ADOPTED BUDGET FISCAL YEARS 2019-2021

INTRODUCTION

CITY MANAGER'S TRANSMITTAL LETTER

Honorable Mayor, Members of the City Council and Citizens of Lathrop:

I am pleased to submit to you the City of Lathrop's budget plan for Fiscal Years (FY) 2019/20 and 2020/21. The budget plan submitted reflects a General Fund surplus for both fiscal years ending in 2020 and 2021. The first biennial budget plan was introduced in 2017 allowing City staff to program and deliver services efficiently and conscientiously through a two-year budget process. I strongly believe our City will face many

CITY COUNCIL'S GUIDING PRINCIPLES

Feeling of Safety Economic Growth Community Values Team Work

challenges and opportunities as our infrastructure ages, our population grows, and the economic outlook evolves. This budget acknowledges our citizen's quality of life as its guiding principle and continues to support the delivery of quality services to our community while maintaining appropriate levels of reserves. With the City Council's financial management leadership and guidance in developing the City's strategic plan along with the resources identified in our financial plan provide for long-term fiscal sustainability and demonstrate responsible management of taxpayer dollars.

The City primarily relies on property tax and sales tax revenues to provide services and amenities to the community. Lathrop's population has experienced significant growth. Just last year, the City experienced a 5.2 percent increase in its population making it one of the fastest growing cities in San Joaquin County and the State. In addition, its rate of growth for new housing units was the second-highest in the state, at 4.79 percent. While higher population is an exciting sign of growth, the City also recognizes some of the challenges such growth brings in the planning and management of serving our new residents.

Economic development is a primary focus and is reflected as such in the City Council's Goals, as this effort will enhance our sales tax and property tax revenues. The City has been successful in attracting several property tax and sales tax generating businesses, such as, Wayfair, Pilot Flying J, hotel chains by Hilton and Marriot, several eateries such as In-N-Out, the expansion of Starbucks, and Panda Express to name a few. As the economy continues to improve, it will be a top priority to continue the stewardship of increasing revenues in order to maintain and improve on the first rate services provided to our citizens.

Looking ahead, the next 5-10 years will see significant accomplishments of important projects. Several road widening projects are scheduled to commence to provide traffic relief around the City's major roads. Planning for expansion of the City's wastewater treatment plant continues, assuring service capacity for today and future populations. Residential, Industrial, and Commercial development is expected to continue through the River Islands, Central and South Lathrop projects.

INTRODUCTION

With an improving economic situation, Lathrop is proposing a budget designed to balance the need for expansion with the ability to weather future economic challenges and opportunities. As an energetic and thriving organization, the City of Lathrop strives to provide a balanced living environment to its citizens focusing on safety, quality of life, and revenue/jobs producing growth.

The Biennial Budget encompassing FY 2019-2021 addresses a range of operational needs with specific focus on the City Council's Guiding Principles. The City's Plan will continue to focus on our infrastructure, public safety, parks and recreation opportunities, economic development, through strong business growth, and thoughtful land use planning which will ensure the quality of life we enjoy today will also be enjoyed by future generations.

Each year it takes a substantial effort to prepare the City's budget and requires many long hour days and weeks of hard work and determination. I want to commend staff for not only creating the budget but doing it seamlessly while delivering exceptional customer service both internally and externally.

Special thanks to the Finance Department for leading the effort to compile all of the departments' information. And, thanks to all the employees who undertook many hours of labor to get it done.

Respectfully submitted,

Stephen J. Salvatore

HISTORY

Located in Northern California, 70 miles east of San Francisco, 60 miles south of Sacramento, 10 miles south of Stockton, and 328 miles from Los Angeles.

The City of Lathrop was founded on August 1, 1887. Since it was located by the railroad, it initially came to be known as Wilsons Station. Leland Stanford is credited as the founder of this city. The city was later named after his brother-in-law, Charles Lathrop. It was incorporated as a city in 1989.

LATHROP HIGHLIGHTS

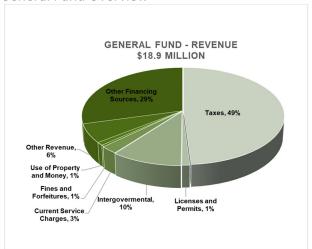

- Located in San Joaquin County, California
- Total area of 23.033 square miles; Elevation 20 feet above sea level
- Population of 24,936 (as of January 2019)
- Founded in 1887; Incorporated in 1989 as a general law city
- Governed by a five member City Council under the Council-Manager form of government
- School Districts: Manteca Unified School District (MUSD), Banta Elementary District, and Tracy High School District.

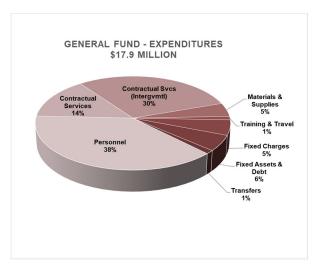

EXECUTIVE SUMMARY

The City's Operating Budget is a flexible spending plan which serves as the legal authority for departments to commit financial resources. The total Operating Budget for FY 2019/20 is \$17.9 million. The City of Lathrop provides a wide variety of services, including public works; planning; building; code enforcement; engineering and inspection; parks and recreation; economic development; and general administrative services. Lathrop operates public water and wastewater utilities. The City receives public safety services from a contract with the San Joaquin County Sheriff's Office and fire protection services from the Lathrop-Manteca Fire District (LMFD).

General Fund Overview

The General Fund is the primary operating fund for the City. The General Fund pays for many of the critical services offered to the City's residents including police, city personnel, street maintenance, and parks and recreation. Development services are funded through permit fees, while parks and recreation user fees help offset the operational cost of the Parks and Recreating Department. The majority of the remainder of services included in the General Fund are funded through tax revenues. General Fund revenues are generally considered unrestricted and are allocated by the City Council through this budget.

Enterprise Funds Overview

The City provides residents with Water and Wastewater services. The charges for these services (user fees), along with the costs for providing the services, are accounted for in the individual Enterprise Funds. These funds do not receive any General Fund support and must be self-supporting, any shortfalls are currently covered by the Fund's Fund Balance.

FY 2019/20 Enterprise Funds

REVENUES
Water \$10,704,319
Wastewater \$7,877,200
EXPENDITURES
Water \$9,411,040
Wastewater \$7,981,122

The City's user fees are set in accordance with Proposition 218 which requires customers be given the opportunity to challenge proposed rates. Rate studies are conducted periodically to ensure the enterprise rates are sufficient to cover: operating expenses; capital improvements; upgrades and costs associated with meeting both State and Federal guidelines and regulations.

Key Budget Factors

The City's estimated population, as of January 1, 2019 is 24,936; which is an increase of 5.2 percent. Growth is expected to continue this year, although at a moderate pace. The budget strategy crafted for this year maintains its conservative approach as prior years by carefully projecting tangible and measurable revenue sources and including critical and necessary expenditures while preserving a healthy General Fund Reserve. This strategy will provide an opportunity for the City to continue to refine its processes, consolidate its gains, and prepare for more development in the future. In addition to the Budget Guidelines, the following budget items were key factors in the development of this budget.

Residential Construction

Residential home construction has been on the rise for the past two-years. Currently, River Islands has 5 home builders that are offering 7 different model home complexes. The City will issue approximately 250 new residential permits by June of 2019 and estimates 250 new residential permits in FY 2019/20.

Personnel Costs

With personnel costs comprising approximately 39 percent of the General Fund budget, the status of the City's labor contracts and the costs of providing negotiated benefits such as health care, retiree medical and pension benefits, will always play a significant role in the development of the budget. The 10-Year Fiscal Model projects that by year 2029, the share of salaries and benefits as a portion of the total General Fund Budget will grow to 59 percent, with benefit costs projecting to increase faster than the assumed growth in salaries.

<u>Labor Contracts:</u> The City's labor contracts with its bargaining groups were set to expire at the end of June 2019. Both labor groups extended their contracts through June 30, 2020 negotiating a 3 percent Cost of Living Adjustments (COLA) for all its represented and unrepresented units for FY 2019/20. The City will start reviewing the terms of the labor contracts at the beginning of FY 2020/21 and incorporate those changes in the Biennial Budget for Fiscal Years 2022 and 2023.

<u>Positions:</u> In order to be responsive to Council's direction, and enhancing services to the community, this budget includes a net increase of citywide full-time equivalent positions of 1.14 FTEs, or less than 1 percent, from the 93.51 FTEs approved within the Biennial Budget for Fiscal Years 2017-2019. This Biennial Budget 2019-2021 includes one (1) new General Fund position (Construction Inspector) to support the increased development demands as the City continues to grow. Also, after evaluating the Parks and Recreation Department program needs, it was requested to adjust the FTE calculation of the part-time staff resulting in a net increase of 0.39 FTE.

While weathering the Great Recession and its lingering effects, the City of Lathrop implemented cost savings measures to close its structural deficit. With workload approaching pre-recession levels, resources including staff, have strategically been added to accommodate the new demand. A key strategy continues to balance how we provide services and respond to community needs while minimizing long-term costs. Growth in Lathrop's economy, development and population, means an expansion in services. The City's primary focus remains to carefully evaluate the expansion of core services and add staff strategically.

<u>Health Care Costs:</u> 39 percent of the City's operating budget is dedicated to pay for employees' salaries and benefits. Despite efforts to reduce costs, the city has limited or no control over pension and health care increases. The Fiscal Model projects a steady increase of 5 percent for healthcare costs. The City has led a strong effort to negotiate lower rates from vision and dental providers. Forecasting and managing these costs remain a critical issue for the City's leadership team as future financial planning tools are developed.

<u>Pensions:</u> The City contracts with the California Public Employees' Retirement System (CalPERS) for pension benefits. Pension costs continue to require a significant commitment of resources from the City. During the recession, CalPERS suffered significant investment losses, the impacts of which continue to be felt as pension contribution rates were increased in order to increase the funded ratio of the plans. Although the City's pension plans are currently funded at almost 80 percent, contribution rates will continue to escalate to reduce the unfunded liabilities and bring plans closer to 100 percent funded. The City's current unfunded liability is \$4.9 million.

Continuing with past practice, this budget assumes full payment of the Annual Required Contribution (ARC) for pension costs. With current market conditions, the City's ARC payment is expected to increase by 70 percent within the next five years from \$326 to \$554 thousand. With the payment of the ARC, it is assumed, all things being equal, that within 30 years the City will pay off its obligations and unfunded liabilities for pension benefits. This unfunded liability will continue to present fiscal challenges for our City as we try to mitigate its impacts and find solutions to pay it off. As a small city our pension liability is a sensitive and challenging matter to overcome. However, Lathrop's unfunded liability is significantly less than other Cities in the region who are dealing with unfunded liabilities in the \$100 million range. Factors such as the assumed interest earnings in the pension fund may not be achieved long-term (currently at 7.25% and projected to decrease to 7% in July 2019); demographic assumptions of employees and retirees may change (e.g.: retirees living longer); or healthcare costs rising faster than assumed will cause drastic impacts. Any such changes in future years may increase the unfunded liability for pension and retiree healthcare benefits.

General Fund Reserve: The General Fund reserve is similar to a savings account in which money is set aside for unforeseen economic events. Although, staff expects an upswing in the economy for Fiscal Years 2019 and 2020; we will continue to make conservative decisions over the next couple of years to maintain healthy General Fund reserves. The Proposed General Fund budget is balanced which means that expenditures are covered by revenues without the use of General Fund Reserves. The Proposed Budget FY 2019/20 ends the year with a General Fund Undesignated Reserve projection of approximately \$7.1 million; Designated Fund Balance for Capital Replacement at \$2 million; Economic Uncertainties and Emergencies at \$7 million; Street Repairs at \$2.7 million; Water Bond Payments at \$0.7 million; Public Safety at \$0.5 million; and Retirement Stabilization at \$1.5 million which means the City's General Fund reserves remain in healthy standing.

Long-Term Concerns and Issues

The City is continually identifying and assessing long-term challenges and developing strategies, to ensure a successful and vibrant future. Following are some of the more significant of these challenges:

Public Safety Costs: The City contracts with the San Joaquin County Sheriff's Department for police services. A new 5-year agreement was approved by Council on April 2017. Under this new agreement, police services cost is expected to increase between 10-15 percent annually depending on forecasting factors, escalating pension and support services costs, and required service levels as the City's population continues to grow. The City's Leadership is committed to continue to evaluate any strategies that promote savings and ensures the safety of our residents.

Property Tax: Property tax continues to reflect a recovery. Growth over the past two years has been positive and is expected to reach pre-recession levels within the next five years. Several new residential developments are under way and many others are planned for the future. Continued monitoring of market sensitivity will be crucial to prepare for unexpected changes in banking regulations or construction trends.

Sales Tax and Measure C: Population is expected to continue to grow as homes are sold and new residents move to the City. A higher population is indicative that local businesses will thrive and taxable items bought in the City will drive Sales Tax and Measure C collections higher.

Residential Development: As residential development continues to expand in the River Island community and soon in the Central Lathrop area, the City remains cautious on the future economic impact of such projects. City administration continues to conduct a careful evaluation of all development projects so negative impacts are identified and addressed promptly.

Commercial and Industrial Construction: The City continues to have new commercial and industrial interest. In FY 2018/19, the City worked collectively with its economic partners to recruit, facilitate, and welcome new businesses. Tesla Motors, Ashley Furniture and Home

Depot completed building renovations and brought new jobs to the community. The TriPoint Logistics Center has started development and continues to spur interests with three new warehouse/logistics buildings under construction, one of them occupied by Wayfair. The City also welcomed the construction of three restaurants: Starbucks, In-N-Out, and Panda Express. New hotels are planned: True by Hilton and Fairfield Inn and Suites. At this rate, the City hopes to continue attracting highly recognized companies and enhancing the City's businesses coalition and partnerships.

