**RECOMMENDATION:** **Adopt Resolution Approving a Service Contract with California Sales Organization, LLC for Evidence Storage and Processing Facilities for the Property and Evidence Building, CIP GG 21-13 Corporation Yard Improvements**

---

#### **SUMMARY:**

On June 12, 2023, City Council awarded a contract for the construction of the Property and Evidence Building associated with CIP GG 21-13, Corporation Yard Improvements. The contract included construction of the building and site improvements but did not include supply and installation of the evidence storage and processing equipment essential to the services provided by Lathrop Police Department (LPD).

Therefore, staff obtained through California Multiple Award Schedules (CMAS) a quote for \$562,470 from California Sales Organization LLC (CSO) for the materials and installation of the evidence storage and processing equipment (Project).

Pursuant to Lathrop Municipal Code 2.36.110B, staff requests City Council approve a service contract with CSO for the Project for \$562,470. Staff also requests City Council authorize a 10% construction contingency of \$56,247 for a total Project cost not to exceed \$618,717.

Sufficient funds were allocated in the Fiscal Year (FY) 2023-24 approved budget to award the contact; therefore, no budget amendment is needed.

#### **BACKGROUND:**

The Project scope includes the purchase and installation of tools and equipment essential to many of the services provided by LPD. These items include motorized and fixed shelving, cold storage, a locked safe for secure storage, and equipment for the handling and retrieval of evidence. Equipment for the analysis of fingerprints and wardrobe lockers is also included in the quote. All items in the proposed contract are listed with costs in Table 1, below:

Staff also requests City Council authorize a 10% construction contingency of \$56,247, and authorize staff to spend the contingency as necessary to achieve the goals of the Project for a total cost not to exceed \$618,717.

**REASON FOR RECOMMENDATION:**

The proposed improvements will provide LPD with equipment and tools for the secure storage, handling and processing of evidence that are essential to many of the services provided by the department.

**FISCAL IMPACT:**

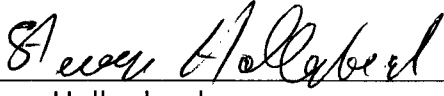

The proposed service contract with CSO is for \$562,470. A 10% construction contingency of \$56,247 is requested for a total cost not to exceed \$618,717. Sufficient funds were allocated to CIP GG 21-13 in the approved FY 2023-24 budget to award the contact; therefore, no budget amendment is needed.

Contractor, subcontractors and the entity through which the request was made. The public shall not be given access to such records at the principal office of the Contractor.

The Contractor shall file a certified copy of the payroll records with the entity that requested such records within ten (10) calendar days after receipt of a written request. Upon the request of the Division of Labor Standards Enforcement, such penalties shall be withheld from payments due Contractor.

**PREVAILING WAGES**

- (a) The Contractor is aware of the requirements of California Labor Code Sections 1720 *et seq.* and 1770 *et seq.*, as well as California Code of Regulations, Title 8, section 16000 *et seq.* ("Prevailing Wage Laws") which require the payment of prevailing wage rates and the performance of other requirements on certain "public works" and "maintenance" projects. Since this Contract involves an applicable "public works" or "maintenance" project, as defined by the Prevailing Wage Laws, and since the total compensation is \$1,000 or more, Contractor agrees to fully comply with such Prevailing Wage Laws. The Contractor shall obtain a copy of the prevailing rates of per diem wages applicable to the work to be performed by subcontractors from the website of the Division of Labor Statistics and Research of the Department of Industrial Relations located at <http://www.dir.ca.gov/dlsr/PWD/index.htm>. In the alternative, the City shall provide Contractor with a copy of the prevailing rates of per diem wages applicable to the work to be performed by subcontractors. Contractor shall make copies of the prevailing rates of per diem wages for each craft, classification or type of worker needed to perform work on the Project available to interested parties upon request, and shall post copies at the Contractor's principal place of business and at the Project site.

Contractor shall defend, indemnify and hold the City, its elected officials, officers, employees and agents free and harmless from any claims, liabilities, costs, penalties or interest arising out of any failure or alleged failure to comply with the Prevailing Wage Laws.

