CITY MANAGER'S REPORT MARCH 25, 2024, CITY COUNCIL SPECIAL MEETING

ITEM: APPROVE FINAL MAP, CFD ANNEXATION, IRREVOCABLE OFFER OF DEDICATION, AND SUBDIVISION IMPROVEMENT AGREEMENT FOR 87 LOTS IN TRACT 4178 VILLAGE 40 WITHIN LAKE HARBOR WEST DISTRICT OF RIVER ISLANDS

RECOMMENDATION: Adopt Resolution Approving Final Map for Tract 4178 Village 40 within the Lake Harbor West District, Totaling 87 Single Family Lots, Annexation into CFD 2023-1, an Irrevocable Offer of Dedication, and a Subdivision Improvement Agreement with River Islands Development Area 1, LLC

SUMMARY:

The proposed Final Map for Tract 4178, included as Attachment "E", is within the Lake Harbor West District of Phase 2 for the River Islands Project. River Islands Development Area 1, LLC (River Islands) is proposing eighty-seven (87) 52' x 100' single-family lots for Pulte Homes. A Vicinity Map is included as Attachment "B".

Staff recommends that the City Council approve the proposed Final Map Tract 4178, Lake Harbor Village 40 (Tract 4178), City of Lathrop Community Facilities District, Irrevocable Offer of Dedication (IOD), and a Subdivision Improvement Agreement (SIA), included as Attachment "C", with River Islands Development Area 1, LLC, by Resolution included as Attachment "A".

BACKGROUND:

On June 14, 2021, the City Council adopted resolutions and ordinances approving the River Islands modified Phase 2 Project and Vesting Tentative Subdivision Map (VTM) 6716. On November 14, 2022, City Council approved Large Lot Map Tract 4149 for 34 undevelopable parcels. On August 16, 2023, Planning Commission approved the Lake Harbor West Neighborhood Development Plan and Architectural Design Guidelines and Development Standards. The land for the proposed Final Map for Tract 4178 is within the geographic boundaries of VTM 6716, Large Lot Map Tract 4149, and the Lake Harbor West Neighborhood.

As required by the Lathrop Municipal Code Chapter 16.16, all final maps must include a SIA to guarantee specific offsite and onsite improvements.

The total cost of the improvements for Tract 4178 is \$2,262,000, however, a large percentage of the improvements have already been constructed and therefore do not need to be guaranteed. Performance and labor & material securities have been provided with the SIA for Tract 4178 that guarantee the unfinished improvements in the amount of:

Labor & Materials Security (50% of Performance Security) Bond No. 0844442	\$62,150

Sections 9 and 10 of the SIA for Tract 4178 require River Islands to construct Off-Site Improvements as well as comply with conditions for the use of temporary wastewater pump and haul. The conditions, terms, requirements, and guarantees associated with these items are documented in the Tract 4155 SIA approved by City Council on September 11, 2023 and are applicable to Tract 4178.

Acceptance of the public improvements will be processed by staff at a later date and when the unfinished improvements are completed. Prior to acceptance, River Islands will be required to provide a one (1) year warranty bond.

Tract 4178 will need to be annexed into different CFDs for maintenance purposes. The CFDs are for the City, Island Reclamation District (RD) 2062 and River Islands Public Financing Authority (RIPFA). Approval of Annexation into City of Lathrop CFD 2023-1 is proposed with this Council item. Annexation into additional CFDs administered by RD 2062 and RIPFA is required as part of the escrow instructions prior to recording of the final map.

River Islands has provided an Irrevocable Offer of Dedication for right-of-way purposes for the portion of Clawson Lane that fronts Tract 4178 (B5 of Attachment "D"). Clawson Lane is necessary for the access to Tract 4178 but is not part of the large parcel that encompasses Tract 4178 and therefore must be dedicated by a document separate from the Final Map.

As a precondition to record the Final Map, River Islands must satisfy the Escrow Instructions, included as Attachment "D", by depositing necessary sums to guarantee the payment of all fees and providing required documents.

REASON FOR RECOMMENDATION:

River Islands has fulfilled all of the requirements of the City’s subdivision ordinance as listed below:

**SUBDIVISION IMPROVEMENT AGREEMENT
BETWEEN THE CITY OF LATHROP AND
RIVER ISLANDS DEVELOPMENT AREA 1, LLC,
FOR TRACT 4178 LAKE HARBOR WEST - VILLAGE 40 - 87 SINGLE FAMILY LOTS**

RECITALS

A. This Agreement is made and entered into this **25th day of March 2024**, by and between the **CITY OF LATHROP**, a municipal corporation of the State of California (hereinafter "CITY") and **River Islands Development Area 1, LLC**, a Delaware Limited Liability Company, (hereinafter referred to as "SUBDIVIDER").