Sustainable Groundwater Management Act (SGMA)

The Sustainable Groundwater Management Act was signed into law in 2014 to provide a framework for sustainable, local groundwater management in California. The legislation requires local water agencies to form a Groundwater Sustainability Agency and to develop Groundwater Sustainability Plans that are submitted to the State and reviewed for adequacy. In February 2019, the Department of Water Resources (DWR) approved a basin boundary modification to relocate the City entirely within the Tracy Sun-Basin, which is designated a medium priority basing (the City was previously designated under a high priority critically overdrafted basin). The City is coordinating with other Groundwater Sustainability Act agencies in the Tracy Sub-Basin to develop a state-mandated Groundwater Sustainability Plan which must be adopted by January 31, 2022.

Levee Upgrades: In the wake of Hurricane Katrina, much attention by the state and federal governments has been placed on levees. In 2007, Senate Bill 5 (SB5) was passed by the voters of California and later amended by several following bills. SB5 requires the State to develop and adopt a comprehensive Central Valley Flood Protection Plan (CVFPP), which was approved by the Central Valley Flood Protection Board (CVFPB) in June 2012. As amended, SB5 also requires all cities and counties in the Central Valley to incorporate the CVFPP into their general plans by July 1, 2015 and into their zoning ordinances by July 1, 2016. Finally, SB5 restricts development beyond July 1, 2016 unless a permitting agency can make a "finding of adequate progress" towards providing an Urban Level of Flood Protection (ULOP) for the 200-year flood event.

After 2025, adequate progress is no longer adequate, and the 200-year improvements must be in place to allow continued development. The City developed the Initial Financial Plan study required for the City to become eligible to apply for an Urban Flood Risk Reduction (UFRR) Grant from the State of California to help finance the design of levee improvements to meet the desired Urban Level of Flood Protection (ULOP) for Reclamation District 17 levees.

10-Year Fiscal Model

The primary objective of the Fiscal Model is to construct a ten-year forecast in order to help ensure the City has a financially healthy future. The past seven years have presented local agencies throughout the State with significant financial challenges. Agencies were forced to develop new ways of doing business while maintaining critical operations. In Lathrop, maintaining the high service levels expected by our residents with a significantly reduced revenue base, while faced with increasing expenditure requirements, was a difficult task to achieve.

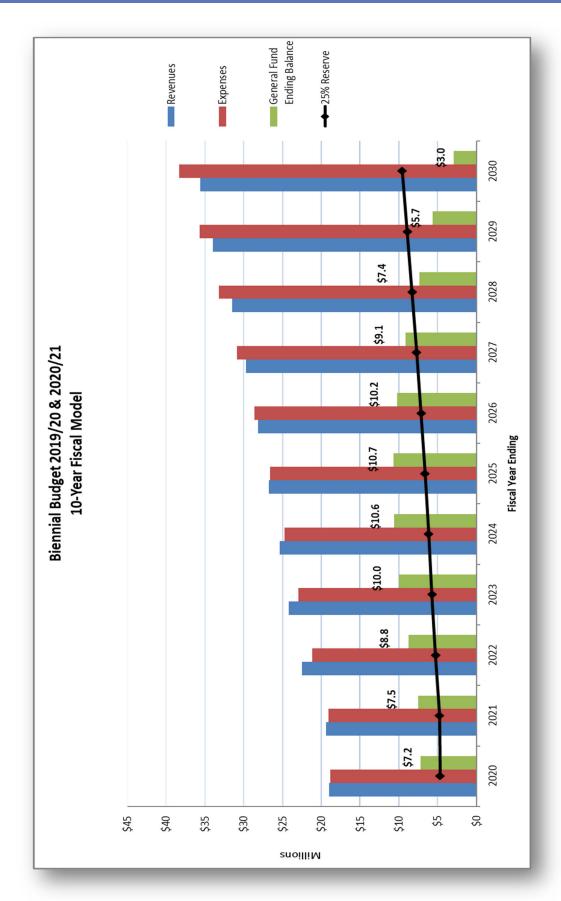

The Fiscal Model is designed to be a living document, allowing staff to continually update the projections as often as needed to keep up with changing economic conditions. The model takes the City's current financial position and, using numerous assumptions, projections, and variables provides a full ten-year fiscal forecast. The development growth component of the model contains a year-by-year assessment of planned single-family and multi-family residential and commercial/industrial development. The fiscal model analyzes every one of the City's General Fund revenue and expenditure components. In addition, it serves as a supplemental tool in the development of the City's operating budget.

The Fiscal Model is a dynamic tool that allows staff to run countless "what-if" scenarios and easily access the fiscal impact of either a single change or multiple changes. Work on the model began in 2012 and was a collaborative effort involving every City Department. Examples of variables incorporated include: employee cost impacts resulting from the labor bargaining unit agreements including health insurance, employee pension contributions, retiree medical and cost of living increases, statewide pension reform legislation and the impacts that employee turnover will have on future employee costs; impacts from a future rising interest rate environment; separate modeling of residential and commercial property valuations for purposes of property tax revenues and improvements in the housing market.

The model has become a tool to the City Council and the City Manager to assist with the decision making process to determine the financial feasibility of any priorities or goals they may wish to adopt. Additionally, the model alerts management and the City Council of potential shortfalls and affords them the time to develop practical solutions with minimal impacts to our citizens.

The Fiscal Model has allowed the City to prepare for difficult times by managing reduced revenues and steadily increasing expenditures. Due to the timely implementation of cost containment measures, the City sustained modest but healthy reserves through the Great Recession. Using the model to forecast the years ahead, the City remains hopeful that revenue streams will maintain its current upward trend due to the expected increase in Residential and Commercial Development. The chart below shows that over the next nine fiscal years expenditures increase more than revenues, resulting in a negative fund balance by Fiscal Year Ending 2030. The City will need to continue to explore options to increase its revenue base, while keeping expenses to a minimum.

CITY COUNCIL

CITIZENS OF LATHROP CITY COUNCIL City Attorney City Manager Commissions City Clerk City Engineer Community Public Works Development Parks and Police Services Recreation Administrative Finance Services Economic Development

CITY COUNCIL

Description

The Mayor and City Council consist of the Mayor and four Councilmembers and acts as the policy-making body for the City of Lathrop. The goal of the Council is to govern the City in a manner that is both responsive to the needs and concerns of the City residents and is financially sound. The City Council enacts and enforces ordinances and regulations that concern municipal affairs, subject only to the limitations and restrictions of the State Constitution. The City Council, as a body, supervises and provides guidance for the activities of the City. The City Council members are the elected representatives of the citizens of Lathrop.

Accomplishments

- **Financial Solvency.** Continue to implement the 10-year budget model which projects revenues and expenses into the future. The model is an essential aid in guiding the annual budget and ensuring financial sustainability.
- Promote Business Development. Due to the downturn in the economy in previous years, considerable time has been spent working on solutions to various challenges. Including meeting with outside agencies and various potential businesses, and re-establishing the Economic Development Department.
- **Promote Community Values.** Create an environment where children and seniors are valued and nurtured, where the City values civic engagement and promotes community involvement. Reinforce a sense of community by focusing on community events, recreational improvements and community safety.

Objectives

- **Financial Solvency.** Continue to maintain the previously developed 10-year survival plan to ensure the City's sustainability for years to come. Continue to ensure that the City's budget reflects the community's spending priorities and includes economic development and public safety.
- **Promote Business Development.** Promote equitable and sustainable development in residential construction, commercial construction and industrial construction.
- **Promote Community Values.** Continue to create an environment where children and seniors are valued and nurtured, where the City values civic engagement and promotes community involvement. Reinforce a sense of community by focusing on community events.
 - Continue to explore resident cost reduction options
 - o Continue to maintain Parks, Recreation and Community Services
- Capital Improvement Program. Focus on infrastructure and capital projects that benefit the community to enhance the quality of life and services provided to the community.

CITY MANAGER

CITY MANAGER

Description

The City Manager's Office provides leadership and direction for the operation and management of all City departments except the City Attorney's office; provides management of the city's day-to-day operations, programs, projects, and efficient and effective municipal services to the citizens of Lathrop. The City Manager provides policy recommendations to the City Council. The City Manager's Office also provides strategic leadership that supports the Mayor and the City Council, and provides for the effective implementation of the Mayor and Council's policies and priorities. Functions of the City Manager's Office include: Legislative Affairs, Project Management, Economic Development, Business Development, Community and Regional Public Affairs and Liaison, Personnel Management, and Labor Relations.

Accomplishments

- Sustainable Budgeting. The City continues to monitor both revenue and expenditures in all City funds and maintains the City's 10 year model intended to keep the City on the path toward long-term sustainability. The focus has been on maintaining a stable budget and strategically investing the City's resources to keep our community safe, investing in our future, and maximizing efficiency and productivity. Staff continues to work to control expenditures and reduce operating costs. The City put forth a significant amount of effort, time and funding towards making significant process to meet the legislative requirements set forth by Senate Bill (SB) 5 200-Year Urban Level of Flood Protection.
- Lathrop's Basin Boundary Modification. The City worked closely with various Regional and State agencies to receive consideration and approval from the California Department of Water Resources regarding the City of Lathrop's basin boundary modification request under the Sustainable Groundwater Management Act (SGMA). The approved modification placed the City of Lathrop entirely within the Tracy sub-basin, a non-critically over drafted basin.
- Interdepartmental Guidance and Support. The City Manager's office is mainly comprised of senior level employees with extensive institutional knowledge that assist the departments in training and implementing work processes and procedures.

CITY MANAGER

Objectives

The City's focus for Fiscal Years 2019-20 and 2020-21 is to continue to promote the following four (4) objectives important to the success of our City. These objectives will be the foundation to improve our community's financial and social health:

- Managing city functions using sound business principles. Being a well-run city is due in large part to our history of thoughtful, long-range financial planning. For the 22nd consecutive year, Lathrop has been awarded the Certificate of Excellence, the highest form of recognition in governmental accounting for its Comprehensive Annual Financial Report (CAFR) by the Government Finance Officers Association. We are a full service city that strives to be proactive and responsive to our community's needs and that depends upon strong partnerships. Our ongoing focus is to maintain a balanced budget and continue to focus on maintaining service levels.
- Providing exceptional service. As important as finding fiscal stability and strengthening our relationships and partnerships is providing exceptional service. The most important asset the City has is its staff. Over the past few years our staff has become increasingly customeroriented, delivering better and more cost effective services to our residents, businesses and development community. In this budget cycle, the City will continue its focus on providing exceptional service to our residents, businesses and development community. To accomplish this, City staff will continue its progress to make improvements in the timeliness, quality and responsiveness of service delivery, while also focusing on the business goals of efficiency and productivity.
- Deliver sustainable development. We all know that the world has changed significantly in the almost fifteen years since most of Lathrop's development was entitled. Development has become much more cost-conscious, much more difficult to finance, and much more defined by near term market realities. Now economic conditions are starting to improve locally and the City of Lathrop is seeing stable property tax, increasing sales tax revenues, more optimism from our local businesses and development community, and significant interest from commercial, industrial and even residential developers.
- Infrastructure. A key component of assisting Economic Development is to be prepared and ready as the economy continues to improve. Staff's top priority will continue to focus on finding cost efficient options for utilities, such as: wastewater capacity to provide additional capacity needed for new development projects in the City, pursuit of a River Discharge Permit, continue finding solutions to meet the SB5 200-Year Flood Plan Legislation; and the modification to place Lathrop in the Tracy sub-basin, a non-critically over drafted basin.

Description

The Economic Development Division promotes the City's attributes for economic opportunities that will enhance the overall well-being and quality of life of the community and its residents. The Division strives to create, support, and facilitate policies and programs that will enhance the economic environment for the attraction, expansion, and retention of businesses and industries that will improve the local tax base, create and retain jobs, and promote opportunities that facilitate economic growth.

Accomplishments

In FY 2018/19, the City created a dedicated Economic Development Division and hired an Administrator to address efforts that impact Lathrop's economy. Past economic development efforts have been directed to the Planning Department, but increased growth and development has necessitated creation of this new division. Economic Development key accomplishments include:

Retail:

- o **Starbucks** is currently constructing a new store in the Lathrop Market Place.
- o In-N-Out has been approved for a new fast food restaurant in the Lathrop Market Place.
- o **True by Hilton** has chosen a location off of Louise Avenue for a 4-story hotel with 79 rooms. This location will be Hilton's first True brand hotel in California.
- o **Panda Express** has been approved for a fast casual restaurant that will be located at Lathrop Road and Old Harlan Road just East of Interstate 5.
- o **Fairfield Inn and Suites**, a Marriott brand hotel, has received approval for a 4-story, 90 room hotel development with conference room space.
- o **Lathrop Towne Centre** has been approved for a 126,000 square feet of retail and hotel development.

• Industrial:

- o **Ashley Furniture** opened its 517,600± sf state of the art, newly constructed building with a HomeStore Retail outlet located at the front side of the building.
- Wayfair will be locating to a 1,135,000± square feet newly constructed e-commerce facility. Initial employment will be around 50 new hires.
- o Tesla is expanding their footprint in Lathrop to a new 870,000± sf operation.
- o Home Depot expanded their building size by 176,400 sf.
- o **TriPoint Logistics Center**, owned by Crow Holdings, Inc., has started development of its 300± acre Master Planned Logistics Park. The plan calls for 10 buildings for a total of 4.5 million square feet. Wayfair will be its first tenant.

ECONOMIC DEVELOPMENT

o **Lathrop Gateway Business Park**, owned by Phelan Development Co, has prepared its site for construction of two speculative industrial buildings totaling 2,000,000± square feet within its 174± planned industrial park.

Objectives

- Create and implement a marketing and outreach strategy and program.
- Promote commercial opportunities for retail attraction with a specific focus on grocery, restaurants, and amenities most desired by the community.
- Support education and training efforts to ensure a workforce with the latest skillsets and technology demanded by local and desired employers.
- Promote and support the attraction of technology and advanced manufacturing industries to bring livable wage employment opportunities to the region.
- Work with the San Joaquin County Economic Development Association on a Business Retention Program to maintain a sustainable business environment for local companies.
- Support the San Joaquin Partnership's efforts to market and attract large office and industrial companies to the region.