- (b) The Contractor and each subcontractor shall forfeit as a penalty to the City not more than fifty dollars (\$50) for each calendar day, or portion thereof, for each worker paid less than the stipulated prevailing rate for any work done by him, or by any subcontract under him, in violation of the provisions of the California Labor Code. The difference between such stipulated prevailing wage rate and the amount paid to each worker for each calendar day or portion thereof for which each worker was paid less than the stipulated prevailing wage rate shall be paid to each worker by the Contractor.

**BONDS**

- (a) As a condition precedent to City's obligation to pay compensation to Contractor, and on or before date of execution, the Contractor shall furnish satisfactory Performance Bond in the amount of 100 percent of the Contract Price and Payment Bond in the amount of 100 percent of the Contract Price as security for the faithful performance and payment of all the Contractor's obligations under this Contract.
- (b) The Guaranty (Warranty) Bond shall remain in effect at least until one year after the date of Acceptance of Public Improvements by the City as applicable, except as otherwise provided by Law or Regulation.
- (c) The Bond Company acknowledges that the Performance Bond, Payment Bond, and Guaranty (Warranty) Bond will be separately enforceable until each is separately released by the City of Lathrop. The release of one bond shall not release the remaining bond(s), even if all bonds share the same bond number.
- (d) If the surety on any Bond furnished by the Contractor is declared a bankrupt or becomes insolvent or its right to do business is terminated in any state where any part of the WORK is located, the Contractor shall within 7 days thereafter substitute another Bond and Surety, which must be acceptable to the CITY.

**INSURANCE**

On or before beginning any of the services or work called for by any term of this Agreement, CONTRACTOR, at its own cost and expense, shall carry, maintain for the duration of the Agreement, and provide proof thereof that is acceptable to the CITY the insurance specified in subsections (a) through (c) below with insurers and under forms of insurance satisfactory in all respects to the CITY. CONTRACTOR shall not allow any subcontractor to commence work on any subcontract until all insurance required of the CONTRACTOR has also been obtained for the subcontractor. Verification of this insurance shall be submitted and made part of this Agreement prior to execution.

- (a) Workers' Compensation. CONTRACTOR shall, at CONTRACTOR'S sole cost and expense, maintain Statutory Workers' Compensation Insurance and Employer's Liability Insurance for any and all persons employed directly or indirectly by CONTRACTOR. Said Statutory Workers' Compensation Insurance and Employer's Liability Insurance shall be provided with limits of not less than one million dollars (\$1,000,000).

**SERVICE CONTRACT – CITY OF LATHROP AND CALIFORNIA SALES ORGANIZATION LLC

AT THE LATHROP PROPERTY AND EVIDENCE BUILDING, CIP GG 21-13**

In the alternative, CONTRACTOR may rely on a self-insurance program to meet these requirements provided that the program of self-insurance complies fully with the provisions of the California Labor Code. The insurer, if insurance is provided, or the CONTRACTOR, if a program of self-insurance is provided, shall waive all rights of subrogation against the CITY for loss arising from work performed under this Agreement.

- (b) Commercial General and Automobile Liability Insurance. CONTRACTOR, at CONTRACTOR'S own cost and expense, shall maintain commercial general and automobile liability insurance for the period covered by this Agreement in an amount not less than two million dollars per occurrence (\$2,000,000), combined single limit coverage for risks associated with the work contemplated by this Agreement. If Commercial General Liability Insurance or an Automobile Liability form or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to the work to be performed under this Agreement or the general aggregate limit shall be at least twice the required occurrence limit. Such coverage shall include but shall not be limited to, protection against claims arising from bodily and personal injury, including death resulting therefrom, and damage to property resulting from activities contemplated under this Agreement, including the use of owned and non-owned automobiles. Coverage shall be at least as broad as Insurance Services Office Commercial General Liability occurrence form CG 0001 (ed. 11/88) and Insurance Services Office Automobile Liability form CA 0001 (ed. 12/90) Code 1 (any auto).

