BACKGROUND:

Assembly Bill 481 Background

On September 30, 2021, Governor Newsom signed into law seven (7) major peace officer reform bills, including AB 481, authored by Assembly Member David Chieu to address the funding, acquisition and use of items lawmakers deem to be considered military equipment. This bill requires law enforcement agencies to obtain approval of the applicable governing body, by adoption of a military equipment use policy, as specified, by ordinance at a regular meeting held pursuant to specified open meeting laws, prior to taking certain actions relating to the funding, acquisition, or use of military equipment, as defined.

CITY MANAGER'S REPORT **Page 3**
DECEMBER 11, 2023 CITY COUNCIL REGULAR MEETING
PUBLIC HEARING TO CONSIDER AN ORDINANCE FOR USE OF MILITARY
EQUIPMENT BY THE NEW LATHROP POLICE DEPARTMENT

AB 481, codified in California Government Code Sections 7070-7075, required each law enforcement agency's governing body to adopt a written military equipment use policy by ordinance in a public forum by April 30, 2022, to continue using this previously acquired military equipment, effective May 1, 2022. During that time the City of Lathrop was under the jurisdiction of the San Joaquin County Sheriff's office, while working to transition into its own Police Department by July 1, 2022.

In preparation of the transition, on June 13, 2022, the City Council adopted Ordinance 22-436, amending Title 9 "Public Peace and Welfare" of the Lathrop Municipal Code (LMC) by adding Chapter 9.20 titled "Military Equipment Use Policy" to establish a policy for the proper use, funding and acquisition of military style equipment as set forth by AB 481 in compliance with California Government Code Section 7071. Military Equipment Use Policy No. 706 referenced by Ordinance 22-436 authorized the new Lathrop Police Department to fund, acquire, and use thirty-five 5.56mm semiautomatic rifles and ammo, and eight 40mm launchers and rounds. Additionally, on December 12, 2022, the City Council adopted Ordinance 22-441, amending Chapter 9.20 titled "Military Equipment Use Policy", of Title 9 "Public Peace And Welfare" of the Lathrop Municipal Code by adding Section 9.20.050 titled "Active Policies" to incorporate new Lathrop Police Department Policy No. 606, regulating "Unmanned Aerial System (UAS) Operations", and formally codifying previously approved Military equipment Use Policy No. 706, in the Lathrop Municipal Code, in compliance with California Government Code Section 7071.

Tonight, the Police Department is requesting that the City Council hold a public hearing to consider an ordinance amending Chapter 9.20, titled "Military Equipment Use Policy", of Title 9 "Public Peace and Welfare" of the Lathrop Municipal Code, by amending Section 9.20.050 titled "Active Policies" to updated existing Military Equipment List for Military Equipment Use Policy No. 706, by incorporating funding, acquisition, and use of new military equipment for the Lathrop Police Department, in compliance with California Government Code Sections 7070-7075, Assembly Bill (Chieu).

Additionally, staff requests that the City Council adopt a Resolution accepting the Annual Military Equipment Report, summarizing the equipment use and funding from the initial approval, June 2022 to date.

Definition of Military Equipment Use Policy

Per the statute, "military equipment use policy" means a publicly released, written document governing the use of military equipment by a law enforcement agency or a state agency that addresses, at a minimum, all of the following:

1. A description of each type of military equipment, the quantity sought, its capabilities, expected lifespan, and product descriptions from the manufacturer of the military equipment.

DECEMBER 11, 2023 CITY COUNCIL REGULAR MEETING**PUBLIC HEARING TO CONSIDER AN ORDINANCE FOR USE OF MILITARY EQUIPMENT BY THE NEW LATHROP POLICE DEPARTMENT**

2. The purposes and authorized uses for which the law enforcement agency or the state agency proposes to use each type of military equipment.
3. The fiscal impact of each type of military equipment, including the initial costs of obtaining the equipment and estimated annual costs of maintaining the equipment.
4. The legal and procedural rules that govern each authorized use.
5. The training, including any course required by the Commission on Peace Officer Standards and Training (POST), that must be completed before any officer, agent, or employee of the law enforcement agency or the state agency is allowed to use each specific type of military equipment to ensure the full protection of the public's welfare, safety, civil rights, and civil liberties and full adherence to the military equipment use policy.
6. The mechanisms to ensure compliance with the military equipment use policy, including which independent persons or entities have oversight authority, and, if applicable, what legally enforceable sanctions are put in place for violations of the policy.
7. For a law enforcement agency, the procedures by which members of the public may register complaints or concerns or submit questions about the use of each specific type of military equipment, and how the law enforcement agency will ensure that each complaint, concern, or question receives a response in a timely manner.

Overview of Requirements of AB 481

(Codified in California Government Code sections 7070-7075)

Assembly Bill (AB) 481 requires each law enforcement agency's governing body to adopt a written military use policy by ordinance in addition to other requirements by the bill.