CITY CLERK

CITY CLERK

Description

The City Clerk oversees the department and performs a wide variety of duties, many which are mandated by law. The City Clerk's Office is responsible for preparation of legislative documentation for Regular Meetings, Special Meetings and Study Sessions of the City Council, including preparation and distribution of agendas and council meeting packets; records, executes and communicates all Council legislative actions and proceedings in meetings, minutes, resolutions, and ordinances; oversees publication of legal notices pursuant to State law, coordinates the execution and proper filing of contracts, agreements, and other official documents approved by the City Council; administers the city's records management program, manages the legislative history of the city; conducts the annual update of the Local Appointments List (Maddy Act); maintains and updates the City's Conflict of Interest Code. In compliance with the Political Reform Act, the City Clerk serves as the Local Filing Officer for the Fair Political Practices Commission (FPPC) and coordinates the filing of all campaign disclosure reports for all local candidates and campaign committees and Statements of Economic Interest (Form 700) for members of the City Council, designated employees, and Commissioners per the City's Conflict of Interest Code. The City Clerk serves as the City's Election Official and, in compliance with the California Elections Code, administers all municipal elections and performs oaths of office for elected and appointed officials. The City Clerk's Office is also responsible for providing support to the Mayor, City Council, City Manager, and Economic Development Administrator.

Accomplishments

- Conducted 2018 General Municipal Election
- Conducted biennial review of Conflict of Interest Code
- Codified fifteen (15) Ordinances in the Lathrop Municipal Code
- Records Retention:
 - o Initiated the city-wide and departmental standards for records retention & filing schedule
 - o Continued to preserve all vital records of the City of Lathrop
 - o Provided staff training (as requested by department) on project filing, document preservation, records disposition, and legislative research
- Other training:
 - Provided training to new staff to become familiar with the agenda process, after action process, contract management, bidding procedures, and research of historical documents
- Special Projects
 - o Current city website clean-up; removed old information
 - Initiated shared project with IT for implementation of new city website for ADA compliance
 - o Updated information and slide format on Lathrop's Government Channel 97

CITY CLERK

- O Coordinated Council approval and agreement execution of five (5) new Solar Program Financing Providers for residents and businesses.
- City Newsletter took over responsibility of processing and assembling monthly city newsletter
- Conducted bid openings and annual RFP for legal ads as mandated by State Law
- Coordinated recruitments for Commission appointments
- Continued organizing and streamlining processes of the City Clerk's Office.
- Provided notary services (internally and public)

Objectives

- Records Retention:
 - City Council adoption of the city-wide and departmental standards for records retention & filing schedule
 - o Coordinate annual city-wide records disposition.
 - o Implement adopted retention schedule into Laserfiche record templates
 - o Continue to preserve all vital records of the City of Lathrop.
- Laserfiche expansion and upgrade
 - o Increase user licenses
 - o Provide user training for new staff
 - o Implement departmental folder files for final retention
- Continue to organize and streamline processes of the City Clerk's Office.
- Continue to provide administrative support to City Council and the City Manager.
- Continue to assist the City Manager with streamlining citywide procedures and implementing goals and objectives as provided by the City Council
- Prepare for the 2020 General Municipal Election and biennial review of Conflict of Interest Code
- Continue to provide notary services to the public
- Continue to provide support, guidance and training opportunities to other departments as needed

CITY ATTORNEY

CITY ATTORNEY

Description

The City Attorney is appointed by and serves at the pleasure of the City Council. Under policy direction, the City Attorney is charged with the task of advising the City Council, City Manager, other Administrative Staff, and various boards and commissions of the City on all legal aspects of municipal operations. The City Attorney represents the City in civil and criminal actions; prosecutes violations of City ordinances; and drafts necessary legal documents, including ordinances, resolutions and agreements. The City Attorney attends all regular and special City Council meetings and Planning Commission meetings, and, when necessary, Council Committee meetings. The City Attorney coordinates with the City Manager, Department Heads, and other staff to accomplish Council direction. The City Attorney keeps staff advised of new relevant laws and supervises the work of outside special counsel.

Accomplishments

- Resolved 11 lawsuits against the City and 7 lawsuits by City against other parties.
- Prosecuted 17 Municipal Code violations.
- Actively participated in the negotiation and drafting of numerous agreements including the Richland Development Agreement, WWTP funding agreements for River Islands and continued negotiations of CLSP DA Assignments.
- Worked with the City's development team to implement ongoing projects as directed by Council including:
 - o Terra Verde Solar Project; negotiations for Phase II.
 - o Restructure of Community Facilities District 2006-01 for CLSP, and related actions.
 - Central Lathrop Specific Plan Development Agreement Assignment to Saybrook CLSP LLC.
 - o River Islands Police Station Construction Agreement.
 - o Coordination with Teichert Construction on litigation related to construction by Teichert; City indemnified by Contractor.
 - o Assisted in progress towards meeting requirements of SB-5.
 - Ongoing discussions with County District Attorney's office and County Environmental Health regarding City Corporation Yard.
 - Second Sales Tax Litigation Case City of Lathrop and other Cities vs. SBOE seeking to recover sales tax from undisclosed entity.
 - o Clarifying Agreements negotiations with Ramona Chace.
 - Ongoing settlement discussions with Lathrop Mossdale Investors and Pacific Union Homes.
 - Settlement negotiations and agreement with Gordon Trucking, Outfront Media regarding billboard advertisement rents.

CITY ATTORNEY

- Ongoing negotiations and discussion with predecessors to Simplot regarding Simplot Plant operations.
- o Drafted and reviewed multiple City Ordinances and Resolutions including amending Fire Code regarding Lathrop-Manteca Fire District and French Camp McKinley Fire District Jurisdictions, Street Abandonments/Vacations, and Political Signage.
- o Tolling Agreement with San Joaquin County regarding overhead charges for Police Services.
- o Contract negotiations regarding City's transition to Tracy Police Services.

Objectives

The City Attorney will to continue legal analysis of proposed agreements, entitlements, resolutions, and ordinance. City Attorney shall also continue representation of the City in proceedings and litigation.

FINANCE

FINANCE

Description

The Finance Department — Accounting Division prepares utility bills, collects revenue, invests City funds, coordinates the City budget, issues financial reports, issues and administers debt, administers City procurement, processes City payroll, and pays City's invoices in accordance with fiscal policies and internal controls.

Accomplishments

- Updated the 10-Year Financial Model to assist City Administration with long-term financial planning.
- Closed Fiscal Year 2017/18 in a positive position returning approximately \$5 million to reserves
- Obtained a Certificate of Achievement for Excellence in Financial Reporting by the Government Finance Officers Association (GFOA) for timely submittal of the City's Comprehensive Annual Financial Report (CAFR)
- Restructured the Community Facilities District (CFD) 2006-1 allowing a path for development of the Central Lathrop area.
- Formed two (2) new CFD's for South Lathrop and Central Lathrop areas to ensure ongoing maintenance costs are covered by the new development.
- Implemented the citywide Procurement Card (P-Card) program providing departments a secure and flexible environment to process day-to-day and training related purchases.
- Established the California Asset Management Program (CAMP) liquidity account for the short-term investment of funds without compromising liquidity.
- Maintained balances above the initial investment in the California Employee Retirement Benefit Trust (CERBT) account through CalPERS established to secure Other Post-Employment Benefits to eligible personnel (currently at \$3.9 million).
- Launched the Interactive Voice Recognition (IVR) system to allow for utility services over-thephone payments providing more options and accessibility to our customers.
- Implemented electronic bank-to-bank payments (Ebox) decreasing the processing time of customers' payments made through the bill-pay bank applications.
- Implemented the electronic Work Order process bridging internal/external requests for service with maintenance personnel.

FINANCE

Objectives

- Ten (10) Year Financial Model. Implement a revamped 10-Year Fiscal Model using the Whitebirch software for long-range financial planning.
- **Development Agreements.** Manage the City's Development Agreements for accurate reporting and recordkeeping.
- Timecard System Revamp. Participate in the revamping of the timecard system through the ExecuTime platform.
- Special Financing Districts. Manage the City's debt and maintenance districts.
- **Policies and Procedures.** Review, update and create financial policies which promote financial solvency and budget sustainability.

INFORMATION TECHNOLOGY

Description

The Information Technology Division (IT) provides information technology services to the public, City Council, and all City departments. IT provides the support and leadership required to ensure that the full benefit of the City's investments in technology is realized. The division supports approximately 230 users who depend on 200 computers, 105 servers, 300 phone lines, 10 Routers, 40 Data Switches, internal and external network security, 10 voice/data circuits and a number of information systems located across the city. Additionally, IT supports the public facing information systems including Channel 97 and the City's website, which receives an average of approximately 420 visits average weekday. In Fiscal Year 2013/14, IT began providing support to the Lathrop-Manteca Fire District technology systems.

Accomplishments

- Performed a security audit with the aid of an external technology company.
- Developed Software for Water Shutoffs, Parcel Management, Purchasing Cards, IVR publishing, Office Templets and GIS Collector
- Implemented additional sites for the Wide Area Network Wireless System to create a double ring around the city for redundancy.
- Provided support of views for Public Works, Community Development, LMFD, Information Technologies, Police, Economic Development and Animal Services on GIS system.
- Completed eight additional sites of SCADA system migration into the network.
- New buildings; Consolidated Treatment Facility and Fire Station 35
- Implement two FCC Public Safety radio channels
- Implemented additional City Hall Surveillance cameras
- Configured and deployed scanner for large plans
- Configured and deployed electronic plan review table
- Completed Wireless Master Plan
- Light poles inventory and GIS layer development
- City Hall A/C Upgrade
- Replacement of Fuel System

INFORMATION TECHNOLOGY

Objectives

- Implement the recommendations from the annual security findings
- Phase VI of the Disaster Recovery Plan (DRP) at the new Corp Yard Testing
- Development and support of Geographic Information Systems (GIS) infrastructure
- Continue the implementation of Enterprise Resource Program (ERP) EnerGov
- Design and deploy surveillance at additional sites (6)
- Relocate ten additional SCADA sites into new network to reduce cost, reliability and increase security.
- New site for Project WW14-14 SCADA and Well 21
- New network for Stanford Crossing
- New Network for South Lathrop Commerce for new stations and surveillance
- Add three additional water meter gateways
- Relocate communication to new River Island tower
- Upgrade Data backups
- New World upgrade from 2017.1 to 2018.1 and then 2019.1
- Configure and deploy new time and attendance software
- Develop water allocation software
- Develop automatic agendas deployment to tables
- Three server replacements
- New Police Services building
- Upgrade GIS to latest version City version is four years old and will no longer be supported
- Funding to expand and upgrade the City's SCADA Communication system in the amount of \$45,000
- Funding to replace servers and network hardware in the amount of \$140,000
- Redirection of 0.15 FTE, Management Analyst II position in Finance Department, to Information Technology to better account for activities performed.

CENTRAL SERVICES

Description

The Central Services Division contains those expenditures that either benefit more than one department of the City, or cannot be appropriately allocated to any one department. This division does not include direct services to the public, nor designated staff. Expenditures allocated to this division include: City contribution toward retiree medical insurance premiums, employee tuition reimbursement program, staff training, postage (including express mail delivery services), annual renewal premium to the Central Valley San Joaquin Risk Management Authority (CSJVRMA), and the annual lease payment for City Hall.

Accomplishments

• Successfully administered and recorded the City's retiree benefits contributions and debt service expenditures.

ANIMAL SERVICES

Description

Animal Services is comprised of two sections: Field Services and Shelter Services. The Animal Services Division is responsible for the enforcement of all Federal, State and Local laws regulating animals and ownership, including, licensing, care and control of animals, sheltering of stray, unwanted, injured, or sick animals, nuisance abatement, humane investigations, and public education. Animal Services also administers the State-mandated rabies program that includes hosting vaccine clinics, reporting bites, and the quarantine of animals. Lastly, Animal Services is responsible for ensuring compliance with all Federal and State laws regulating the animal welfare industry.

Accomplishments

- Intake of approximately 575 animals with over 253 animals adopted, released, or transferred.
- Completed over 2,037 calls for service
- Introduced a new logo for uniforms, badges, and service vehicles.
- Conducted Chameleon On-Site Training for departmental staff.
- Streamlined the processing of Senior Citizen's animal licenses reducing the data entry requirements by animal service staff and unnecessary counter traffic.
- Organized/Cleaned Storage Room Donated excess supplies to agencies/rescues.
- Simplified and streamlined processing of animal intake to improve efficiency and remove redundancies.
- Implemented electronic payments using the City's P-Card reducing the payment processing time and carrying large balances with local veterinary clinics.
- Reviewed all department records placed in storage and cleared all eligible items in accordance with retention schedule.
- Provided public outreach at various City sponsored events: Citizen's Academy, Beautification Day, National Night Out, and End of Summer.
- Created Department Training Manual
- Updated forms: license application, owner surrender, notice of impound, dangerous animal to ensure reporting fields are consistent with State mandates.

Objectives

- Implement an online animal licensing program in efforts to increase licensing compliance through a convenient and secure online process.
- Host annual rabies vaccination clinics throughout the City.
- Obtain training to enhance officer safety skills and job performance.
- Establish protocol for felony animal involved cases with Lathrop Police Services.
- Utilize Chameleon's advanced technology to maximize efficiency with calls for service, license compliance with new updated geo code, and documenting cases.
- Submit new and updated municipal codes to City Council for approval to help resolve animal related issues within the City.

Description

The Planning Division is responsible for the preparation, periodic review, and revision as necessary, of the City's General Plan, and for implementation of the general plan through application of the development provisions of the City's Specific Plans, Zoning and Subdivision ordinances. The Planning Division is charged with promoting public interest in, comment on, and understanding of the general plan, and implementing regulations. Planning provides support to the City's Planning Commission, Council, and development and real estate professionals. Planning coordinates the review of development proposals by City Departments, our Public Safety partner agencies, School Districts, and County, State, and Federal Agencies to ensure compliance with applicable development rules and regulations. The Planning Division is also responsible for ensuring that all development proposals are in compliance with the California Environmental Quality Act.