Each of the following shall be included in the insurance coverage or added as an endorsement to the policy:

- (i) CITY, its officers, employees, and volunteers are to be covered as insured with respect to each of the following: liability arising out of activities performed by or on behalf of CONTRACTOR, products and completed operations of CONTRACTOR; premises owned, occupied or used by CONTRACTOR. The coverage shall contain no special limitations on the scope of protection afforded to CITY, its officers, employees, agents, or volunteers.
- (ii) The insurance shall cover on an occurrence or an accident basis, and not on a claim made basis.
- (iii) An endorsement must state that coverage is primary insurance and that no other insurance affected by the CITY will be called upon to contribute to a loss under the coverage.
- (iv) Any failure of CONTRACTOR to comply with reporting provisions of the policy shall not affect coverage provided to CITY and its officers, employees, agents, and volunteers.
- (v) Insurance is to be placed with California-admitted insurers with a Best's rating of no less than A: VII.

- (vi) Notice of cancellation or non-renewal must be received by CITY at least thirty days prior to such change.
  
- (c) Deductibles and Self-Insured Retentions. CONTRACTOR shall disclose the self-insured retentions and deductibles before beginning any of the services or work called for by any term of this Agreement. During the period covered by this Agreement, upon express written authorization of CITY Manager, CONTRACTOR may increase such deductibles or self-insured retentions with respect to CITY, its officers, employees, agents, and volunteers. The CITY Manager may condition approval of an increase in deductible or self-insured retention levels upon a requirement that CONTRACTOR procure a bond guaranteeing payment of losses and related investigations, claim administration, and defense expenses that is satisfactory in all respects to each of them.
  
- (d) Notice of Reduction in Coverage. In the event that any coverage required under subsections (a), (b), or (c) of this section of the Agreement is reduced, limited, or materially affected in any other manner, CONTRACTOR shall provide written notice to CITY at CONTRACTOR'S earliest possible opportunity and in no case later than five days after CONTRACTOR is notified of the change in coverage.
  
- (e) In addition to any other remedies CITY may have if CONTRACTOR fails to provide or maintain any insurance policies or policy endorsements to the extent and within the time herein required, CITY may, at its sole option:
  - (i) Obtain such insurance and deduct and retain the amount of the premiums for such insurance from any sums due under the Agreement;
  
  - (ii) Order CONTRACTOR to stop work under this Agreement or withhold any payment which becomes due to CONTRACTOR hereunder, or both stop work and withhold any payment, until CONTRACTOR demonstrates compliance with the requirements hereof;
  
  - (iii) Terminate this Agreement.

Exercise of any of the above remedies, however, is an alternative to other remedies CITY may have and is not the exclusive remedy for CONTRACTOR'S breach.

**INDEMNIFICATION**

Contractor agrees to protect, defend, indemnify and hold City, its City Council members, officers, employees, engineer, and consultants harmless from and against any and all claims, demands, liabilities, losses, damages, costs, expenses, liens, penalties, suits, or judgments, arising in whole or in part, directly or indirectly, at any time from any injury to or death of persons or damage to property as a result of the willful or negligent act or omission of Contractor, or which results from Contractor's noncompliance with any Law respecting the condition, use, occupation or safety of the Project site, or any part thereof, or which arises from Contractor's failure to do anything required under this Contract or for doing anything which Contractor is required not to do under this Contract, or which arises from conduct for which any Law imposes strict liability on

This indemnification shall extend to any and all claims, demands, or liens made or filed by reason of any construction, renovation, or remodeling work performed by Contractor under this Contract at any time during the term of this Contract, or arising thereafter.

**SEVERABILITY**

Nothing contained in the Contract shall be construed so as to require the commission of any act contrary to law. Should a conflict arise between any provision contained herein and any present or future statute, law, ordinance or regulation contrary to which the parties have no legal right to contract or act, the latter shall prevail and the provision of this Contract which is affected shall be curtailed and limited but only to the extent necessary to bring it within the requirements of the law. If such curtailment or limitation is not possible, the affected provision shall be of no force and effect. Except as aforesaid, such illegality shall not affect the validity of this Contract.