- Publish the draft military equipment use policy to the Police Department's website 30 days ahead of a public hearing to approve the policy.
- Obtain approval by the applicable governing body (Mayor and City Council), by adoption of a military equipment use policy prior to taking certain actions relating to the funding, acquisition, or use of military equipment, as defined. (See definitions below)
- Publish an annual report by the law enforcement agency to include each type of military equipment approved by the governing body.
- Annual review of the military equipment use ordinance by the governing body, and option to either disapprove a renewal of a type of military equipment or amend the military equipment use policy if it determines that the military equipment does not comply with standards for approval.

DECEMBER 11, 2023 CITY COUNCIL REGULAR MEETING**PUBLIC HEARING TO CONSIDER AN ORDINANCE FOR USE OF MILITARY EQUIPMENT BY THE NEW LATHROP POLICE DEPARTMENT**

- Hold at least one well publicized and conveniently located community engagement meeting within 30 days of submitting and publicly releasing the annual military equipment report.

Definition of Military Equipment (Government Code 7070)

AB 481 designates the following 15 categories of items as military equipment:

1. Unmanned, remotely piloted, powered aerial or ground vehicles
2. Mine-resistant ambush-protected vehicles (MRAP) or armored personnel carriers.
3. High mobility multipurpose wheeled vehicles (HMMWV), commonly referred to as Humvees, two and one-half-ton trucks, five-ton trucks, or wheeled vehicles that have a breaching or entry apparatus attached.
4. Tracked armored vehicles that provide ballistic protection to their occupants and utilize a tracked system instead of wheels for forward motion.
5. Command and control vehicles that are either built or modified to facilitate the operational control and direction of public safety units.
6. Weaponized aircraft, vessels, or vehicles of any kind.
7. Battering rams, slugs, and breaching apparatuses that are explosive in nature.
8. Firearms of .50 caliber or greater, excluding standard issue shotguns.
9. Ammunition of .50 caliber or greater, excluding standard issue shotgun ammunition
10. Specialized firearms and ammunition of less than .50 caliber, including firearms and accessories identified as assault weapons in Penal Code § 30510 and Penal Code §30515, with the exception of standard-issue handguns/weapons and ammunition of less than .50 caliber that are issued to officers, agents, or employees of a law enforcement agency or a state agency.
11. Any firearm or firearm accessory that is designed to launch explosive projectiles
12. "Flashbang" grenades and explosive breaching tools, "tear gas," and "pepper balls," excluding standard, service-issued handheld pepper spray
13. Taser Shockwave, microwave weapons, water cannons, and the Long Range Acoustic Device (LRAD).
14. Projectile launch platforms and their associated munitions including 40mm projectile launchers, "bean bag," rubber bullet, and specialty impact munition (SIM) weapons.
15. Any other equipment as determined by a governing body or a state agency to require additional oversight

CITY MANAGER’S REPORT **Page 6**
DECEMBER 11, 2023 CITY COUNCIL REGULAR MEETING
PUBLIC HEARING TO CONSIDER AN ORDINANCE FOR USE OF MILITARY
EQUIPMENT BY THE NEW LATHROP POLICE DEPARTMENT

As mentioned under “Requirements of AB 481”, the ordinance(s) and policies are subject to annual City Council review to determine whether, based on an annual military equipment report, the standards set forth in the approving ordinance have been met. The City Council may renew the authorizing ordinance, disapprove authorization for particular military equipment where standards have not been met, or require modifications to this military equipment use procedure to address any non-compliance with standards.

Finally, the bill requires publication of this, and any approved, military equipment use procedure and the annual military equipment report on the Department’s website. The military equipment use procedure must be posted on the website at least 30 days prior to the Council meeting. On November 10, 2023, the City published the revised Military Equipment List for Military Equipment Use Policy No. 706 and the Annual Military Equipment Report on the dedicated Police Dept. AB 481 website under (<https://www.ci.lathrop.ca.us/police/page/assembly-bill-ab-481>).

The Public Hearing Notice was also published with the Manteca Bulletin on November 10, 2023.

FISCAL IMPACT:

The cost of the proposed military equipment to be owned/utilized by the Police Department, under Military Use Policy 706 is listed below (Attachment D), funded from the Police Department operating budget.

Equipment Name	Quantity Sought	Cost of Equipment
5.56mm Semiautomatic Rifles and ammo	11 (11.5")	\$2,010.08 each; \$22,110.88 total
Remington 870 Less Lethal Launcher / Drag Stabilized 12-Gauge Bean Bag Round	8	Previously owned; repurposed for new use.
Super-sock Bean Bag Ammunition	50 sets of 5 units; total 250	\$7.50 per 5 Units; \$375.00 total
5.56mm & 9mm Specialty Impact Munitions	3,000	\$3,000

REASON FOR RECOMMENDATION:

Staff requests City Council approval of the proposed ordinance to update existing Military Equipment List for Military Equipment Use Policy No. 706, in order for the Police Department to comply with the recently implemented State law, California Assembly Bill 481 (AB-481), codified in California Government Code sections 7070-7075, requiring local Police Departments to implement a new, or amended, military equipment use policy by means of an ordinance.

Military Equipment

706.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the approval, acquisition, and reporting requirements of military equipment (Government Code § 7070; Government Code § 7071; Government Code § 7072).