Day to day activities include review of residential and non-residential permit applications for compliance with the City's development standards, home occupation and business license applications, as well as general information zoning and land use inquiries by phone, email, and counter visits.

Planning coordinates with and supports the City's Economic Development Administrator to attract new businesses as well as encourage business expansion and retention. The Planning Division provides assistance to the Code Compliance program including code interpretations with the objective of improving and enhancing the existing community. The Planning Division is responsible for implementing and administering the Community Development Block Grant Program (CDBG), the Federal Emergency Management Administration (FEMA) Community Rating System (CRS) annual certification for floodplain compliance, and the San Joaquin County Multi-Species Habitat Conservation Plan (SJMSCP).

Accomplishments

- Commercial and Industrial Opportunities: The City worked collaboratively with our economic development partners to recruit, facilitate, and welcome new businesses to the City during the fiscal years 17/18 & 18/19, including but not limited to:
 - O CBC Steel Buildings: Minor Site Plan Review approved by planning staff on August 7, 2017, to construct a 7,452 sq. ft. expansion to the existing 91,348 sq. ft. building as well as construction of carport solar structures, expansion and reconfiguration of the parking area, and paving and landscaping to enhance the existing operations.
 - Heartland Express Truck Wash: Minor Site Plan Review approved by planning staff on May 12, 2017, to construct a 4,000 square foot truck wash and inspection building as an accessory to the existing trucking facility.
 - o **UPS Phase 2:** Minor Site Plan Review approved by planning staff on June 29, 2017, to replace 69 truck parking spaces with 124 employee parking stalls along the northern boundary of the site, installation of a fueling station and truck wash bay, and modification of the east elevation to add 28 new dock doors to accommodate and enhance existing operations.

- Boise Cascade Expansion: Minor Site Plan Review approved by planning staff on July 7, 2017, to construct a 14,400 sq. ft. lumber storage building to facilitate operational needs.
- O Holiday Inn Solar: Minor Site Plan Review approved by planning staff on February 22, 2018, to construct solar arrays to doubling as carports to shade existing parking.
- o **CNP Wastewater and Parking Lot Expansion:** Minor Site Plan Review approved by planning staff on July 25, 2018, to expand employee parking and add a wastewater holding tank to accommodate increases in staffing and production.
- o **River Islands Welcome Center Relocation:** Minor Site Plan Review approved by planning staff on March 21, 2019, to relocate the River Islands Welcome Center from its location on Stewart Road to the northeast corner of River Islands and Somerston Parkways, including a temporary 500 stall overflow parking lot to accommodate special events utilizing the Soccer Complex, Baseball Stadium, and Welcome Center.
- o River Islands Baseball Stadium and Soccer Complex: Conditional Use Permits to allow for the construction of the Islanders Baseball Stadium and an interim Soccer Complex within the River Island Town Center. The project was approved by the Planning Commission on May 30, 2018. The Baseball Stadium is under construction and is nearing completion to be the venue for the inaugural Lathrop Police Services vs. Lathrop Manteca Fire baseball game. The 6 field soccer complex was the venue for a regional soccer tournament on April 27 & 28, involving 36 team from the Greater Bay, Central Valley, and Sacramento areas.
- A&A Intermodal: Site Plan Review for the development of a 185 truck parking space facility including 50 automobile parking spaces and guard shack on a 10-acre site. The project was approved by the Planning Commission on May 30, 2018 and is currently under construction.
- o Lathrop Towne Centre: Site Plan Review to construct a commercial shopping center with approximately 126,000 square-feet of retail and restaurant space; a Conditional Use Permit to provide for a 110-room, 4-story hotel; and a Vesting Tentative Parcel Map to create individual parcels for the shopping center tenants. The project was approved by the Planning Commission on April 18, 2018; with the City Council affirming the Planning Commission's recommendation to approve the Vesting Tentative Parcel Map on May 14, 2018.
- o South Lathrop Commerce Center, Phase 2: Site Plan Review establishing four new buildings as a second phase, adjacent to the east of the 6 buildings from 2016. The 6 buildings of Phase 1 totaled approximately 4.2 million sq. ft., and Phase 2 consists of four new buildings with a combined total of 671,226 square-feet. The entire project now consist of 10-buildings and 4.85 million sq. ft. Phase 2 was approved by the Planning Commission on August 8, 2018. Development of the project is under way with utilities, roadways, and regional improvements serving on and off-site users. The first building, a 1.2 million sq. ft. distribution warehouse, is under construction and to be occupied by Wayfair. The project has been rebranded as the Tri-Point Logistics Center.

- LBA North: A Development Plan, approved in June of 2016, to construct a 382,000 sq. ft. speculative warehouse building on the vacant 19-acre site on Harlan Way south of McDonald's on Louise Avenue. The Planning Commission held a public hearing on May 30, 2018 and forwarded a recommendation of approval to the City Council to approve a request for a General Plan Amendment and a Rezoning of the project from Highway Commercial to General Industrial. The City Council approved the Planning Commission's recommendation on June 11, 2018. Rezoning of the project area has prompted several inquiries into its purchase and development.
- O North Crossroads Business Center: Site Plan Review to construct 7 new industrial buildings totaling approximately 1 million square feet for warehousing and manufacturing, and a Vesting Tentative Parcel to create individual parcels for each tenant. The project was approved by the Planning Commission on May 3, 2018; with the City Council affirming the Planning Commission's recommendation to approve the Vesting Tentative Parcel Map on June 11, 2018.
- o Phelan Lathrop Gateway: Site Plan Review to construct 10 new industrial buildings totaling approximately 3 million square feet for warehousing and manufacturing within the Lathrop Gateway Specific Plan area. The project was approved by the Planning Commission on December 19, 2018. The City's Public Works Engineering and Building Divisions are reviewing offsite improvement plans for the extension and installation of required utilities to the serve the project area, as well as required improvements to Yosemite and McKinley Avenues. Plans are under review by the City for the first phase of construction include the extension of D'Arcy Parkway south of Yosemite Avenue to serve the first two buildings totaling approximately 1 million square feet of distribution warehouse.
- o **Panda Express:** Site Plan Review to construct a 2,200 square foot Panda Express restaurant with a drive-through. The project was approved by the Planning Commission on January 16, 2019. Building Permit Plan Check is under review and staff anticipates construction to begin summer 2019.
- o **Tru By Hilton:** Site Plan Review to construct a 79-room hotel. The project was approved the by the Planning Commission on November 28, 2018. Building Permit Plan Check is under review, and staff anticipates construction to begin summer 2019.
- o Golden Valley Self Storage: Site Plan Review to construct a 160,000 sq. ft. fully secured self-storage facility with 24-hour on-site management, available air conditioned storage, and retail sales and leasing office. The project is under review by staff.
- o **Fairfield Inn & Suites by Marriot:** Conditional Use Permit to provide for a 90-room, 4-story hotel to be constructed within the Lathrop Marketplace Shopping Center (Target). The project was approved by the Planning Commission on March 20, 2019.
- o **Starbucks:** A stand-alone, restaurant with drive-through is under construction within the Lathrop Marketplace Shopping Center. The project was approved by staff as being in substantial conformance with the previously established Site Plan approval and as provided for in the Watt/McKee Development Agreement.

- o **In-N-Out:** A stand-alone, restaurant with drive-through is scheduled to break ground in May 2019 within the Lathrop Marketplace Shopping Center. The project was approved by staff as being in substantial conformance with the previously established Site Plan approval and as provided for in the Watt/McKee Development Agreement.
- **Residential Development:** The City continued its residential development efforts through the following projects:
 - o **Towne Centre Apartments 2:** Site Plan Review to construct an 84-unit apartment complex north of Towne Centre Drive and the 62-units of Towne Centre Apartments Phase 1 approved in July 25, 2017. Phase 2 was approved by the Planning Commission on September 19, 2018. Staff has met with the owner's development team. The developer is highly motivated to get these apartments built and anticipates beginning construction of Phase 1, east of City Hall, this summer 2019.
 - o River Islands: Phase 1 began in 2007. The Phase 1 tentative subdivision map comprised of 1,350 net acres and created approximately 4,200 residential parcels, as well as commercial and office space, parks, and public facilities. Home constructions began in early 2014. The Charter School opened in August 2013 and parking expansions along with classroom renovations were processed in 2017. As noted above the latest additions, are the Islanders Baseball Stadium, the Soccer Complex, and the relocation of the Welcome Center to the Town Center. Six home builders are currently constructing homes, and the City has issued approximately 1,300 new residential permits as of April 2019.
 - O Mossdale Landing Apartments: This project was originally approved in 2007 as 208 unit apartment complex (Fairfield Apartments). A Minor Site Plan Review was approved in 2016, to modify the original plan by replacing garages with carports, reducing the number of apartment units from 208 to 204. The project is currently in building permit plan check, with construction anticipated this summer 2019.
- **Development Agreement (DA) Amendments:** The City amended the following development agreements:
 - o **River Islands DA Amendment:** This was the Fifth Amendment to the DA between the City of Lathrop and Califia, LLC (River Islands) to further define the terms of Wastewater Treatment Capacity Allocations, and Potable Water Allocations.
 - O Ramona Chace Towne Centre Mossdale Landing DA Amendments: This was the Second-Amendment to the existing DA between the City of Lathrop and Watt McKee LLC, and the First-Amendment to the DA between the City of Lathrop and Marie Vallentyne. Both DA Amendments were to extend the term of the DAs by 10-years to expire, March 16, 2029. The DA Amendments were limited to the parcels owned by Ramona Chace and/or assigned to Towne Centre LLC and Mossdale Landing LLC. The DA amendments allowed the Towne Centre & Mossdale Landing Apartment projects, described above, to develop under the terms of the original DA and to provide sufficient time to complete the construction of the projects. The DA amendments

received recommendations of approval by the Planning Commission on December 19, 2018 and were adopted by the City Council on February 11, 2019.

Other Citywide Projects:

- O Comprehensive General Plan Update: The City of Lathrop initiated their General Plan Update (GPU) process in late 2017 to begin a multifaceted outreach program to engage community members. The GPU process was officially kicked-off with the City Council in March of 2018. The City hosted 3 General Plan Update Visioning Workshops between April and May of 2018. Each Workshop focused on different topics and included an overview of the General Plan, why it's important, and why the City is updating its Plan. Workshops included a series of facilitated activities to solicit input on key topics or ideas. The City's Outreach Efforts were summarized in an Outreach Summary Report and Vision Statement, presented to the City Council in March 2019. Staff is in the process of completing an Existing Conditions Report (ECR) and Land Use Alternatives that will provide the background information necessary for the City's Steering Committee to evaluate the City's existing General Plan Goals, Policies, and Implementation Programs, compare them with current State and Federal legislation, and make recommendations to update, modify, and/or replace them. The ECR will be published by summer 2019.
- 2019 General Plan Housing Element Update: In September 2016, the City adopted the 2015 Housing Element Update for the 5th Cycle (2014-2023). General Plan Housing Elements are required by State law to be updated regularly to demonstrate how cities throughout the State will accommodate the Regional Housing Needs Assessment (RHNA) allocations established by each Metropolitan Planning Organizations; in Lathrop's case the San Joaquin Council of Governments (SJCOG). While the Housing Element was ultimately adopted by the City Council and certified by the State Housing and Community Development Department (HCD), we failed to meet the deadline. The penalty is that the City is required to update their Housing Element on a four year cycle instead of the standard 8. Staff will be updating the General Plan Housing Element to obtain certification by the HCD before the end of the year, December 31, 2019.
- Traffic Monitoring Program (TMP) Update: Staff has prepared a Draft TMP to forecast traffic generation and traffic operations that would result from projected new development at 2 and 4-year intervals. The TMP identifies improvements needed, and how the costs of these improvements will be allocated to participating developments. Participating developments are those that have entered into Development Agreements with the City or obligated by conditions of tentative map approvals. Funding sources include the City's Capital Facility Fees (CFF), federal and state transportation funds, and developer contributions defined in DAs, EIR mitigation measures, project study reports, and subdivision map Conditions of Approval. Although the basic developer obligation established in the DAs is to pay CFFs, if adequate funding is not available for necessary improvements, developers may be required to provide up-front funding to meet current improvement needs. The Draft

- TMP will be reviewed by participating developments and Caltrans before it is presented to the City Council for consideration and adoption.
- O Zoning Omnibus: Staff-initiated modifications to various sections of the Lathrop Municipal Code (LMC) to modernize, simplify and streamline Title 17, the Zoning Code and Title 10, Vehicles and Traffic. The amendments included integration of current City policies, State law and best practices in the planning profession. The text amendments allow greater flexibility and clarification to support and promote development. The Planning Commission recommended that the City Council approve the amendments on March 20, 2019, with the City Council adopting them on May 13, 2019.
- o **FEMA's Community Rating System (CRS):** Staff is working with CRS coordinator to maintain our certification for FEMA's National Flood Insurance Rating Program.

- Continue to work with the Management Team for SB-5 Implementation Measures (Flood Protection).
- Continue updating the City's General Plan and initiate preparation of the General Plan Environmental Impact Report.
- Update the City's General Plan Housing Element to obtain certification by the State Department of Housing and Community Development (HCD) before December 31, 2019.
- Initiate General Plan / Zoning Ordinance Consistency Study upon completion of the Comprehensive General Plan Update.
- Process anticipated development applications of the City's master planned communities: River Islands, South Lathrop Specific Plan, Lathrop Gateway Specific Plan, and Central Lathrop Specific Plan.
- Support economic development opportunities by providing streamlined entitlement and environmental review processing, essential to attract new businesses and jobs to the City.
- Conduct annual review of the General Plan Housing Element and provide a report of the Implementation Programs to the City Council and HCD.
- Manage the Community Development Block Grant (CDBG) and FEMA CRS programs.
- Continue to participation in the preparation of the Integrated Water Resources Master Plan (IWRMP) Update.
- Conduct annual reviews of development agreements and implementing provisions therein, including but not limited to Monitoring of Environmental Mitigation Measures, and updates of the Traffic Monitoring Program.
- Continue to keep the City up-to-date with changes in State Planning and Zoning Laws as well as those of the California Environmental Quality Act and its Guidelines.
- Funding for specialized staff augmentation services to assist the department with commercial and residential development workload.