B. Pursuant to Division 2 of Title 7 of the Government Code of the State of California and the CITY's Subdivision Regulations (City of Lathrop, Code of Ordinances, Chapter 16), SUBDIVIDER is required to make dedications and improve Tract 4178 Lake Harbor West-Village 40 (Tract 4178). However, SUBDIVIDER has completed a significant portion of public infrastructure improvements associated with Tract 4178 located within the Lake Harbor West District of River Islands Phase 2, which also includes major streets necessary to access the site. Performance and Labor & Material securities have been provided by SUBDIVIDER that guarantee the unfinished improvements for Tract 4178, in the amount shown in Section 8 of this Agreement.

C. SUBDIVIDER is required to construct certain off-site improvements (Off-Site Improvements) that support the West Village, Lake Harbor, and Paradise Cut Village Center Neighborhoods of River Islands Phase 2 (Neighborhoods). The Offsite Improvements are needed to provide public access, emergency vehicle access, and wastewater discharge for the Neighborhoods. Since construction of the Offsite Improvements are not complete, SUBDIVIDER has provided security with the Subdivision Improvement Agreement for Tract 4155 West Village Unit 1 (Tract 4155 SIA) as detailed in Table 1 of the Agreement. The conditions, terms, requirements, and guarantees associated with the Off-Site Improvements stated in the Tract 4155 SIA are applicable to Tract 4172, Tract 4173, and this Agreement.

D. As a condition of Final Map approval, SUBDIVIDER is required to provide wastewater conveyance to the City's Combined Treatment Facility (CTF) and treatment capacity to each parcel within the Final Map boundary. However, the Callerton Avenue Bridge, which is guaranteed with the Tract 4155 SIA, has not yet been constructed due to permitting delays and therefore the wastewater conveyance system for Phase 2 of the Project south/west of the main drain does not have the ability to convey wastewater to the CTF. Therefore, SUBDIVIDER requested approval with the Tract 4155 SIA of the use of temporary pump and haul of wastewater until the Callerton Avenue Lift Station and Bridge are constructed and conveyance of wastewater to the CTF is possible.

The conditions, terms and requirements associated with the pump and haul agreement as detailed in Section 10 of the Tract 4155 SIA are applicable to Tract 4172, Tract 4173, and this Agreement.

E. SUBDIVIDER has completed a portion of the joint trench improvements for Tract 4178 and as noted in Recital B, security shall be required for the unfinished portion of these improvements, along with other required infrastructure associated with Tract 4178. Improvement plans, and street light plans have already been approved by the City. The street, sidewalk, underground utility, storm drainage, streetlight and joint trench improvements (hereinafter "Improvements") are substantially completed and minor improvements not yet constructed as part of the required infrastructure for Tract 4178 are required security as outlined in this Agreement is required.

NOW THEREFORE in consideration of CITY'S pending approval and acceptance of the Improvements upon their satisfactory completion, and in consideration of SUBDIVIDER'S construction of Improvements in strict accordance with the terms of this Agreement, all applicable laws, statutes, ordinances, rules and regulations currently in force and effect in CITY, the terms and conditions of which are incorporated herein by this reference, the parties hereto mutually covenant and agree as follows:

1. SUBDIVIDER shall complete construction of, or cause construction to be completed at its sole cost and expense, the Improvements for all of the lots within the Lake Harbor – Village 40 neighborhood, to the limits identified in Exhibit "A", including the public landscaping, streetlight and joint trench improvements. A Vicinity Map is included as Exhibit "B".

All improvements shall be constructed to the satisfaction and approval of the City Engineer, in a good and workmanlike manner in accordance with the above referenced improvement plans and specifications, the improvement standards and specifications of the CITY'S Department of Public Works, the applicable Ordinances of the City of Lathrop and the California Subdivision Map Act.

2. SUBDIVIDER shall complete the Improvements, including all deferred and unfinished improvements, prior to occupancy of the last home constructed in Tract 4178 that is conveyed to a private interest not associated with the transfer of title of Tract 4178 associated with the filing of Tract 4178 (homebuilder), prior to the completion and occupancy of the last production dwelling unit associated with Tract 4178, or March 25, 2025, whichever comes first. Such occupancy shall be documented by CITY in the form of a Certificate of Occupancy or Final Building Permit.