California Government Code section 7071(b) requires that law enforcement agencies submit a proposed Military Equipment Use Policy to their governing body for approval. California Government Code §7070(c) provides a list of equipment types that are considered to be "military equipment" for purposes of this policy requirement, and this Military Equipment Use Policy includes information for any such equipment types that are possessed by the Lathrop Police Department, or reasonably likely to be deployed in Lathrop by its law enforcement partners.

706.1.1 DEFINITIONS

California Government Code section 7070(d) defines a Military Equipment Use Policy as a publicly released written document that includes, at a minimum, all of the following:

1. A description of each type of Military Equipment, the quantity sought, its capabilities, expected lifespan, and product descriptions from the manufacturer of the Military Equipment.
2. The purposes and authorized uses for which the law enforcement agency or the state agency proposes to use each type of Military Equipment.
3. The fiscal impact of each type of Military Equipment, including the initial costs of obtaining the equipment and estimated annual costs of maintaining the equipment.
4. The legal and procedural rules that govern each authorized use.
5. The training, including any course required by the Commission on Peace Officer Standards and Training, that must be completed before any officer, agent, or employee of the law enforcement agency or the state agency is allowed to use each specific type of Military Equipment to ensure the full protection of the public's welfare, safety, civil rights, and civil liberties and full adherence to the Military Equipment use policy.
6. The mechanisms to ensure compliance with the Military Equipment use policy, including which independent persons or entities have oversight authority, and, if applicable, what legally enforceable sanctions are put in place for violations of the policy.
7. For a law enforcement agency, the procedures by which members of the public may register complaints or concerns or submit questions about the use of each specific type of Military Equipment, and how the law enforcement agency will ensure that each complaint, concern, or question receives a response in a timely manner

Governing body – The elected or appointed body that oversees the Department.

Military equipment – Includes but is not limited to the following:

1. Unmanned, remotely piloted, powered aerial or ground vehicles.

2. Mine-resistant ambush-protected (MRAP) vehicles or armored personnel carriers.
3. High mobility multipurpose wheeled vehicles (HMMWV), two-and-one-half-ton trucks, five-ton trucks, or wheeled vehicles that have a breaching or entry apparatus attached.
4. Tracked armored vehicles that provide ballistic protection to their occupants.
5. Command and control vehicles that are either built or modified to facilitate the operational control and direction of public safety units.
6. Weaponized aircraft, vessels, or vehicles of any kind.
7. Battering rams, slugs, and breaching apparatuses that are explosive in nature. This does not include a handheld, one-person ram.
8. Firearms and ammunition of .50 caliber or greater, excluding standard-issue shotguns and standard-issue shotgun ammunition.
9. Specialized firearms and ammunition of less than .50 caliber, including firearms and accessories identified as assault weapons in Penal Code § 30510 and Penal Code § 30515, with the exception of standard-issue firearms.
10. Any firearm or firearm accessory that is designed to launch explosive projectiles.
11. Noise-flash diversionary devices and explosive breaching tools.
12. Munitions containing tear gas or OC, excluding standard, service-issued handheld pepper spray.
13. TASER® Shockwave, microwave weapons, water cannons, and long-range acoustic devices (LRADs).
14. Kinetic energy weapons and munitions.
15. Any other equipment as determined by a governing body or a state agency to require additional oversight.
16. Notwithstanding paragraphs (1) through (15), "Military Equipment" does not include general equipment not designated as prohibited or controlled by the federal Defense Logistics Agency.

706.2 POLICY

It is the policy of the Lathrop Police Department that members of this department comply with the provisions of Government Code § 7071 with respect to military equipment.

706.3 COLLABORATION OR COORDINATION WITH OTHER AGENCIES

Law enforcement agencies responding to a call for mutual aid or who participate in collaboration with Lathrop Police Department within the City of Lathrop shall adhere to their own policies on the use of military equipment.

706.4 POLICY COMPLIANCE

Government Code section 7070 requires that this policy specify the mechanisms to be used by the Department to ensure compliance with this policy. Complaints regarding violations of this policy

Lathrop Police Department

Policy Manual

Military Equipment

are subject to investigation and discipline in accordance with Policy 1020, and other policies of the Department related to officer discipline. Complaints, questions, or other inquiries can be made as described below in the Public Involvement section. Further, The Chief will designate a Military Equipment Coordinator, whose responsibilities are described herein, which will include assisting with ensuring compliance with this policy.

706.5 PUBLIC INVOLVEMENT

Pursuant to California Government Code §7070(d)(7), members of the public may register complaints or concerns or submit questions about the use of each specific type of Military Equipment in this policy by any of the following means:

- (a) Via email to: rbechler@ci.lathrop.ca.us
- (b) Via phone call to: (209) 647-6401
- (c) Via mail sent to: Lathrop Police Department Attn: Military Equipment Coordinator, 390 Towne Centre Dr. Lathrop, CA 95330.

The Lathrop Police Department is committed to responding to complaints, concerns and/or questions received through any of the above methods in a timely manner.