Description

The Administration Division provides direct administration and supervision of other sections within the Department including personnel functions, budget monitoring, and the development and implementation of Department policies and procedures. This Division also provides management support for the planning and construction of parks and recreation facilities. Additionally, this Division provides administrative support to City Council appointed Commissions and Citizen Committees. The Division also produces the seasonal activity guide, processes program registration, and facility bookings.

Accomplishments

- Completed improvement projects including the installation of new concrete barbecues for picnic rental sites, additional park benches, tables, garbage and pet waste receptacles at various locations.
- Completed the installation of outdoor fitness equipment at Valverde, Sangalang, and Mossdale Parks.
- Began the design process for the construction of Mossdale South Neighborhood Park.
- Participated in the design, review, and park amenities determination process for the 4 neighborhood parks within the River Islands Development. Currently working on the approval of the designs for two community park sites in River Islands.
- Trained Parks and Recreation Staffing to developing section budgets for FY2017/18 & FY 2018/19.

- Manage Parks & Recreation Capital Improvement Projects, including the installation of:
 - o Construction of Mossdale South Neighborhood Park
 - o Interior refurbishment of the Lathrop Senior Center including floors, ceiling tiles, restrooms with funding from the Community Development Block Grant program.
- Continue to review park plans to ensure compliance with the set design standards within the Unified Development Code (UDC) for each perspective of the development area.
- Continue to review the department's budget with Supervisory staff to submit, track, and reconcile monthly expenditures.
- Manage City of Lathrop Parks and Recreation social media accounts.
- Update and finalize department policies and procedures (e.g.: Facility Rental & Special Event policies).
- Update City Fee's and review the Fee Waiver/Community Partnership program
- Continue to explore opportunities to partner with Manteca Unified School District (MUSD) on the possibility of exchanging property to benefit both organizations.

Budget Highlights

This budget also includes the following:

- Inclusion as Leisure Services section as an independent budget area.
- Increase of additional part-time staff hours to meet the needs in the Sports and Youth Development programs.

SENIOR PROGRAMMING

Description

The Senior Programming Division is responsible to meet the recreational, educational, physical and social needs for adults ages 50 or older. The Division manages the Senior Center facility, implements a variety of programs (activities and meal programs), assists the Senior Advisory Commission, and coordinates volunteers. In addition, the Division monitors the Senior Advisory Commission (SAC) fund. The Senior Programming Division is a gateway for older adults to connect, stay active, healthy, and independent.

Accomplishments

- Hosted first annual Senior Health Fair (31 Vendors).
- Hosted three full-days of AARP tax services. (Over 125 served)
- Installed concrete pad in front of the Senior Center with outdoor tables and umbrellas.
- Established monthly fun social events at the Senior Center.
- Hosted a series of classes and events to stimulate the participants' physical and mental well-being such as: Walking with Ease Fitness Class, Wii Bowling Tournament (27 participants), Live-Painting Classes, and Senior Pool and Shuffle Board Tournaments.
- Established a fitness room with a treadmill and recumbent bike.
- Staff along with SAC participated in the San Joaquin County Senior Awareness Day.
- VIP field trip to inaugural season of the Stockton Kings.
- Started Monthly Guest Speakers the third Wednesday of each month.

- Implement new active wellness programs with daily/weekly activities.
- Implement quarterly senior field trips.
- Develop a Senior Center information take-away brochure.

YOUTH DEVELOPMENT - KIDS CLUB AND TEEN PROGRAM

Description

The Youth and Development division, organizes and conducts a wide variety of recreational and enrichment programs to engage youth, teens and families in constructive and impactful programs in Lathrop. We will care for our youth, teens, and families in Lathrop by developing opportunities for health and wellness through physical, educational, and enjoyable programs.

Accomplishments

- Implemented an auto-pay option for payment in the Kids Club and Camp Lathrop programs.
- Established camps for spring, winter, and fall breaks during the school year.
- Collaborated with PTA's at local schools and participated in back to school nights, STEM nights, and other activities.
- Increased participation in Kids Club Programs and implemented waitlists for sites that were at capacity.
- Hosted first annual Family Feud Night at the Generations Center with Lathrop High School Clubs.
- Participated in several outreach opportunities at Lathrop High School including back to school night, club rush, respect the shield rally and graduation.
- Established collaborative monthly arts projects with the San Joaquin County Library and teens in the Teen Center.
- The Youth Advisory Commission collaborated with seniors from the Senior Center to build and enter a push cart float in the annual Christmas Parade.
- Established an annual Teen vs. Senior Pool Tournament in collaboration with Lathrop Sunrise Rotary, the Senior Advisory Commission and Youth Advisory Commission.

Objectives

- Refurbishment of the Lathrop Generations center
- Implement new programs for teens to engage in at Generation Center and monthly calendar of events.
- Develop a strong partnership with Manteca Unified School District and utilize joint use agreement for space and facilities.
- Establish relationships with different clubs at Lathrop High School.
- Develop and implement a "teen" summer camp offering.

Budget Highlights

The budget also includes the following:

 Closure of the KinderClub at Mossdale Elementary due to limited classroom space on campus

YOUTH DEVELOPMENT — KIDS CLUB AND TEEN PROGRAM

- Develop a strong partnership with Manteca Unified and utilize joint use agreement for space and facilities.
- Work with high school sports teams to develop opportunities for study hall, booster, and host a tailgate event for one of the sports teams.
- Work with school sites to implement opportunities to engage school families is activities, and promotional
- Collaborate with the school sites PTA's to partner on campus activities and promote recreational opportunities and events.
- Implement new programs for teens to engage in at Generations Center.
- Review neighboring municipalities and providers to ensure our current programs (Kid Club and Teen Center) are providing best in practices services for our families in Lathrop.

Budget Initiatives

The budget also includes the following:

- Redirection of existing staff within the Parks and Recreation Divisions in order to meet the needs and demands of the department's functions.
- Closure of the KinderClub at Mossdale Elementary due to limited classroom space on campus.

YOUTH DEVELOPMENT - KIDS CLUB AND TEEN PROGRAM

LIBRARY

Description

The Library Division provides staffing and equipment to operate a library branch that is open to the public 30 hours per week. This library branch is made possible through a partnership with the Stockton-San Joaquin County Public Library system. The branch opened the location at the Lathrop Generations Center in June of 2014.

Accomplishments

- The Lathrop Branch Library has been operating successfully for twelve years offering weekly preschool story time, summer reading challenge, summer reading performer programs, and family arts and crafts.
- The Stockton-San Joaquin County Public Library system continued to offer services to Lathrop residents, increasing the gate count over the prior fiscal year and providing free family programs.
- The Mobile Library site continues at the Community Center at Valverde Park.

- The Library Division will continue to offer services to Lathrop residents such as: computer access, circulation of materials and programming to Lathrop residents (which includes partnership of new programs).
- The Stockton-San Joaquin County Library will continue to be coordinated with the City in operation at the Lathrop Generation Center.

Description

Mission Statement (Why we are here)

We, the members of Lathrop Police Services in partnership with our community, will strive to reduce crime, the fear of crime, and improve quality of life by upholding laws, protecting lives and property, and providing a safe and secure environment for everyone.

Vision (Where we are headed)

The vision of Lathrop Police Services, a division of the San Joaquin County Sheriff's Office, is to be regarded by our community and our profession as the premier law enforcement agency in the State of California.

Values (How we do our business)

Safety and security (Our number one priority to all of our citizens living, working or visiting in the City of Lathrop)

Excellence (The quality of being exceptionally good in our service delivery)

Respect (Willingness to show consideration, appreciation, concern for all people and staff)

Vigilance (Careful attention, alert watchfulness of our community)

Integrity (Honesty and moral soundness)

Collaboration (To work together/partnerships)

Ethics (A code of behavior, a set of principles of right conduct we model)

Goals (Desired outcomes we seek)

- To Reduce Crime
- To Reduce the Fear of Crime
- To Improve the Overall Quality of Life in the Community
- To Build and Maintain Effective Partnerships in the City of Lathrop and with all the City Stakeholders.

Accomplishments

- Implemented the L.E.A.D Program (Law Enforcement against Drugs)
- A successful pilot program was presented to 5th grade students at the NextGeneration STEAM Academy in the spring of 2018, and then presented to all 5th Grade classes at Lathrop, Widmer, Mossdale and River Islands Technology Academy during the 18/19 School Year. L.E.A.D. is a anti-drug, anti-bullying and anti-violence program achieving goals by collaborating with educators, community leaders, families and L.E.A.D. support organizations. Over 500 students made the pledge to stay drug free.
- Coordinated several multi-agency enforcements directed toward certain criminal activity, resulting in numerous arrests.
- Participated in County-Wide Probation Sweeps to substantiate compliance to terms of probation.

- Awarded a Traffic Safety Grant in the amount of \$54 thousand from the California Office of Traffic Safety (OTS) and the National Highway Traffic Safety Administration (NHTSA).
- Seventeen (17) Neighborhood Watch Groups remained active in fiscal years 17/18 and 18/19.
- Ten (10) community members opened their homes to their neighbors on Tuesday, August 1, 2017 and twelve (12) on Tuesday, August 7, 2018 for National Night Out.
- New and existing local business owners continue to participate in "Business Watch", a crime deterrent and prevention program for their workplaces.
- Four (4) sessions of the Annual Junior Police/Fire Academy Program were held, with 89 cadets participating.
- Annual Citizen's Police Academy welcomed eleven (11) community members as participants in 2017 and seventeen (17) participants in 2018.
- Bicycle Rodeos were conducted at each of the Lathrop elementary schools during the 2017/18 and 2018/19 school years. Free bike helmets were given to those in need.
- Anti-Distracted Driving Presentations were displayed at community meetings and events.
- The "Every Fifteen Minutes" Anti-Drinking and Driving Program was held at Lathrop High School for junior and senior students.
- Community Outreach Shop with a Cop Target Store Grant / Holiday Toy Drives / Canned Food Drives / Clothing Drives.
- Juvenile Probation Partnership Lathrop Police Services continues our partnership with the Juvenile Probation Department. The full-time probation officer works closely with our detectives and deputies to help them in the identification and apprehension of subjects involved in gang and drug activities.
- Impounded or stored a total 925 vehicles in 2017 and 2018.
- 181 DUI (Driving Under the Influence) arrests were made during 2017 and 2018.
- 1,146 Criminal Arrests were made in calendar years 2017 and 2018.
- 3,580 Traffic citations were issued, and 3,734 educational warnings were given.

- Increase sworn staff to include one additional full-time Motorcycle/Traffic Officer.
- Continue special enforcements directed at specific crimes and areas of concern.
- Continue enhancement of our broad Traffic Safety Program by pursuing Grant funding through the California Office of Traffic Safety/NHTSA for DUI Enforcements, Bicycle and Pedestrian Safety Educational Events, Distracted Driving Enforcements and directed enforcements to areas with high collision statistics.
- Continue the Citizens Academy for our adult community members and the Junior Police Academy for our young citizens.

- Continue developing, improving and expanding crime prevention programs within the community.
- Expand Neighborhood Watch programs.
- Continue teaching L.E.A.D to fifth grade students at 5 elementary schools.
- Continue expansion of the Business Watch program with local businesses.
- Work in partnership with other local Law Enforcement Agencies, conducting special sweeps to check on sex offenders, probationers, and parolees to ensure they are in compliance with conditions of parole and probation.
- Participated in the San Joaquin Continuum of Care, addressing the needs of the County's homeless population.

Budget Highlights

This budget also includes the following:

- Increase sworn staff by two (2) positions, for a total of 28 sworn officers totaling approximately \$508 thousand (\$125 thousand or 50 percent of one (1) position will be funded by Measure C).
- Purchase one (1) patrol vehicle at an estimated cost of \$60 thousand funded through the General Fund and Measure C.

TRAFFIC SAFETY

Description

A portion of fines collected for the violation of certain traffic misdemeanors are dispersed by law to a "Traffic Safety Fund" established by each City. These funds must be used exclusively for official traffic control devices, the maintenance thereof, equipment and supplies for traffic law enforcement and traffic accident prevention, and for the maintenance, improvements or construction of public streets, bridges, and culverts within the City.

Accomplishments

- Awarded a Traffic Safety Grant from OTS / NHTSA in the amount of \$54,000.
- Participated in multi-agency Traffic Enforcements within the City of Lathrop, and neighboring jurisdictions.
- Conducted special patrols in areas for problem speeders, near locals Elementary and High Schools.

Objectives

• Increase Traffic Enforcements and Public Education with two full-time Motorcycle Officers.

OFFICE OF TRAFFIC SAFETY

Description

Office of Traffic Safety

- Office of Traffic Safety Sobriety Checkpoint Mini-Grant.
- Office of Traffic Safety Selective Traffic Enforcement Program (STEP) Grant.

Accomplishments

- Awarded a Traffic Safety Grant in the amount of \$54 thousand from California Office of Traffic Safety (OTS) and the National Highway Safety Administration (NHTSA).
- Submitted a Grant application in the amount of \$95 thousand the 2019/20 Grant cycle.

Objectives

- Submit Grant applications during each funding cycle to increase traffic enforcement and potentially reduce the number of injuries and fatalities in crashes involving alcohol and other primary collision factors.
- Coordinate, plan and perform special traffic enforcements and community educational events in the areas of Bike and Pedestrian Safety, DUI, Distracted Driving, Seatbelt use and proper use of Child Safety Seats.

SLESF / COPS

Description

SLESF (Supplemental Law Enforcement Services Funding)/COPS Funding — This fund was established by legislative action to supplement funding to local law enforcement. The Police Chief will make a written request to City Council specifying front line law enforcement needs. Based on the population, the City is allocated \$100 thousand from the State for front line Law Enforcement services.