3. CITY, or its agent(s), shall, at any time during the progress of the Improvements, have free access thereto, and shall be allowed to examine the same and all material to be used therein. If the Improvements or any part thereof are not completed in strict compliance with the standards set forth in Paragraph 1 above, CITY may refuse to accept and may reject the defective Improvements and/or materials therein.

4. SUBDIVIDER shall secure the services of skilled personnel necessary to construct the Improvements. CITY is not skilled in these matters and relies upon the skill of the SUBDIVIDER to ensure that the construction of the Improvements is in the most skillful and durable manner.

Subdivision Improvement Agreement (River Islands Development Area 1, LLC)
Tract 4178 Lake Harbor West - Village 40

5. CITY'S acceptance of the Improvements does not operate as a release of SUBDIVIDER from any guarantee hereunder.

6. SUBDIVIDER guarantees and warrants that the Improvements shall be constructed in compliance with the standards set forth in Paragraph 1 above, free from any defects in work or labor done, and from any defects in materials furnished. Further, SUBDIVIDER shall repair and maintain the Improvements in good condition and in accordance with CITY specifications for one (1) year after CITY'S acceptance of the Improvements. As required by this Agreement, prior to acceptance of the Improvements, SUBDIVIDER shall deposit with the City Engineer a Warranty Bond in the amount of \$226,200, equal to 10% of the estimated cost of the Improvements for the Lake Harbor West - Village 40 neighborhood (\$2,262,000) as included in the Engineer's estimate attached to this Agreement as Exhibit "D", to insure SUBDIVIDER'S repair and warranty of the Improvements in accordance with the terms of this Agreement. The Warranty Bond shall be released at the end of the one year guarantee period, provided there are no claims against it are then outstanding.

7. If SUBDIVIDER, in whole or in part, abandons the Improvements, or unnecessarily or unreasonably delays construction of the Improvements, fails to complete construction of the Improvements within the time specified in this Agreement, or fails to repair replace or reconstruct any defects, as set forth in Paragraph 6 above, CITY may, but is not required to, proceed to complete and/or repair, replace, or reconstruct the Improvements, either by itself or by contract for such service, and CITY may cause to be forfeited such portion of any security deposited therein as is necessary to cover the costs of completion, repair, replacement, or reconstruction incurred by CITY.

Once action is taken by CITY to complete, repair, replace and/or reconstruct the Improvements, SUBDIVIDER shall be responsible for all costs incurred by CITY, even if SUBDIVIDER subsequently completes the work.

The CITY shall have recourse against SUBDIVIDER for any and all amounts necessary to complete the obligations of SUBDIVIDER in the event the security (including but not limited to any Letter of Guarantee, Certificate of Deposit, cash, bond for performance, labor and materials and repair and maintenance, letter of credit or cash deposit) therefore is insufficient to pay such amounts. All administrative costs, including reasonable attorney's fees pursuant to Government Code Section 66499.4, incurred by the CITY, in addition to the costs of the improvements shall be a proper charge against the security and SUBDIVIDER. In the event it becomes necessary for CITY to bring an action to compel performance of this Agreement or to recover costs of completing such improvements, SUBDIVIDER shall pay reasonable attorney's fees, costs of suit and all other expenses of litigation incurred by CITY in connection therewith.

8. Because the Improvements are not entirely complete, the SUBDIVIDER is required to only post Performance or Labor & Materials bonds to guarantee the unfinished improvements associated with Tract 4178 as included and described in Exhibit "D" of this Agreement. Performance and Labor & Material securities have been provided in the amount shown in Table 1 below. SUBDIVIDER shall also comply with CITY'S insurance requirements set forth on Exhibit "C" attached hereto and incorporated herein.

Unfinished Improvement Total:	\$113,000
Performance Bond (Bond No. 0844442):	\$124,300

9. SUBDIVIDER is required to construct certain off-site improvements (Off-Site Improvements) that support the West Village, Lake Harbor, and Paradise Cut Village Center Neighborhoods of River Islands Phase 2 (Neighborhoods). The Offsite Improvements are needed to provide public access, emergency vehicle access, and wastewater discharge for the Neighborhoods as described below. Since construction of the Offsite Improvements are not complete, SUBDIVIDER has provided security with the Subdivision Improvement Agreement for Tract 4155 West Village Unit 1 (Tract 4155 SIA) as detailed in Table 1 of the Agreement. The conditions, terms and requirements associated with the Off-Site Improvements stated in the Tract 4155 SIA are applicable to Tract 4172, Tract 4173, and this Agreement.