706.6 MILITARY EQUIPMENT COORDINATOR

The Chief of Police shall designate a member of this department to act as the military equipment coordinator. The responsibilities of the military equipment coordinator include but are not limited to:

- (a) Acting as liaison to the governing body for matters related to the requirements of this policy.
- (b) Identifying department equipment that qualifies as military equipment in the current possession of the Department, or the equipment the Department intends to acquire that requires approval by the governing body.
- (c) Conducting an inventory of all military equipment at least annually.
- (d) Collaborating with any allied agency that may use military equipment within the jurisdiction of Lathrop Police Department (Government Code § 7071).
- (e) Preparing for, scheduling, and coordinating the annual community engagement meeting to include:
 - Publicizing the details of the meeting.
 - Preparing for public questions regarding the department's funding, acquisition, and use of equipment.
- (f) Preparing the annual military equipment report for submission to the Chief of Police and ensuring that the report is made available on the department website (Government Code § 7072).
- (g) Establishing the procedure for a person to register a complaint or concern, or how that person may submit a question about the use of a type of military equipment, and how the Department will respond in a timely manner.

706.7 COMMUNITY ENGAGEMENT

Within 30 days of submitting and publicly releasing the annual report, the Department shall hold at least one well-publicized and conveniently located community engagement meeting, at which the Department should discuss the report and respond to public questions regarding the funding, acquisition, or use of military equipment.

706.8 MILITARY EQUIPMENT INVENTORY

Pursuant to Government Code section 7070(d), the below provides a description of each type of military equipment, the quantity sought, its capabilities, expected lifespan, and product descriptions from the manufacturer of the military equipment. This section will include the purposes and authorized uses, the fiscal impact, the legal and procedural rules that govern the use, and the training required, for each type of military equipment. This section of the Military Equipment Use Policy is divided into two sections.

Section One lists qualifying equipment that is owned and/or utilized by the Lathrop Police Department.

Section Two lists qualifying equipment not previously listed in this policy, that is not owned or regularly utilized by the Lathrop Police Department, but which is known to be owned and/ or utilized by the Manteca/Ripon Regional SWAT Team, for which the Lathrop Police Department is a participating agency. While the equipment in Section Two is not purchased, owned, or maintained by the Lathrop Police Department, it could be used in the City of Lathrop if Manteca/Ripon SWAT is deployed, and is therefore included in this Military Equipment Use Policy. It is important to note that Manteca/Ripon SWAT is generally only deployed in extreme circumstances such as active shooter incidents, hostage situations, and the execution of high risk search and arrest warrants. The equipment Manteca/Ripon SWAT possesses is rarely deployed but could prove essential to emergency operations when needed.

706.9 APPROVAL

The Chief of Police or the authorized designee shall obtain approval from the governing body by way of an ordinance adopting the military equipment policy. As part of the approval process, the Chief of Police or the authorized designee shall ensure the proposed military equipment policy is submitted to the governing body and is available on the department website at least 30 days prior to any public hearing concerning the military equipment at issue (Government Code § 7071). The military equipment policy must be approved by the governing body prior to engaging in any of the following (Government Code § 7071):

- (a) Requesting military equipment made available pursuant to 10 USC § 2576a.
- (b) Seeking funds for military equipment, including but not limited to applying for a grant, soliciting or accepting private, local, state, or federal funds, in-kind donations, or other donations or transfers.

Policy Manual

Military Equipment

- (c) Acquiring military equipment either permanently or temporarily, including by borrowing or leasing.
- (d) Collaborating with another law enforcement agency in the deployment or other use of military equipment within the jurisdiction of this department.
- (e) Using any new or existing military equipment for a purpose, in a manner, or by a person not previously approved by the governing body.
- (f) Soliciting or responding to a proposal for, or entering into an agreement with, any other person or entity to seek funds for, apply to receive, acquire, use, or collaborate in the use of military equipment.
- (g) Acquiring military equipment through any means not provided above.

706.10 COORDINATION WITH OTHER JURISDICTIONS

Military equipment should not be used by any other law enforcement agency or member in this jurisdiction unless the military equipment is approved for use in accordance with this policy.

706.11 ANNUAL REPORT

Pursuant to California Government Code §7070(d)(6), and in accordance with California Government Code §7072, the Lathrop Police Department will submit to the Lathrop City Council an Annual Military Equipment Report and will make that report publicly available on its internet website. The Annual Military Equipment Report required by this section will remain publicly available on the City's internet website for as long as the military equipment is available for use. In addition, within 30 days of submitting and publicly releasing an Annual Military Equipment Report pursuant to this section, the Police Department shall hold at least one well-publicized and conveniently located community engagement meeting. The Annual Military Equipment Report will include the following information for the immediately preceding calendar year for each type of military equipment:

- (a) A summary of how the military equipment was used and the purpose of its use.
- (b) A summary of any complaints or concerns received concerning the military equipment.
- (c) The results of any internal audits, any information about violations of the military equipment use policy, and any actions taken in response.
- (d) The total annual cost for each type of military equipment, including acquisition, personnel, training, transportation, maintenance, storage, upgrade, and other ongoing costs, and from what source funds will be provided for the military equipment in the calendar year following submission of the annual military equipment report.
- (e) The quantity possessed for each type of military equipment.
- (f) If the law enforcement agency intends to acquire additional military equipment in the next year, the quantity sought for each type of military equipment.