Accomplishments

- Received funding for the Community Resource Officer Position in the amount of \$100 thousand in 12 monthly increments.
- Received over \$95 thousand in supplemental funding from the Enhancing Law Enforcement Activities Growth Special Account to be used for front line law enforcement.

Objectives

- Continue to fund one (1) Community Resource Officer position.
- Purchase eCitation devices with technology to transmit information electronically to the Records Management System and to the Full Court System.

Budget Highlights

This budget also includes the following:

• Purchase of the eCitation device for \$85 thousand.

PUBLIC WORKS

ADMINISTRATION

Description

The Public Works Administration Division provides management and administrative support to the other Public Works Divisions, helps administer the Capital Improvement Program (CIP), and provides support and customer service to residents, businesses, development project representatives and other outside public and private agencies.

Accomplishments

- Administration of Capital Improvement Projects related to General Government & Community Beautification Projects.
- Provided assistance to Master Developers with Utility Infrastructure Development and planning of project expansions.
- Assisted with the processing of co-op reimbursements for state and federal funds for roadway improvements.
- Coordinated with the City Attorney's office to process auto claims and City property damage claims to recover costs to repair damages to property such as fire hydrants, streetlights, and sound walls caused by vehicle accidents or vandalism.
- Prepared and administered the budget for the Department's Operating expenditures and the Capital Improvement Program.
- Processing of regulatory reporting associated with Domestic and Recycled Water, Wastewater, and Storm Drainage as required by State and federal permit requirements.
- Provided management and support to the Departments' other functional groups, such as: construction management, land development, utilities, surplus vehicles, recording documents with County Recorder, fire hydrant permits, transportation permits, water system reporting requirements, etc.
- Coordinated with the Bureau of Automotive Repair (BAR) to provide vehicle information to comply with their annual smog check program audit.
- Coordinated bid documents for capital improvement and on-going maintenance projects.
- Participated in Community Outreach and Education events at Earth/Beautification Day and National Night Out events providing the community with information on water conservation, storm water runoff impacts, including waste recycling.
- Refreshed Public Works' webpage to reflect new objectives and goals.

ADMINISTRATION

- Ensure all Capital Improvement Projects are implemented on schedule and on budget.
- Provide assistance to the Engineering Division in pursue of new fiscal year grant funds from Local, State, and Federal programs to assist in financing needed for construction and operation of public infrastructure facilities, alternative energy options, and programs to enhance the community.
- Update and improve Public Works page on City website by updating information related to Solid Waste, Recycling, and Storm Water Pollution information, Sustainable Communities and Street Lighting Outages and Reporting.
- Implement a Records Management Program and a comprehensive GIS database for accurate and simple access to existing City infrastructure information.
- Reorganize filing systems throughout the department and complete the objectives outlined in the Records Retention Management Program.

DEVELOPMENT ENGINEERING - CONSTRUCTION MANAGEMENT

Description

This division performs construction inspection of Capital Improvement Projects, commercial, residential, and developer offsite improvements; such as sewer, water, storm drain, curb and gutter, streets, grading, traffic signals, and parks. The Construction Management Division ensures that the City's infrastructure is built to the City's standards and adheres to approved plans and contract documents.

Accomplishments

- Completed inspection services for a number of private and commercial developments including, South Lathrop Commerce Center, Buzz Oates, Central Lathrop Specific Plan, Flying J Travel Center, Excel, Burger King, O'Reilly Auto Parts, Pacific Gas and Electric.
- Inspected all Capital Improvement Program (CIP) projects, which included the Solar Energy Project, citywide pavement maintenance projects, Sidewalk Repair Program, Sewer Plant Expansion, Traffic signal projects at Harlan Rd. / Stonebridge Lane & River Islands Parkway / McKee Blvd., Lathrop Road Widening Project.
- Completed the storm water inspection certification for the Certified Erosion, Sediment and Storm Water Inspector (CESSWI).
- Reviewed and inspected Storm Water Pollution Prevention Plans (SWPPP).
- Inspection of approximately one hundred and twenty (120) Encroachment Permits on City Right-of-Ways.
- Contracted with Vali Cooper & Associates to inspect offsite improvements for the River Islands development.
- Contracted with Condor Earth Technologies to inspect offsite improvements for the South Lathrop Commerce Center development.

- Continue providing Inspection Services for private development and improvements within the City's right-of-way to ensure that the improvements meet the City Standards. Ultimately, these improvements will become a part of the City's infrastructure.
- Continue to provide inspection services for the Capital Improvement Program (CIP). The CIP
 has identified numerous upcoming projects including City-wide pavement repairs, Sidewalk
 Repair Program, water meter upgrades, traffic signal projects (two locations), improvements
 at the SR 120/Yosemite Interchange, Woodfield Sewer Pump Station upgrades, and Mossdale
 Park South
- Continue to oversee construction projects citywide to ensure compliance with the new SWPPP requirements.
- Inspection of City Encroachment Permits.
- Complete the Qualified SWPPP Developer (QSD Inspector)/Qualified SWPPP Practitioner (QSP) certification.

PUBLIC WORKS

DEVELOPMENT ENGINEERING - CONSTRUCTION MANAGEMENT

• Inspect Lathrop Road widening and Harlan Road improvement projects.

DEVELOPMENT ENGINEERING - LAND DEVELOPMENT

Description

The Land Development and Transportation Engineering Division provides engineering review and project management services such as formation of financial districts, project plan review, permit processing, and public assistance. The division provides for the regulation and control of the design and improvement of subdivisions, redevelopment, and real property services within the City. It is also responsible for overseeing Capital Improvements for the Transportation system in the City of Lathrop. Land Development works closely with the Community Development Department and City Engineer to provide Public Works conditions of approval associated with Building and Planning permit applications.

Accomplishments

Land Development

- Approved three new dining attractions including In-N-Out Burger, Panda Express and Starbucks Coffee.
- Approved the first commercial development in Central Lathrop, Golden Valley Self Storage.
- Processed/approved twenty-five (25) final maps creating 1,121 new residential lots in the River Islands development area.
- Processed/approved a Large Lot creating over 400 creating new residential lots in the Central Lathrop development area.
- Processed/approved a Parcel Map creating 9 industrial parcels with up to 4.85 million square feet, a Subdivision Improvement Agreement and collaborated with Reclamation District 17 on multiple easement deeds for the South Lathrop Specific Plan area.
- Processed/approved a Subdivision Improvement Agreement that guarantees \$27 million in street and utility improvements for the South Lathrop Specific Plan area.
- Established Capital Facility Fees for the South Lathrop Specific Plan and Central Lathrop Specific Plan areas and updated Capital Facility Fees Citywide.
- 300 percent decrease in fee estimate calculation time by reorganizing and automating the process to improve the service level to our customers and issued eighty-one (81) Capital Facility Fee estimates for potential new developments.
- Created six (6) offsite improvement Reimbursement Agreements for various developments including South Lathrop, Pilot/Flying J, I-5 Logistics, and Excel/Logisticenter.
- Created five (5) Deferred Frontage Improvement Agreements for various developments including Sunrise Trucking, River Islands, Pilot/Flying J, Logisticenter, and Panda Express.
- Approved the first truck parking facility to be compliant with City Standards, A&A Intermodal #2, which will serve as a model to surrounding businesses interested in a similar land use.
- Worked with the Community Development Department to coordinate timely and complete reviews and guidance for new and existing businesses and developer improvement projects and financing.
- Accepted public improvements in River Islands and Central Lathrop which included streets improvements, utility improvements, and lighting improvements.

- Approved sixty-three (63) public improvement plans for construction.
- Continued to service our citizens by providing plan check reviews for all subdivisions and other developments including parcel and subdivision maps, improvement plans, specific plans, and building permit submittals.
- Issued ninety-five (95) public right-of-way Encroachment Permits.
- Reviewed and provided oversight for seven (7) site plan reviews, nine (9) minor site plan reviews, ten (10) preliminary applications, ten (10) use permits, one (1) re-zone application, one (1) general amendment, and one hundred and seven (107) building permits.
- Continued efforts towards making a "finding of adequate progress" in providing an Urban Level of Flood Protection (ULOP) from the 200-year flood in the San Joaquin River as required by Senate Bill 5. City Council approved the Amended and Restated Joint Exercise of Powers Agreement (JEPA) for the San Joaquin Area Flood Control Agency (SJAFCA) to include the City of Lathrop as Members of JEPA. A Levee Impact Fee was created and adopted as a Capital Facility Fee (CFF) to fund the levee improvements.

Transportation

- Ongoing coordination with Public Agencies to acquire State and Federal grants for Capital Improvement Projects.
- Continued the preliminary engineering and environmental assessment for the Manthey Road Bridge— \$44M (Federal Highway Bridge Program, CFF).
- Completed the design and construction of the Lathrop Road Widening project.
- Completed the design and construction of the Traffic Signal at River Islands Parkway and McKee Avenue.
- Completed the design and construction of the Traffic Signal at Harlan Road and Stonebridge Lane
- Awarded the engineering contract for the Warren Avenue Sidewalk Improvement project. Construction is funded by the San Joaquin County Measure K.
- Awarded the engineering contract for the Louise Avenue and McKinley Avenue Intersection Widening and Signal Improvement project. Construction is funded by the federal Congestion Mitigation and Air Quality (CMAQ) Improvement Program.
- Implemented the City's Traffic Calming program and installed various traffic calming measures throughout the City.
- Completed a Citywide Road Assessment and annual road repair program including restriping and resurfacing of several city streets.

- Continue the engineering design, financing plan, and construction implementation for providing an Urban Level of Flood Protection (ULOP) from the 200-year flood in the San Joaquin River as required by Senate Bill 5.
- Provide quality review and plan checking of all design and improvement of subdivisions and other developments within the City, including River Islands, Central Lathrop, South Lathrop, Mossdale Landing, Historic Lathrop, Lathrop Gateway, and Crossroads Industrial Park.

- Continue Preliminary Engineering and Environmental Studies for the Manthey Road Bridge Replacement.
- Construct Pavement Rehabilitation Improvements consistent with the City's Pavement Management Plan.
- Construction of Warren Avenue Sidewalk Improvement project from Reverend Maurice Cotton Drive to Jasper Street.
- Construction of Louise Avenue and McKinley Avenue Intersection Widening and Signal Improvement project.
- Construction of a traffic signal at Golden Valley Parkway and Spartan Way.
- Implement the City wide ADA Transition Plan, including sidewalk improvements addressing trip hazards.
- Initiate Traffic Monitoring Program covering the period 2018-2021.
- Initiate Harlan Road re-alignment at Roth Road.
- Continue coordination on Sharpe Army Depot Decommissioning.
- Establish Capital Facility Fees for the Lathrop Gateway Business Park Specific Plan Area.
- Establish Capital Facility Fees to reimburse developers for oversizing public facilities and infrastructure that benefits other properties.

CITY HALL

Description

The City Hall Division of the Public Works Department provides the operation, maintenance, and janitorial services of the City Hall building. Associated building costs such as utilities are budgeted in this division. City Hall represents our City and therefore is important that it be well maintained and runs efficiently.

Accomplishments

- City Hall renovations, space redesign and reorganization project.
- Quarterly HVAC preventative maintenance and replaced/upgraded faulty equipment.
- Replaced recessed lighting, burned out lights, and ballasts with LED in the Council Chambers and Conference Rooms.
- Performed facility maintenance to maintain a safe, clean, and efficient operation of the City Hall building.
- Completed Installation of back-up generator at City Hall.
- Installed new security cameras to monitor the building and parking lot.
- Removed trees in the parking lot in preparation of the Solar Phase II Project.

- Continue to maintain a safe, clean, and efficient operation of City Hall.
- Continue routine preventative maintenance for the HVAC unit.
- Begin implementing the City's ADA Transition plan by prioritizing ADA-compliant improvements to City Hall and budgeting accordingly.

UTILITY ENGINEERING

Description

UTILITY ENGINEERING

The Utility Engineering Division provides the basis for development and implementation of the utility related projects for the City's Capital Improvement Program (CIP) for water, wastewater, and drainage improvements. It supports utility infrastructure planning and compliance with permits administered by state and federal regulatory agencies. This division also provides engineering technical support and contract administration for the City's existing utility systems in conjunction with the Public Works Operations and Maintenance Division.

Accomplishments

- CIP Project Management for the utility related CIP projects for water, wastewater, and drainage improvements:
 - o Integrated Water Master Plan Update (PW 10-10)
 - o Well 21 Improvements (PW 08-09)
 - LAWTF Solids Handling Improvements (PW 17-04)
 - o Consolidated Treatment Facility Expansion, Phase I (WW 10-15)
 - o Consolidated Treatment Facility Expansion Phase 2 (WW 14-14)
 - o Crossroads Decommissioning (WW 15-20)
 - Wastewater Treatment Plant Upgrades (WW 12-07)
- Provided support for regulatory permit compliance for the City's water, wastewater, and drainage systems:
 - o Drinking Water Supply permit
 - o NPDES Small MS4 Phase 2 storm water discharge permit, SD 14-10
 - o Sewer System Management Plan, WW 11-08
 - o Urban Water Management Plan, PW 10-09
 - o Sustainable Groundwater Management Act, PW 16-04
- Provided engineering technical support and contract administration services for the City's utility systems. Contracts include services for wastewater treatment plant operations, water quality monitoring, wastewater discharge, permit compliance, SCADA, recycled water farming, and maintenance contracts.

UTILITY ENGINEERING

Goals

The work plan of the Public Works Utility Engineering Division for the upcoming fiscal year includes the following:

- **CIP Project Management:** CIP project management for utility related CIP projects planned for fiscal years 2019-20 and 2020-21:
 - o Integrated Water Master Plan Update, PW 10-10
 - o Integrated Wastewater Resources Master Plan Update, WW 15-08
 - o Well 21 Improvements (PW 08-09)
 - o Recycled Water Program Expansion, RW 19-06
- Regulatory Permit Compliance: Ongoing monitoring and reporting efforts are needed to maintain compliance with following state and federal permits for the water, wastewater, recycled water and drainage systems:
 - Drinking Water Supply permit
 - o NPDES Small MS4 Phase 2 storm water discharge permit, SD 14-10
 - o Sewer System Management Plan, WW 11-08
 - o Urban Water Management Plan, PW 10-09
 - o Sustainable Groundwater Management Act, PW 16-04
- Infrastructure Asset & Maintenance Management: Develop and improve procedures for infrastructure and maintenance management through improved records and document management systems. Provide support for ongoing data collection and updates for the GIS and Utility Maps.
- Utility Planning: Continue technical studies and CIP planning for water, wastewater, recycled
 water and drainage utilities. Master Plan updates including hydraulic modeling of the utility
 systems are needed to identify and plan projects.

