITEM 5.4

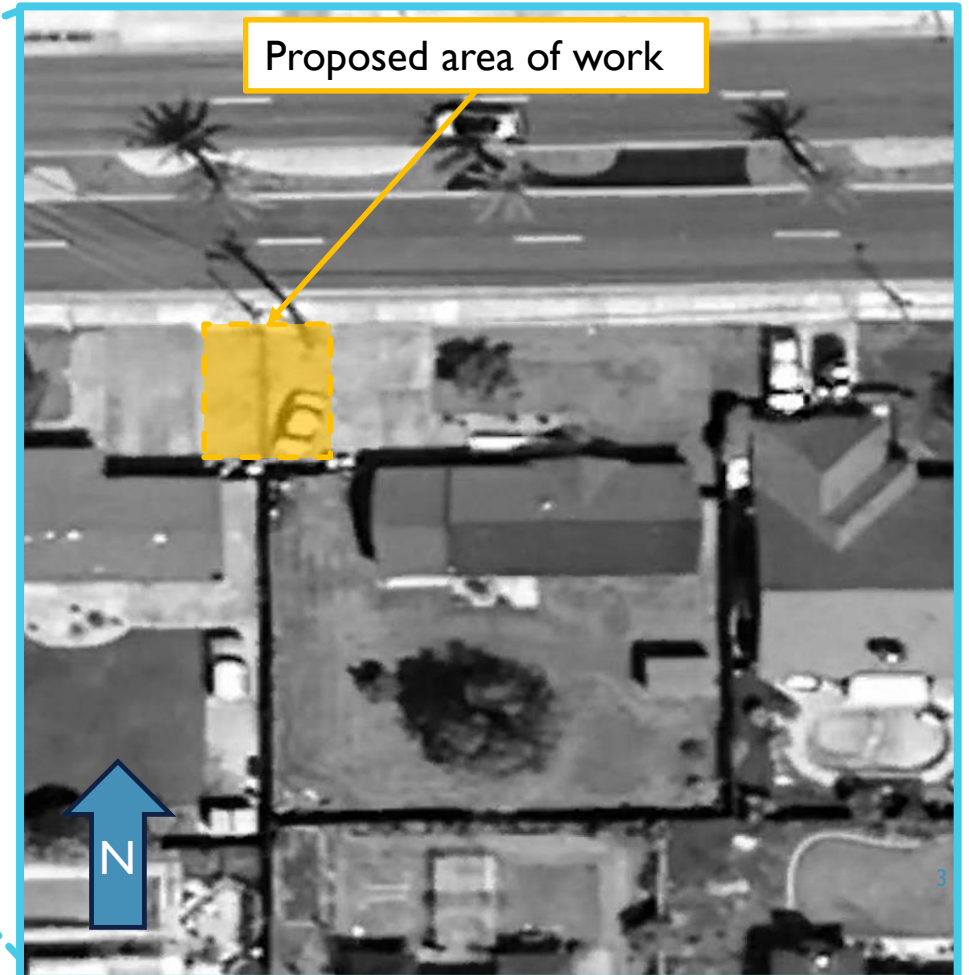

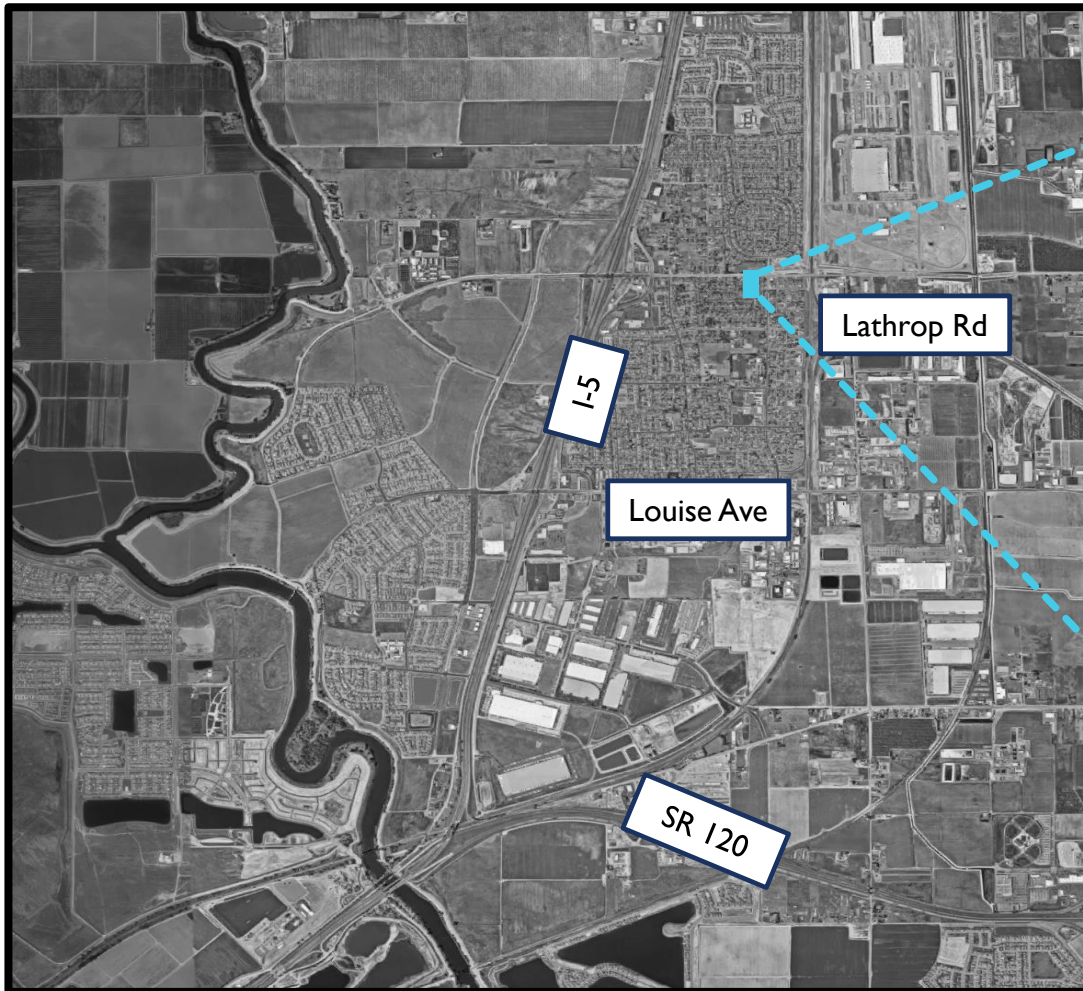

BACKGROUND

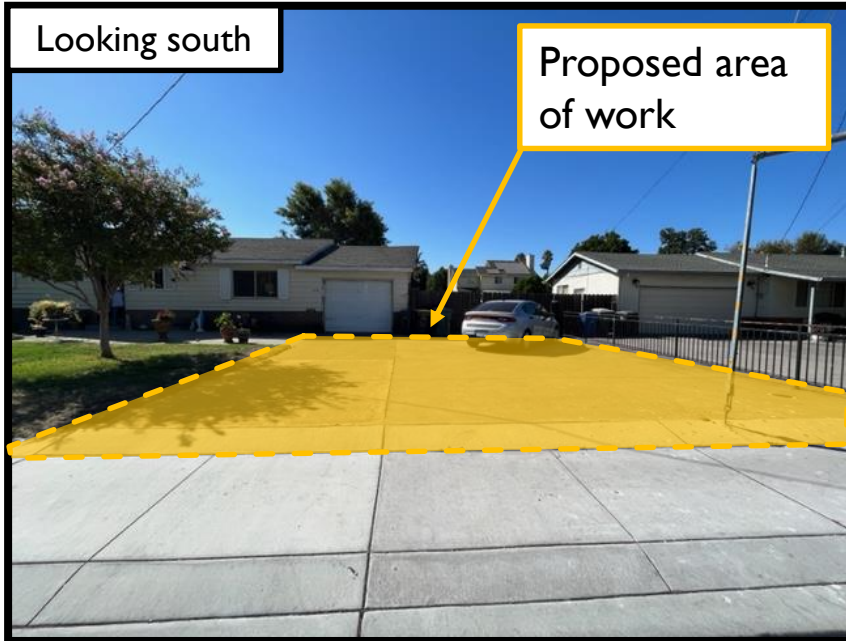

- CIP PS 02-24
 - Widen Lathrop Road from two (2) lanes to four (4) lanes
 - During construction the City contractor installed driveway transitions
 - The property owner of 570 Lathrop Road refused to sign the Agreement multiple times.