The Lathrop City Council will use the Annual Military Equipment Report as a mechanism to ensure the Lathrop Police Department's compliance with this Military Equipment Use Policy, and to help it

LATHROP POLICE DEPARTMENT EQUIPMENT LIST

SECTION ONE: Qualifying Equipment Owned/Utilized by the Lathrop Police Department

1. Equipment Name: 5.56 mm Semiautomatic Rifles and ammo - CA Gov't Code §7070(c)(10)

Quantity Owned/Sought: 35 owned (16")

Lifespan: 15 years

Equipment Capabilities: The Colt M4 semiautomatic rifle is capable of firing 5.56 mm projectile bullet.

SPEER GOLD DOT .223 CALIBER 62 GRAIN RIFLE ROUND, cost: \$260 per case of 500, quantity: 1700 rounds. Remington ammunition made by Speer is reloadable, features nickel-plated brass cases and Boxer primers, and this is a non-corrosive round. The Gold Dot LE ammunition goes through a process of joining the jacket and core one molecule at a time, thanks to this, Speer eradicates the potential for the leading cause of bullet failure (jacket/core separation). This process will guarantee extraordinary weight retention through barriers as strong as auto-glass. In addition to its remarkable strength, Gold Dot rifle ammunition asserts remarkable accuracy. With exact tolerances and unparalleled bullet uniformity of jacket thickness.

LATHROP POLICE DEPARTMENT EQUIPMENT LIST

Throughout the world today, Colt's reliability, performance, and accuracy provide our Armed Forces the confidence required to accomplish any mission. Colt's CR6920 EPR series shares many features of its combat-proven brother, the Colt AR15.

(Description source: [LC Action Police Supply | Colt CR6920 Law Enforcement M4 Carbine AR15 \(Formerly LE6920\)](#) Purpose/Authorized Uses:

Members may deploy the patrol rifle in any circumstance where the member can articulate a reasonable expectation that the rifle may be needed. Examples of some general guidelines for deploying the patrol rifle may include but are not limited to: (a) situations where the member reasonably anticipates an armed encounter, (b) when a member is faced with a situation that may require accurate and effective fire at long range, (c) situations where a member reasonably expects the need to meet or exceed a suspect's firepower, (d) when a member reasonably believes that there may be a need to fire on a barricaded person or a person with a hostage, (e) when a member reasonably believes that a suspect may be wearing body armor, (f) when authorized or requested by a supervisor, and (g) when needed to euthanize an animal.

Fiscal Impacts: The initial cost of equipment was approximately \$43,124.81. The ongoing costs for ammunition will vary and maintenance is conducted by departmental staff.

Legal/Procedural Rules Governing Use: All applicable State, Federal and Local laws governing police use of force. Various Lathrop Police Department Policies on Use of Force and Firearms.

Training Required: Officers must successfully complete a CA POST certified 16-hour patrol rifle course as well as regular department firearms training and qualifications as required by law and policy.

2. Equipment Name: 40mm Launchers and rounds

Quantity Owned/Sought: 16

Lifespan: 20 years

Equipment Capabilities: 40mm Launchers are utilized by department personnel as a less lethal tool to launch less lethal impact rounds. The 40mm Less Lethal Launcher is capable of firing 40mm Kinetic Energy Munitions, which are essentially rubber projectiles.

LATHROP POLICE DEPARTMENT EQUIPMENT LIST

Manufacturer Product Description: Defense Technologies 40mm launcher, cost \$872.40 ea. Manufactured exclusively for Defense Technology®, the 40LMT is a tactical single shot launcher with light rail. The ambidextrous Lateral Sling Mount (LSM) and QD mounting systems allow both a single and two-point sling attachment. The 40LMTS will fire standard 40mm less lethal ammunition, up to 4.8 inches in cartridge length. The Picatinny Rail Mounting System will accept a wide array of enhanced optics/sighting systems.

- i. Direct Impact 40mm reloadable training Sponge Round – Model 6530 Defense Technology. Approx. 26 rounds. 6530LE-50 40mm Reloadable Training Round provides the same point of impact accuracy as the 40mm munitions it simulates and is the most cost effective way to conduct training. Reloading the munitions takes seconds and one hex key. Product for use on inanimate targets.
- ii. 40mm sponge, smokeless, spin stabilized/Combined Systems. Approx. 29 rounds. Sponge Baton is a spin-stabilized projectile delivering blunt trauma effect. Although it is extremely accurate and consistent, accuracy is dependent on the launcher, using open sights vs. an improved sight, environmental conditions, and the operator. Effectiveness depends on many variables, such as distance, clothing, stature, and the point where the projectile impacts. The 40mm Less Lethal Launchers and Kinetic Energy Munitions are intended for use as a less lethal use of force option. To limit the escalation of conflict where employment of lethal force is prohibited or undesirable. Situations for use may include, but are not limited to: (a) self-destructive, dangerous, and/or combative individuals; (b) barricaded suspects; and (c) training exercises.

Fiscal Impacts: The initial cost of this equipment was approximately \$6,979.20. The ongoing costs for munitions will vary and maintenance is conducted by departmental staff.