BUILDING SAFETY AND INSPECTIONS

Description

The Building Division is responsible for serving the public by ensuring that the safety initiatives depicted by the current adopted California Codes and the Lathrop Municipal Code are enforced during the construction, use, occupancy and maintenance of buildings and structures, and all of their various components. This is accomplished by examining plans, calculations and specifications, inspecting all aspects of on-site construction and providing staff to perform and manage the building permit process. Staff carries on this service after permits are issued and finalized by maintaining plans and documents for future inquires.

Accomplishments

- Processed over 995 permits and 811 plan check applications between July 2018 and April 2019.
 - 220 New Residential Permits: 185 new homes in River Islands (anticipating over 200 permits by the end of fiscal year); and 35 new homes throughout the City limits.

There are many new commercial buildings either in process or under construction. The following are several high profile new commercial buildings in progress with an approximate total valuation of \$805,637,110:

- South Lathrop Commerce Center Construction of a 1.2 million square foot warehouse building valued at \$107,664,000 is in progress and will be occupied by Wayfair.
- South Lathrop Commerce Center 6 Industrial/Warehouse building are in planning and or progress in the and have a total of 4,172,750 square feet valued at \$374,379,130
- Starbucks Construction of a 2,438 square foot building valued at \$349,439 is in progress.
- In-N-Out Restaurant Construction of a 3,812 square foot building valued at \$507,987 is in progress.
- Buzz Oates Distribution Warehouse (17100 Murphy Parkway) Construction of an 870,000 square foot building valued at \$72,943,794.
- Phelan Lathrop Gateway 10 Industrial/Warehouse buildings totaling 3,035,000 square feet valued at \$272,300,200 are in the approval process.
- South Lathrop Commerce Center 6 Industrial/Warehouse buildings totaling 4,172,750 square feet valued at \$374,379,130 are in the planning approval process.

BUILDING SAFETY AND INSPECTIONS

- Start the conversion of the department's software to the EnerGov Permitting & Land Management System. This allows the opportunity to make the City more accessible and responsive to external and internal customers' needs and more efficient in its operations through; streamlining, automating, and integrating business process and practices; providing the tools to produce and access information in real-time environment; enabling and empowering users to become efficient, productive and responsive; successfully overcoming current challenges and meeting future improvement goals.
- Provide training to staff on the new 2019 California building codes.
- Continue to develop Standard Operating Procedures (SOPs) for Building Division operations.
- Continue to maintain and improve the portion of the City's website pertaining to the Building Division which would include:
 - o Providing informational handouts to educate the general public on building code issues.
 - o Providing information on obtaining a permit (e.g.: application, required plan check submittals and licensing verification).
- Process about 900 permits and 600 plan checks applications
 - o 250 new homes in River Islands
- The Building Division staff will strive to provide high-caliber service to the commercial, industrial, and master planned residential communities under construction in the City.

CODE COMPLIANCE

Description

The Code Compliance Division is responsible for the City of Lathrop's code enforcement operations. The Division conducts inspections of residential, commercial, and industrial properties to determine compliance with applicable local and state codes, laws, regulations and ordinances relating to maintenance of properties and structures. The Division initiates enforcement actions and issues citations and notices. Code Compliance is vital to the protection of the public health, safety, and quality of life for the citizens of Lathrop.

Accomplishments

- Transitioned the department's activities to a part-time Code Compliance Officer.
- Responded to public nuisance complaints involving waste of garbage, debris and inoperable vehicles in public right-of-way and private property.
- On-going citywide clean-up of public nuisance or hazardous sites.

- Continue implementing Council priorities for code issues by prioritizing life and safety issues, neighborhood preservations and accepting anonymous reports of alleged code violations.
- Continue to provide educational material regarding code compliance and the importance of keeping the community safe and clean.
- Continue community outreach by presence at National Night Out.
- Continue to work collaboratively with Lathrop Police Services to address public safety concerns and violations.
- Continue to work collaboratively with Lathrop Manteca Fire District to assist as needed in weed abatement efforts.
- Continue to keep the neighborhoods free of blight by abating unsafe structures, removing abandoned vehicles, and removing other items declared as public nuisance.
- Continue to issue inspection notices and administrative citations for violations of health and public safety.
- Prepare and present options for City Council consideration to implement comprehensive programs to address specific code enforcement topics.

BUILDING MAINTENANCE

Description

The Building Maintenance Division provides operation, maintenance, and janitorial services for the Senior Center and Community Center buildings. Associated building costs, such as utilities, are budgeted through this division. The Senior Center and Community Center are public facilities where members of the community gather, therefore it is important that both buildings are maintained and run efficiently.

Accomplishments

- Supported Parks & Recreation with the set-up and coordination of the following City events: Memorial Day Celebration, Veteran's Day Celebration, Tree Lighting Ceremony, Volunteer Recognition Dinner, July 1st Celebration, National Night Out, Lathrop Days Celebration, and the Holiday Parade.
- Performed Facility Maintenance throughout the City including:
 - Senior Center and Community Center upgrades such as handicap door, office and kitchen, HVAC units serviced, flooring and restroom upgrades
 - Veteran's Memorial American and State flags replaced to be in compliance with the National Flag Pole Code requirements and replaced lights and ballasts.
 - o Monitored building entrances, walkways, parking lots, and landscape islands to eliminate litter, graffiti, and safety concerns.
 - o Coordinated disposal of surplus property for City Departments.
 - o Interior and exterior graffiti removal and maintenance.
- Implement the City's ADA Transition plan by carrying out ADA-compliant improvements to the Senior Center and Community Center.
- Continue to monitor building entrances, walkways, parking lots and landscape islands to eliminate litter, graffiti, and safety concerns.
- Removed trees at the Senior Center and Community Center in preparation of the Solar Phase II Project.
- Resurfaced breezeway at the Community Center with nonslip coating.

- Continue to monitor building entrances, walkways, parking lots and landscape islands to eliminate litter, graffiti, and safety concerns.
- Continue to maintain a safe, clean and efficient operation of the Senior Center and Community Center.

PARK MAINTENANCE

Description

The Park Maintenance Division's mission is to provide clean and safe parks and recreation facilities that enhance the visual appeal of neighborhoods and meet the recreational needs of Lathrop's residents. The work includes regular scheduled efforts as well as demand driven responses to recreation programming needs, weather, and vandalism; such as, litter removal, restroom maintenance, playground maintenance, athletic field maintenance, irrigation system maintenance, tree maintenance, and community event support. This budget reflects the funds needed to maintain Valverde, Milestone, Libby and Skate Parks and street landscaping.

Accomplishments

- Completed turf maintenance and reseeding of high traffic areas at Valverde Park.
- Performed Preventative Maintenance and Repairs including:
 - o Water feature repair.
 - o Basketball court resurfaces.
 - o Valverde Park pathway lighting repair.
- Maintained a safe, clean, and efficient operation of landscaping at Cambridge and "N" Street and Valverde, Milestone, Libby and Skate Park.
- Preventative maintenance of the central landscape irrigation control with the Cal-Sense Central Irrigation Control System at Libby, Milestone, Armstrong, Woodfield, Sangalang, Commons, and Green Parks as well as Thomsen Basin and River Park North.
- Assisted Parks & Recreation with the set-up and coordination of the following City events: Memorial Day Celebration, Veteran's Day Celebration, Volunteer Recognition Dinner, Skate Park Competitions, July 1st Celebration, Lathrop Days Celebration, Earth/Beautification Day, Tree Lighting Ceremony and the Holiday Parade.
- Assisted with Beautification Day projects:
 - Mossdale Commons tree and shrub planting, bark replaced in landscape areas and painted the building.
 - o Valverde Park fire lane curb painting, bark replaced in landscape areas, paint amphitheater, picnic shelter and trash cans, and assist with the recycling event.
 - o Removed damaged or dangerous trees at Valverde and Milestone Parks.
 - Libby Park painted sound wall, installed pathway lighting, playground and exercise equipment.
 - o Installed exercise equipment and two new barbeques at Valverde Park.
 - o Replaced park lights with LED lighting.

- Continue inspection and preventative maintenance of park playgrounds and athletic fields.
- Continue to manage contract for rodent control services for Valverde Park.
- Continue to manage contract for City park maintenance of 14 City parks.

PUBLIC WORKS

- Continue to maintain safe, clean and efficient operation of landscaping at Cambridge and "N" Street and Valverde, Milestone, Libby and Skate Parks.
- Secure restroom facilities each night in an effort to provide a safe and clean environment for public use.
- Install ADA compliant sidewalks at Libby Park.

STREETS

Description

Activities within the Streets Division include maintenance, repair, and cleaning of City streets and rights-of-way. The installation, repair, and maintenance of street signs, street striping, and pavement markings are also included in this budget. This Division provides maintenance of 93 centerline miles of City streets. Work includes pot hole patching, seal coating and overlay applications, monthly street sweeping, curbs and gutters maintenance, installation and maintenance of traffic control devices including traffic signals and control signs, street name signs, right of way mowing and herbicide application, weather response (sanding, catch basin clearing, gravel street work) and community event support.

Accomplishments

- Completed modifications to safety railing on Lathrop Road.
- Refreshed striping in critical areas of school crossing along 5th Street from H Street to O Street.
- Completed the Lathrop Road Widening Project which included significant pavement repair work on Lathrop Road between 5th Street and Harlan Road.
- Completed the Harlan Road Pavement Repair Project which included portions of Harlan Road between Roth Road and Slate Street and Harlan Road between Louise Avenue and Tesla Drive.
- Completed the installation of a slurry seal on Harlan Road between Stonebridge Lane and Slate Street.
- Completed an update to the City's Pavement Management System.
- Implemented the City's Traffic Calming Program and installed various traffic calming measures throughout the City including radar speed signs on Lathrop Road, Avon Street and Cambridge Drive
- Installed street light on Mossdale Road
- Replaced missing street signs; repaired damaged street signs; and removed graffiti on city's right-of-ways.
- Contracted with Community Corp to maintain City property, right-of-way, and landscaping in light of the increased weed abatement efforts.

Goals

- Continue to implement the Sidewalk Repair Program to repair or remove and replace damaged, cracked, and uneven concrete sidewalks as needed.
- Continue to implement the Citywide Traffic Calming Program.
- Continue to implement the Pavement Maintenance and Repair Program throughout the City using a 5-year planning scenario.
- Refresh striping in critical areas of school crossings and worn areas along heavily travelled roads.

STREET TREES

Description

The Street Trees & Landscaping Division provides for the planting and maintenance of street trees and for the development and maintenance of landscaping within the public right-of-way. The Division removes tree branches and brush that may pose a possible hazard to pedestrians and vehicular traffic. Spraying of street trees for insect infestation and pruning street trees as needed is also provided.

Accomplishments

- Tree Maintenance, including:
 - o Trees in various locations throughout the City were trimmed to promote health or removed if they posed a public safety hazard.
 - o Tree removal on 5th Street, 6th Street, Valverde Park, and Milestone Park.
 - Herbicide application to reduce mistletoe growth on trees in Valverde Park & Woodfield Park and olive tree growth on Thomsen Road & 5th Street.
 - o Sterilized trees to eliminate nuisance fruit.
 - o Removed dead trees throughout the City.
- Treated for aphids and mistletoe.
- Removed dead and dangerous trees.
- Applied fruit sterilant.
- Trimmed olive trees.

Goals

• Continue to manage and trim City trees located within the public right-of-way and park trees with City staff and some contract tree trimming services.

PUBLIC NUISANCE

Description

The Public Nuisance Division activities are performed by the Code Compliance staff in the Public Works department. The activity is focused on the abatement of dilapidated and unsafe structures, the removal of abandoned vehicles, and other violations that have been declared a Public Nuisance. The monies from the Public Nuisance fund are used when all other legal collection avenues have been exhausted and the violation remains. The fund is intended to be self-renewing by reimbursement.

Accomplishments

• There were no properties that went through the formal process to be declared public nuisances in 2018/19.

- To provide community education and awareness with respect to nuisance prevention.
- To protect and improve the quality of life in neighborhoods throughout the City by coordinating interdepartmental collaboration that identifies and address nuisance properties.

RTIF LATHROP LOCAL EAST

Description

The City adopted the Regional Traffic Impact Fee (RTIF) fee on December 20, 2005. The RTIF was created to help fund regional traffic congestion improvements and related adverse impacts in the County of San Joaquin. San Joaquin Council of Governments (SJCOG) manages the RTIF program. SJCOG's management costs called Third Party Costs, are paid from fees collected and are processed through this budget unit.

Accomplishments

• Collected RTIF from new development projects.

Goals

• Continue to collect RTIF from new development.