 - Construction was completed in the summer of 2018
- On August 14, 2023 City Council requested that an item be brought back to discuss the installation of a residential driveway at 570 Lathrop Road.

VICINITY MAP

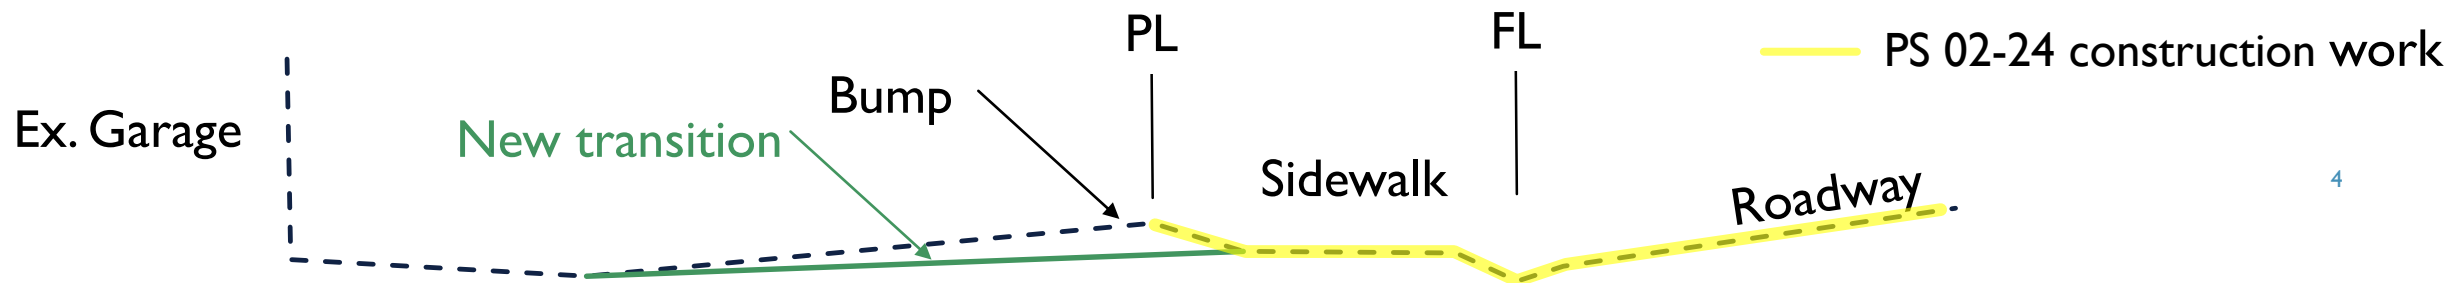

570 LATHROP ROAD

Scope of work

- Demolition
- Grading
- Adjust utilities
- Install drainage
- Install approx. 1,000 sq. ft. concrete

RECOMMENDATION

- Approving the creation of CIP GG 24-27 will allow the City to begin construction efforts including bid solicitation, contract execution and construction.
- Staff is requesting the approval of a budget amendment allocating \$20,000 for construction purposes utilizing General Fund Streets Reserves