Legal/Procedural Rules Governing Use: All applicable State, Federal and Local laws governing police use of force. Various Lathrop Police Department Policies on Use of Force and Crowd Control.

Training Required: Officers must complete a department certified 40mm course as well as regular training and qualifications as required by law and policy.

5. Equipment Name: A Super-Sock Bean Bag Ammunition – Model 2581

Quantity Sought: 250

Cost: \$7.50/per 5 units

Lifespan: 15 years

Equipment Capabilities/Manufacturer Product Description: The Model 2581 Super-Sock is in its deployed state immediately upon exiting the barrel. It does not require a minimum range to “unfold” or “stabilize.” The Super-Sock is an aerodynamic projectile and its accuracy is relative to the shotgun, barrel length, environmental conditions, and the operator. The Super-Sock is first in its class providing the point control accuracy and consistent energy to momentarily incapacitate.

Fiscal Impacts: The initial cost of equipment was approximately \$375.00. The ongoing costs for ammunition will vary and maintenance is conducted by departmental staff.

Legal/Procedural Rules Governing Use: All applicable State, Federal and Local laws governing police use of force. Various Lathrop Police Department Policies on Use of Force and Firearms.

Training Required: Officers must complete a department certified less lethal course as well as regular training and qualifications as required by law and policy.

6. Equipment Name: 5.56 & 9mm Specialty Impact Munitions

Quantity Sought: 3,000

Lifespan: UTM 5.56 mm Man Marker Rounds (MMR) -18 month limited warranty. Shelf life six (6) years.

Force on Force 9mm Simunition Rounds – Shelf life five (5) years.

UTM M16/M4 Rifle Bolt Carrier Assembly (Blue Bolt) – 24 month limited warranty. No lifespan indicated by manufacturer. Lifespan varies on operational usage and wear.

Simunition Conversion Barrels and Slide Assemblies – 24 month limited warranty. No lifespan indicated by manufacturer. Lifespan varies on operational usage and wear.

Equipment Capabilities/Manufacturer Product Description: A non-lethal training ammunition used by law enforcement agencies and militaries worldwide to deliver more realistic close-range firearms training. They consist of low energy, non-lethal cartridges, typically manufactured with a water-soluble color marking compound. These rounds allow for shooters to obtain a visual assessment of round placement in live person training environments. When utilized with a training munition bolt carrier group in a 5.56mm rifle platform, SIM's have an effective range of approximately 27 yards. When utilized in a pistol caliber barrel training platform (9mm), SIMs have an effective range of 25 feet.

Fiscal Impacts: The initial cost of equipment was approximately \$3,000.00. The ongoing costs for ammunition will vary and maintenance is conducted by departmental staff.

Legal/Procedural Rules Governing Use: All applicable State, Federal and Local laws governing police training. Various Lathrop Police Department Policies on Firearms.

Training Required: Officers use these munitions during training scenarios involving the use of SIM's. Additionally, Officers use SIM's during scenario based training on a regular basis.

FUTURE CONSIDERATIONS:

1. Equipment Name: Command and Control Vehicles used to facilitate the operational control and direction of public safety units – CA Gov't Code §7071(c)(4)

Quantity Owned/Sought: One

Lifespan: Unknown.

Purpose/Capabilities/Description: Command vehicles are built in various platforms to include ½ ton pickup chassis, vans, trailers, and RV style configurations. Vehicles are built to better assist in command and control during law enforcement operations, natural disasters, and public safety issues. Vehicles are designed with additional communication abilities, computers, white boards, lightening, generators, and mission essential supplies.

Fiscal Impact: None. Equipment owned, maintained, and operated by another agency.

Legal/Procedural Rules Governing Use: Use shall be in accordance with California State and Federal law.

Training Required: None. LDV USA Custom Build \$369,045 using grant from Office of Homeland Security in 2006; annual maintenance \$4,000

2. Equipment Name: Lenco Bearcat G3 – 4 Door Model with CBRNE capability

Quantity Owned/Sought: One

Lifespan: Dependent on operational usage.

Purpose/Capabilities/Description: Manufacturer Description: The BearCat G3 provides Lenco's proven armor system in a ruggedized off-road platform. The G3 utilizes the same body design, interior features and tactical options as the G2, but it comes standard with a heavier duty upgraded suspension and off-road tires, rims & run flats to provide enhanced off-road performance. The increased ground clearance and robust suspension allows for emergency response in rural regions and natural disaster scenarios where standard armored SWAT vehicles would experience challenges.

Fiscal Impact: None. Lenco BEARCAT \$281,000; *\$100,000 COPS grant*; annual maintenance \$3,500

Legal/Procedural Rules Governing Use: Use shall be in accordance with California State and Federal law.

Training Required: None, Equipment owned, maintained, and operated by another agency.

SECTION TWO: Specialized Equipment Inventory known to be owned and/or utilized by law enforcement agencies with which the Lathrop Police Department collaborates with and/or may require assistance from, in a mutual-aid situation for law enforcement services.

