## CITY MANAGER'S REPORT OCTOBER 9, 2023 CITY COUNCIL REGULAR MEETING

ITEM:	APPROVE CONTRACT CHANGE ORDER NO. 31 WITH DAVID SILVA, DBA SILVA LANDSCAPE FOR LANDSCAPE IRRIGATION SYSTEMS MAINTENANCE SERVICES AND APPROVE BUDGET AMENDMENT
RECOMMENDATION:	Adopt Resolution Approving Contract Change Order No. 31 with David Silva, dba Silva Landscape for Landscape Irrigation Systems Maintenance Services and Approve Budget Amendment

### SUMMARY:

David Silva, dba Silva Landscape (Silva Landscape) has maintained the landscape and provided minor repairs to irrigation systems for City-owned parks and streetscapes (Landscape) since 2017. City staff currently provides oversight for major repairs to the irrigation systems for the Landscape. As the City continues to accept public landscaping, consolidating all irrigation maintenance into one source will minimize the costs and maximize the results associated with this maintenance.

In response to staff request, Silva Landscape has provided a proposal of \$9,500 per month (\$114,000 annually) to provide all irrigation oversight and repair services previously performed by City staff.

Staff requests that Council adopt a resolution approving Contract Change Order (CCO) No. 31 (Attachment "B") with Silva Landscape to provide the subject services. Sufficient funds for CCO 31 were not allocated in the approved FY 2023-24 budget; therefore, staff also requests City Council approve a budget amendment as outlined in the fiscal impact section.

## **BACKGROUND:**

On September 1, 2017, City Council approved the award of a service contract to Silva Landscape for maintenance of the Landscape and the portion of associated irrigation systems including lateral lines and spray and bubbler heads.

City staff provides ultimate oversight, flow adjustments, and maintenance for the upstream remainder of the irrigation systems, including but not limited to main lines, valves and manifolds, controllers, backflow preventers and booster pumps. These tasks are described in further detail in the Bid Specifications of this contract's Scope of Work in section C. *Specific Park and Streetscape Maintenance Services* – 1.1 Irrigation.

## **CITY MANAGER'S REPORT OCTOBER 9, 2023 CITY COUNCIL REGULAR MEETING** APPROVE CCO NO. 31 WITH DAVID SILVA, DBA SILVA LANDSCAPE FOR LANDSCAPE IRRIGATION SYSTEMS MAINTENANCE SERVICES AND APPROVE **BUDGET AMENDMENT**

The requested services contemplated by CCO No. 31 were not part of the original bid specification, the contract for which was awarded to Silva Landscape on September 1, 2017 and will expire on June 30, 2024. As the City continues accepting parks and landscape, the need for irrigation maintenance is increasing. Timely and unified preventive maintenance and repair of irrigation components minimizes expenses by optimizing water use and reducing the incidence of replacing dead plant material. As the current structure of these services requires the City's input in conjunction with Silva Landscape, improvements to efficiency of this operation could be achieved by permitting Silva Landscape to maintain the entire irrigation system rather than share this task with the City.

Therefore, City staff requested a proposal from Silva Landscape for maintenance and landscape irrigation services. Silva Landscape provided a quote for the addition to their existing contract of all irrigation maintenance tasks currently performed by City staff in the amount of \$9,500 per month. Details of the proposed services include but not limited to:

- Adjusting the water volume and timing of irrigation •
- Maintaining and repairing all automated valve controllers, wiring, valves and manifold assemblies, backflow prevention devices and main lines
- Preventive adjustments to irrigation not included in the weekly action items
- Focus on improving efficiency of irrigation during hot weather months
- Focus on replacement of Calsense irrigation components with City-provided components during cold weather months

Therefore, staff requests City Council adopt a resolution approving CCO No. 31 with Silva Landscape for the provision of Landscape irrigation maintenance services for \$9,500 per month through the end of the existing contract term, June 30, 2024. The services contemplated by CCO No. 31 will be incorporated into the contract specifications for Landscape maintenance the next time this contract is let to public bidding.

Staff also requests City Council approve a budget amendment as detailed below.

## **REASON FOR RECOMMENDATION:**

The proposed services will unify under one contractor the provision of maintenance services for the irrigation systems for all the Landscape. This unification will improve water use efficiency and reduce the frequency of repairs, and therefore reduce the costs to purchase water and replace dead plant material.

## **FISCAL IMPACT:**

The monthly cost of proposed CCO No. 31 is \$9,500, and would require annual funding for each of the next two fiscal years as summarized in Table 1, below.