10. As a condition of Final Map approval, SUBDIVIDER is required to provide wastewater conveyance to the City's Combined Treatment Facility (CTF) and treatment capacity to each parcel within the Final Map boundary. However, the Callerton Avenue Bridge, which is guaranteed with the Tract 4155 SIA, has not yet been constructed due to permitting delays and therefore the wastewater conveyance system for Phase 2 of the Project south/west of the main drain does not have the ability to convey wastewater to the CTF. Therefore, SUBDIVIDER requested approval with the Tract 4155 SIA of the use of temporary pump and haul of wastewater until the Callerton Avenue Lift Station and Bridge are constructed and conveyance of wastewater to the CTF is possible. The conditions, terms and requirements associated with the pump and haul agreement as detailed in Section 10 of the Tract 4155 SIA are applicable to Tract 4172, Tract 4173, and this Agreement.

11. Any alteration(s) made to the plans and specifications, which are a part of this Agreement, or any provision of this Agreement shall not operate to release any surety or sureties from liability on any bond or bonds attached hereto and made a part thereof. The above referenced sureties hereby consent to such alterations and waive the provisions of California Civil Code Section 2819.

12. Neither the CITY nor any of its officers, employees or agents shall be liable to SUBDIVIDER, and/or SUBDIVIDER'S agents, contractors or subcontractors for any error or omission arising out of or in connection with any work to be performed under this Agreement.

13. Neither the CITY nor any of its officers, employees, or agents, shall be liable to the SUBDIVIDER or to any person, entity, or organization, for any injury or damage that may result to any person or property by or from any cause in, on, or about the subdivision of all or any part of the land covered by this Agreement.

14. SUBDIVIDER hereby agrees to, and shall hold CITY, its elective and appointive boards, commissions, officers, agents and employees (collectively, "Indemnitees"), harmless from any liability for damage or claims which may arise from SUBDIVIDER and/or SUBDIVIDER'S contractors, subcontractors, agents, or employees' operations under this Agreement, whether such

operations be by SUBDIVIDER or by any SUBDIVIDER contractors, subcontractors, or by any one or more persons directly or indirectly employed by, or acting as agent for, SUBDIVIDER or any of SUBDIVIDER'S contractors or subcontractors. SUBDIVIDER shall, at its own cost and expense, defend any and all actions, suits, or legal proceedings or any type that may be brought or instituted against CITY and indemnities on any claim or demand, of any nature whatsoever, and pay or satisfy any judgment that may be rendered against CITY and the Indemnitees in any such action, suit or legal proceedings, resulting from or alleged to have resulted from SUBDIVIDER'S performance or non-performance of his duties and obligations under this Agreement, or from the negligent act or omission of himself, his agents, contractors, representatives, servants or employees. The promises and Agreement to indemnify and hold harmless set forth in this section is not conditioned or dependent on whether or not any indemnity has prepared, supplied or approved any plan or specification in connection with this work or subdivision, whether or not any such indemnity has insurance or indemnification covering any of these matters. CITY does not, and shall not; waive any rights against SUBDIVIDER which it may have by reason of the aforesaid hold harmless agreement, because of the acceptance by CITY of any deposit with CITY by SUBDIVIDER. The aforesaid hold harmless agreement by SUBDIVIDER shall apply to all damages and claims for damages of every kind suffered, or alleged to have been suffered, by reason of any of the aforesaid operations referred to in this paragraph, regardless of whether or not CITY has prepared, supplied or approved of, plans and/or specifications for the subdivision.

15. Neither SUBDIVIDER nor any of SUBDIVIDER'S agents, contractors or subcontractors are, or shall be, considered to be agents of CITY in connection with the performance of SUBDIVIDER'S obligations under this Agreement.

16. Prior to acceptance of the Improvements by the City Council, the SUBDIVIDER shall be solely responsible for maintaining the quality of the Improvements, and maintaining safety at the project site. The SUBDIVIDER'S obligation to provide the Improvements shall not be satisfied until after the City Engineer has made a written determination that all obligations of the Agreement have been satisfied and all outstanding fees and charges have been paid, and the City Council has accepted the Improvements as complete. The CITY and SUBDIVIDER have formed Community Facilities Districts to finance maintenance and improvements. The CITY expects to preserve the ability to use future special taxes of the CFD for payment of the cost of acquisition of the Improvements, which may require that acceptance of improvements by CITY be subject to the provisions of an acquisition agreement to be entered into by the CITY and SUBDIVIDER providing that CITY expects to be paid or reimbursed acquisition costs through future CFD special taxes. SUBDIVIDER shall cooperate to facilitate such method of acquisition.