1. Equipment Name: Defense Technology 12-Gram Reload Distraction Device

Quantity Owned/Sought: None

Lifespan: Unknown

Purpose/Capabilities/Description: To produce atmospheric over-pressure and brilliant white light and, as a result, can cause short-term (6 - 8 seconds) physiological/psychological sensory deprivation to give officers a tactical advantage. A non-bursting, non-fragmenting distraction device that produces a thunderous bag with an intense bright light. Ideal for distracting dangerous suspect during assaults, hostage rescue, room entry, or other high-risk arrest situations. The distraction device produces 175 dB of sound output at 5 feet and 6-8 million candelas for 10 milliseconds.

Fiscal Impacts: None. Equipment owned, maintained, and operated by another agency.

Legal/Procedural Rules Governing Use: The equipment is utilized for official law enforcement purposes and pursuant to State and Federal law.

Training Required: None, Equipment owned, maintained, and operated by another agency.

2. Equipment Name: iCore Mini Robots

Quantity Owned/Sought: None

Lifespan: Unknown

Purpose/Capabilities/Description: The iCore Mini is an unmanned machine, which operates on the ground utilized to enhance the safety to the community and officers. The iCore Mini can be hand carried or transported inside a rucksack, and can be remotely operated from many hundreds of meters away, providing protection and safety to their operators. To be used to remotely gain visual/audio data, deliver HNT phone, open doors, disrupt packages, and clear buildings.

Fiscal Impacts: None. Equipment owned, maintained, and operated by another agency.

Legal/Procedural Rules Governing Use: The equipment is utilized for official law enforcement purposes and pursuant to State and Federal law.

Training Required: None. Equipment owned, maintained, and operated by another agency.

3. Equipment Name: Non-handheld battering rams, slugs and breaching equipment apparatuses that are explosive in nature - CA Gov't Code §7071(c)(7)

Quantity Owned/Sought: None

Lifespan: Unknown

Purpose/Capabilities/Description: Explosive breaching tools are used to breach fortified structures to establish a point of entry. Explosive charges are fashioned to produce little to no fragmentation at the time of detonation. Explosive breaching effectively reduces the time spent overcoming a fortified door or structure. The reduction in time mitigating a hardened structure increasing officer safety and the element of surprise. Blast injuries are reduced by using low yield explosives that mechanically overcome doorframes and locking mechanisms. Explosive breaching mandates extensive schooling and certification processes.

Avon frangible shotgun ammunition, Detonating Cords, and Blasting Caps are used to breach doors and points of entry on fortified doors or structures. The equipment is used to safely gain entry into a structure.

Fiscal Impacts: None. Equipment owned, maintained, and operated by another agency.

Legal/Procedural Rules Governing Use: The equipment is utilized for official law enforcement purposes and pursuant to State and Federal law.

Training Required: None. Equipment owned, maintained, and operated by another agency.

5. Equipment Name: Unmanned Aircraft System (UAS)

Quantity Owned/Sought: None.

Lifespan: Unknown

Purpose/Capabilities/Description:

- Major collision investigation, search for missing persons, natural disasters
- Vehicles are capable of being remotely navigated to provide scene information and intelligence in the form of video and still images transmitted to first responders.
- Gain visual/audio data and remotely clear buildings and structure
- Unmanned robotics have numerous applications and are used instead of personnel in high-risk environments to increase safety for law enforcement

Fiscal Impacts: None. Equipment owned, maintained, and operated by another agency.

Legal/Procedural Rules Governing Use: Use shall be in accordance with California State and Federal law regarding the operation of UAS vehicles, and in a manner, that respects the privacy of our community.

Training Required: None. Equipment owned and, operated by another agency.

CITY OF LATHROP POLICE DEPARTMENT

PREFACE

The Lathrop Police Department presents its first Annual Military Equipment Report for Calendar Year 2023. This reports covers activity from May 2022 to November 2023. The Lathrop Police Department is committed to maintaining public safety by providing the highest quality police services to the communities we serve. We have an obligation to our residents, businesses, and neighboring communities to serve, protect, and provide an enforcement posture that does not allow for crime and violence to thrive. We are thankful for the resources and equipment available to our Department, and for the support of our community. Nonetheless, having approval to fund, aquire, and use the necessary equipment and adequate resources available makes our department more capable to confront adverse situations that may lead to potential threats to our community. Having the essential equipment along with our relentless fortitude, the brave men and women of the Lathrop Police Department continue to stand ready to fulfill our duty to serve and protect.

Respectfully,

A handwritten signature in black ink, appearing to read "Stephen T. Sealy".

Stephen Sealy, Interim Chief of Police

HISTORICAL BACKGROUND

On September 30, 2021, Governor Newsom signed seven major peace officer reform bills into law, including Assembly Bill 481 (AB 481). AB 481 authored by Assembly Member David Chieu (D-San Francisco) addressed requirements for the funding, acquisition, and use of items considered to be "military equipment." Effective January 1, 2022, AB 481 required law enforcement agencies to obtain approval of their perspectives governing bodies (Lathrop City Council), by adoption of a military equipment use policy prior to taking certain actions relating to the funding, acquisition, or use of military equipment. The full text of AB 481 is available here: https://leginfo.legislature.ca.gov/faces/billTextClient.xhtml?bill_id=202120220AB481

During the passage of this new law, the City of Lathrop was working on transitioning to its own Police Department, with a commission start date of July 1, 2022. To comply with new state requirements for all California law enforcement agencies, the new Lathrop Police Department diligently prepared a policy for the funding, acquisition, and use of designated "military equipment," along with a list of equipment to be used by the new Lathrop Police Department in accordance with AB 481. The Lathrop City Council adopted Ordinance Nos. 22-433, 22-436, and 22-441, related to this matter.

CITY OF LATHROP POLICE DEPARTMENT

REQUIREMENTS OF AB 481 - FUNDING, ACQUISITION, AND USE OF MILITARY EQUIPMENT

Assembly Bill (AB) 481 requires each law enforcement agency's governing body to adopt a written military use policy by ordinance in addition to other requirements by the bill. The following are required:

- Publish the draft military equipment use policy to the Police Department's website 30 days ahead of a public hearing to approve the policy.
- Obtain approval by the applicable governing body (Lathrop City Council), by adoption of a military equipment use policy prior to taking certain actions relating to the funding, acquisition, or use of military equipment, as defined. (See definitions below)
- Publish an annual report by the law enforcement agency to include each type of military equipment approved by the governing body.
- Annual review of the military equipment use ordinance by the governing body, and option to either disapprove a renewal of a type of military equipment or amend the military equipment use policy if it determines that the military equipment does not comply with standards for approval.
- Hold at least one well publicized and conveniently located community engagement meeting within 30 days of submitting and publicly releasing the annual military equipment report.

DEFINITION OF MILITARY EQUIPMENT (GOVERNMENT CODE 7070)

AB 481 designates the following 15 categories of items as military equipment:

1. Unmanned, remotely piloted, powered aerial or ground vehicles
2. Mine-resistant ambush-protected vehicles (MRAP) or armored personnel carriers.
3. High mobility multipurpose wheeled vehicles (HMMWV), commonly referred to as Humvees, two and one-half-ton trucks, five-ton trucks, or wheeled vehicles that have a breaching or entry apparatus attached.
4. Tracked armored vehicles that provide ballistic protection to their occupants and utilize a tracked system instead of wheels for forward motion.
5. Command and control vehicles that are either built or modified to facilitate the operational control and direction of public safety units.
6. Weaponized aircraft, vessels, or vehicles of any kind.
7. Battering rams, slugs, and breaching apparatuses that are explosive in nature.
8. Firearms of .50 caliber or greater, excluding standard issue shotguns.

CITY OF LATHROP POLICE DEPARTMENT

9. Ammunition of .50 caliber or greater, excluding standard issue shotgun ammunition
10. Specialized firearms and ammunition of less than .50 caliber, including firearms and accessories identified as assault weapons in Penal Code § 30510 and Penal Code §30515, with the exception of standard-issue handguns/weapons and ammunition of less than .50 caliber that are issued to officers, agents, or employees of a law enforcement agency or a state agency.
11. Any firearm or firearm accessory that is designed to launch explosive projectiles
12. "Flashbang" grenades and explosive breaching tools, "tear gas," and "pepper balls," excluding standard, service-issued handheld pepper spray
13. Taser Shockwave, microwave weapons, water cannons, and the Long Range Acoustic Device (LRAD).
14. Projectile launch platforms and their associated munitions including 40mm projectile launchers, "bean bag," rubber bullet, and specialty impact munition (SIM) weapons.
15. Any other equipment as determined by a governing body or a state agency to require additional oversight
16. Notwithstanding paragraphs (1) through (15), "military equipment" does not include general equipment not designated as prohibited or controlled by the federal Defense Logistics Agency.

MILITARY EQUIPMENT USE POLICY

"Military equipment use policy" means a publicly released, written document governing the use of military equipment by a law enforcement agency or a state agency that addresses, at a minimum, all of the following:

- (1) A description of each type of military equipment, the quantity sought, its capabilities, expected lifespan, and product descriptions from the manufacturer of the military equipment.
- (2) The purposes and authorized uses for which the law enforcement agency or the state agency proposes to use each type of military equipment.
- (3) The fiscal impact of each type of military equipment, including the initial costs of obtaining the equipment and estimated annual costs of maintaining the equipment.

CITY OF LATHROP POLICE DEPARTMENT

(4) The legal and procedural rules that govern each authorized use.

(5) The training, including any course required by the Commission on Peace Officer Standards and Training, that must be completed before any officer, agent, or employee of the law enforcement agency or the state agency is allowed to use each specific type of military equipment to ensure the full protection of the public's welfare, safety, civil rights, and civil liberties and full adherence to the military equipment use policy.

(6) The mechanisms to ensure compliance with the military equipment use policy, including which independent persons or entities have oversight authority, and, if applicable, what legally enforceable sanctions are put in place for violations of the policy.

(7) For a law enforcement agency, the procedures by which members of the public may register complaints or concerns or submit questions about the use of each specific type of military equipment, and how the law enforcement agency will ensure that each complaint, concern, or question receives a response in a timely manner.

CITY OF LATHROP POLICE DEPARTMENT APPROVED MILITARY EQUIPMENT USE POLICIES