17. SUBDIVIDER shall pay service fees for the utility services from the time the Improvements are accepted by the CITY to the end of the fiscal year, or up to a one (1) year period, whichever is needed to ensure an opportunity for the Improvements to be included in the next fiscal year annual assessment.

18. SUBDIVIDER shall be responsible to sweep streets within the subdivision every two weeks as directed by the City Engineer, on all streets where lots are occupied and all streets providing access to occupied lots until the Improvements are accepted by the CITY.

If such consent is given, the terms of this Agreement shall apply to and bind the heirs, successors, executors, administrators and assignees of SUBDIVIDER, and any heirs, successors, executors, administrators and assignees of the SUBDIVIDER and shall be jointly and severally liable hereunder.
20. The SUBDIVIDER shall, at the SUBDIVIDER'S expense, obtain and maintain all necessary permits and licenses for construction of the Improvements. Prior to the commencement of Improvement construction, the SUBDIVIDER shall obtain a City of Lathrop Business License. The SUBDIVIDER shall comply with all local, state, and federal laws, whether or not said laws are expressly stated in this Agreement.

B. DATA FOR ADMINISTRATION OF SPECIAL TAXES

On or about July 1 of each Fiscal Year, the Administrator shall identify the current Assessor's Parcel numbers for all Parcels of Developed Property within the CFD. The Administrator shall also determine: (i) within which Tax Zone each Parcel is located; (ii) which Parcels of Developed Property are Residential Property and Non-Residential Property; (iii) the Non-Residential Square Footage of buildings on each Parcel of Non-Residential Property; (iv) for Single Family Detached Property, the square footage of each SFD Lot, (v) by reference to the condominium plan, site plan, or other document, the number of Units on each Parcel of Single Family Attached Property and Multi-Family Property; (vi) whether the Trigger Event has occurred; and (vii) the Services Special Tax Requirement and, if the Trigger Event has occurred, the Facilities Special Tax Requirement for the Fiscal Year. To determine the square footage of each Parcel of Single Family Detached Property, the Administrator shall reference Assessor's Parcel Maps or, if the square footage is not yet designated on such maps, the small lot subdivision map recorded to create the individual lots.

In any Fiscal Year, if it is determined that: (i) a parcel map for property in the CFD was recorded after January 1 of the prior Fiscal Year (or any other date after which the Assessor will not incorporate the newly-created parcels into the then current tax roll), (ii) because of the date the parcel map was recorded, the Assessor does not yet recognize the new parcels created by the parcel map, and (iii) a building permit was issued on or prior to June 30 of the prior Fiscal Year for development on one or more of the newly-created parcels, the Administrator shall calculate the Special Taxes for Units and/or Non-Residential Square Footage within the subdivided area and levy such Special Taxes on the master Parcel that was subdivided by recordation of the parcel map.

The Special Taxes shall be collected in the same manner and at the same time as ordinary ad valorem property taxes, provided, however, that the City may directly bill, collect at a different time or in a different manner, and/or collect delinquent Special Taxes through foreclosure or other available methods.

The Facilities Special Tax shall be levied for thirty (30) Fiscal Years, beginning the first Fiscal Year after the Trigger Event has taken place. Under no circumstances may the Facilities Special Tax on a Parcel in residential use be increased in any Fiscal Year as a consequence of delinquency or default in payment of the Facilities Special Tax levied on another Parcel or Parcels by more than ten percent (10%) above the amount that would have been levied in that Fiscal Year had there never been any such delinquencies or defaults. The Services Special Tax may be levied and collected in perpetuity.

F. EXEMPTIONS

No Special Taxes shall be levied on Public Property or any other Parcels in the CFD that are not Residential Property or Non-Residential Property, as defined herein.

G. INTERPRETATION OF SPECIAL TAX FORMULA

The City may interpret, clarify, and/or revise this RMA to correct any inconsistency, vagueness or ambiguity as it relates to the Special Tax rates, the method of apportionment, the classification of properties or any definition applicable to the CFD, by resolution or ordinance. The City, upon the request of an owner of land within the CFD which is not Developed Property, may also amend this RMA in any manner acceptable to the City, by resolution or ordinance following a public hearing, upon the affirmative vote of such owner to such amendment and without the vote of owners of any other land within the CFD, provided such amendment only affects such owner's land.