SOLID WASTE AB-939

Description

The Solid Waste Management Division is responsible for the collection and disposal of industrial, commercial, and residential solid waste. In addition, administering the City's Source Reduction and Recycling (SRRE) Program, and providing technical assistance and outreach to increase awareness of waste reduction and recycling. In 1989, Assembly Bill 939, Integrated Waste Management Act, was passed to establish a new direction for waste management and the decrease in landfill capacity. Following AB-939 came the creation of the CA Integrated Waste Management Board (CIWMB). The City of Lathrop is mandated to meet solid waste diversion goals of 50%, attend monthly planning committees hosted by SJ County Public Works Division, purchase recycled products, and minimize waste. Most recently, in October 2014, Governor Brown signed AB 1826 Chesbro (Chapter 727, Statutes of 2014), requiring businesses to recycle their organic waste on and after April 1, 2016, depending on the amount of waste they generate per week. This law also required that on and after January 1, 2016, local jurisdictions across the state implement an organic waste recycling program to divert organic waste generated by businesses, including multifamily residential dwellings that consist of five or more units (please note, however, that multifamily dwellings are not required to have a food waste diversion program). This law phases in the mandatory recycling of commercial organics over time. In particular, the minimum threshold of organic waste generation by businesses decreases over time, which means an increasingly greater proportion of the commercial sector will be required to comply. The City's current hauler has been providing the necessary and mandated organic waste recycling programs to applicable commercial businesses since the law became effective. Furthermore, the City's current hauler owns and operates its own landfill, included with a state of the art organics processing facility. Having said infrastructure, allows our current hauler the ability to provide the most cost effective options for service and rates for our City, and the ability to maintain compliance with AB 1826.

Accomplishments

- Maintained waste diversion rate of 80%, in compliance with AB 939.
- Negotiated a new five (5) year agreement extension, known as Amendment No. 3 to the Franchise Agreement, for residential and commercial customers, between City of Lathrop and Lathrop Sunrise Sanitation Corporation (formerly Allied Waste Corporation, and dba Republic Services); effective July 1, 2019.
 - The new 5-year agreement implements new language to address requirements related to State Mandated Commercial Organics Recycling (AB 1826 Chesbro); this includes language to define enhanced levels of service currently being provided by Republic Services to Commercial Customers as required by State Law; and currently not addressed in the 2014 agreement.
 - Began the process of creating the formal written policy to comply with AB 1826.

SOLID WASTE AB-939

- Updated the residential and commercial rate structure to implement the annual rate increase (based on the SF-Oakland CPI-U) and a one-time \$3.95 recycling fee increase to address the revenue losses due to the "China Sword" effect
- o Increased the annual \$750 academic scholarships provided by Republic Services from five to six, to include the Next Generation STEAM Academy at River Islands.
- Coordinated Public Outreach Events for the Lathrop Community to Provide:
 - o The Solid Waste & Recycling Kiosk for questions and concerns related to the City's recycling and solid waste program. Free informational giveaway bags for public outreach, which included educational literature for all ages on recycling, composting, and conservation were provided. Additionally, the following was provided:
 - Free electronics recycling, coordinated with Onsite Electronics Recycling, for the proper disposal and recycling of E-Waste and Universal Waste material.
 - Free mobile shredding services coordinated with Republic Services to provide the proper disposal and recycling of secure personal information.
 - Motor oil and oil filter drop-off. In addition, to the weekly collection available through our franchise hauler, provided education at special events on the proper disposal of motor oil and oil filter recycling.
 - Free organic mulch give-a-way to promote the proper disposal of organic and green waste material.
 - Free tire recycling.

- Finalize Written Required Polices, related to:
 - o Formalize written policy to comply with AB 1826, to address State Mandated Commercial Organics Recycling (AB 1826 Chesbro)
 - Work with Lathrop Police Services to formalize written policy to address SB 1365, disposal of household sharps waste, which went into effect September 1, 2008.
 - o Provide further research related to applicable grant funding to implementation a program to inform and assist residents with the cost of FDA approved containers and shipping.
- Continue to develop working relationship with San Joaquin County Solid Waste Division to implement and oversee regional solid waste and recycling programs and events in Lathrop
 - O Attend monthly planning meetings with the San Joaquin County Integrated Waste Management Task Force.
- Continue to organize Public Outreach Events for the Lathrop Community
 - Work with local schools and businesses on public outreach
 - O Continue to provide the Solid Waste Recycling Kiosk for outreach and education on natural resource conservation educational literature, composting, and recycling.
- Continue to research topics on recycling and solid waste compliance
- Apply for the annual grand award of \$5,000, AB 939 Grant, to implement and continue the beverage container recycling and litter reduction programs for the City of Lathrop.

CROSSROADS STORM DRAIN CITY ZONE 1A

Description

The purpose of the Crossroads Storm Drain Division is to operate, maintain, and improve the storm drain system in the Crossroads Commerce Center (CCC), formerly known for assessment district purposes as City Service Zone 1A. City Service Zone 1A includes approximately 4.5 miles of pipelines, ponds, pumps, pump station facilities, and catch basins. Approximately 295 acres of developed property drains into this system.

Accomplishments

- Completed repairs to the Crossroads Storm Drain System.
- Completed renovation of the Crossroads Pump Station Facility, including SCADA improvements.
- Operation and maintenance of storm drain infrastructure within the CCC.
- On-going implementation of National Pollutant Discharge Elimination System (NPDES) Phase II Municipal Separate Storm Sewer (MS4) General Permit.
- Preventative maintenance of heavy equipment, vehicles, and pump stations.
- Purchased new low flow pump to replace existing pump that has reached the end of its service life
- Made repairs to fence and building that were a result of vehicle accident.

- Continue to operation and maintenance on the Crossroads storm drain system.
- Continue participation in the Delta Regional Monitoring Plan (Delta RMP).
- Begin implementation of full trash capture devices as required by the Trash Amendments and Implementation Program mandated by the SWRCB
- Continue implementation of NPDES Phase II MS4 General Permit.
- Continue preventative maintenance of heavy equipment and vehicles.

STORM DRAIN CITY ZONE 1

Description

The purpose of the Storm Drain Division is to operate, maintain, and improve the storm drain system in the City Zone 1 system area which encompasses most of the area bound by Louise Avenue to the south, I-5 to the west, UPRR to the east, and Stonebridge subdivision to the north. The City Zone 1 storm drainage system includes pipes, ponds, pumps, pump station facilities, and catch basins.

Accomplishments

- Operation and maintenance of storm drain infrastructure within Zone 1.
- Contracted with MCC Control Systems for SCADA Programming and Support Services.
- On-going implementation of National Pollutant Discharge Elimination System (NPDES) Phase II Municipal Separate Storm Sewer (MS4) General Permit.
- Preventative maintenance of heavy equipment, vehicles, and pump stations.

- Continue operation and maintenance of Storm Drain infrastructure with Zone 1.
- Continue preventative maintenance of heavy equipment and vehicles.
- Continue implementation of NPDES Phase II MS4 General Permit.
- Continue participation in the Delta Regional Monitoring Plan (Delta RMP).
- Initiate implementation of Trash Amendments to install full trash capture devices for high priority areas in the Zone 1 area.

RESIDENTIAL STREET LIGHTING

Description

The Residential Street Lighting Division provides street lighting maintenance for the City streets by contract with Pacific, Gas and Electric Company. The Residential Street Lighting District is bounded by Louise Avenue to the south, Interstate 5 to the west, Stonebridge Subdivision to the north, and the City limits to the east. The Division provides streetlights installation, maintenance, and operation.

Accomplishments

- Repaired several street lights and replaced burnt out bulbs.
- Performed streetlight quarterly inspections and routine maintenance and repairs to maintain public safety.
- Approximately 500 streetlights were operating and maintained.
- Installed LED lighting in all decorative lights (5th St., Lathrop Rd, etc.).

- Install new streetlights as new development occurs.
- Continue to operate and maintain the existing streetlight system.
- Continue to provide streetlight quarterly inspections and routine maintenance services to maintain public safety.
- Contingent upon funding for the energy grant, initiate replacement of existing fixtures with LED energy efficient fixtures.

INDUSTRIAL STREET LIGHTING

Description

The purpose of the Industrial Street Lighting Division is to provide street lighting for City streets by contract with Pacific, Gas and Electric Company for electricity and under contract with Siemens Industry, Inc. for maintenance and repair of the streetlights. The Industrial Street Lighting District is bound by Louise Avenue to the north, Interstate 5 to the west, and UPRR to the east for Zone A (Crossroads Commerce Center). Zone B is bounded by Louise Avenue to the north, McKinley Avenue to the west, and Yosemite Avenue to the south. Zone C is bounded by Interstate 5 to the west, Roth Road to the north, the Stonebridge Development to the south, and the UPRR to the east.

Accomplishments

- Replaced missing street light wire in the Crossroads Commerce Center and incorporated deterrents to future theft.
- Provided quarterly inspection for streetlights and signal lights to maintain public safety.
- 220 Street Lights are maintained in the Industrial Lighting District.

- Maintain streetlights and signal lights at an acceptable level.
- Continue to provide streetlight quarterly inspection and routine maintenance services to maintain public safety.
- Contingent upon funding for the energy grant, complete replacement of existing fixtures with LED energy efficient fixtures.

WOODFIELD PARK MAINTENANCE

Description

Woodfield Park is a five-acre neighborhood park established in a storm drain pond and financed by assessments paid by the property owners residing in the Woodfield Landscape District. This budget ensures that the park is kept clean, safe, and visually appealing. Maintenance services are provided by a combination of City personnel and contracted services.

Accomplishments

- Performed preventative maintenance, irrigation repairs, and pruned trees.
- Provided rodent control maintenance for Woodfield Park.
- Maintained a safe and clean park including the basketball court and restroom building.
- Continuous maintenance of the central landscape irrigation control with the Cal-Sense Central Irrigation Control System at Woodfield.
- Preventative maintenance of heavy equipment, vehicles, and pump stations.
- Contracted with MCC Control Systems to provide SCADA Programming and Support Services.
- Repainted soundwalls.
- Repaired monument.
- Landscaped new installed equipment and furniture.
- Changed out irrigation on G Street.
- Repaired soundwall at Fireside.

- Open and close restrooms daily in an effort to prevent vandalism.
- Continue operations to provide the community with a safe and clean recreational area.

STONEBRIDGE PARK & STREET MAINTENANCE

Description

The purpose of this division is to provide maintenance for the Stonebridge Landscaping District. Included in the district is Stonebridge Park, a 10-acre neighborhood park with a restroom building, a basketball court, and approximately 512,000 square feet of street landscaping in public rights of way. The objective is to provide clean, safe, and visually satisfying street and park facilities.

Accomplishments

- Basketball court resurfaced.
- Completed turf maintenance and reseeding of high traffic areas
- Performed Preventative Maintenance and Repairs including:
 - o Park irrigation repairs.
 - o Restroom lighting repairs.
 - o Basketball nets replaced.
- Contracted with MCC Control Systems to provide SCADA Programming and Support Services.
- Pruned trees on Stonebridge Way.
- Maintained park, restroom building, and basketball court in a safe and visually appealing manner.
- Maintained a safe, clean operation of the street landscaping.
- Continued to maintain central landscape irrigation control with the Cal-Sense Central Irrigation Control System at Sangalang.
- Preventative maintenance of heavy equipment, vehicles and pump stations.
- Coordinated Odyssey Landscape for Park and Street Landscape Maintenance services.
- Changed batteries in solar lighting.
- Installed new furniture at Gazebo.
- Removed dangerous trees.
- Replaced restroom lights with LED.

- Maintain a safe, clean and efficient operation of Stonebridge Park, new shade structure and restroom building.
- Provide any needed repairs in a timely manner.
- Open and close restroom building daily.
- Maintain a safe, clean operation of the street landscaping.
- Continue to manage Sangalang Park Landscape Maintenance contract.
- Five trees were planted during Cities Beautification Day event

STONEBRIDGE DRAINAGE & LIGHTING

Description

The purpose of the Stonebridge Drainage and Lighting District is to operate, maintain, and improve the storm drainage and street lighting within the Stonebridge Subdivision.

Accomplishments

- Storm water ordinance amended to include new minimum storm water management requirements to remain in compliant with the City's NPDES Phase II MS4 general permit
- Contracted with MCC Control Systems to provide SCADA programming and support services.
- Operation and maintenance of storm drainage infrastructure and streetlights located within the Stonebridge subdivision.
- Managed the ongoing implementation of National Pollutant Discharge Elimination System (NPDES) Storm Water Management Plan.
- Performed preventative maintenance of heavy equipment, vehicles, and pump stations.
- Installed new benches and trash cans on Stonebridge Ln. at Harlan Rd.
- Monument lighting to LED.

- Continue operation and maintenance of storm drainage infrastructure and streetlights located within the Stonebridge subdivision.
- Continue ongoing implementation of NPDES Storm Water Management Plan.
- Continue preventative maintenance of heavy equipment, vehicles, and pump stations.

Mossdale Services CFD 2004-1

Description

The Mossdale Services CFD 2004-1 division operates and maintains the system for storm drain facilities, parks, street landscaping, signal lighting, street lighting, police, and animal services within the Mossdale area of the City.

Accomplishments

- Storm water ordinance amended to include new minimum storm water management requirements to remain in compliant with the City's NPDES Phase II MS4 general permit
 - o Performed park preventative maintenance and repairs including: resurfaced Mossdale Park basketball court and Park West tennis court; irrigation repairs; and basketball nets replaced.
 - Performed preventative maintenance of heavy equipment and vehicles including:
 Mossdale Booster Pump serviced; serviced generators; and operation and maintenance of storm drain infrastructure.
- Contracted with MCC Control Systems to provide SCADA Programming and Support Services.
- Performed inspections, preventative maintenance, and repairs of streetlights.
- Provided animal control staffing at an effective level for the area.
- Ongoing implementation of the National Pollutant Discharge Elimination System (NPDES) Storm Water Management Plan.
- Operation and maintenance of park and street landscape area irrigation systems.
- Ongoing weed abatement, street sweeping, and graffiti removal.
- New Barbeque at Community Park.
- New booster pumps at Crescent Park and Green Park.
- Replaced valves and furniture at Community Park.
- Reseeded Park at River North.
- Treated for Aphids and Mistletoe.
- Added pathway lighting.
- Installed solar lighting at Crescent Park.

- Continue preventative maintenance of heavy equipment and vehicles.
- Continue operation and maintenance of storm drain infrastructure.
- Continue to perform inspections, maintenance and repairs of streetlights.
- Continue to provide animal control staffing at an effective level for the area.
- Continue implementation of the NPDES Storm Water Management Plan.
- Continue to provide landscape maintenance services of park and street landscape areas.
- Continue operation and maintenance of park and street landscape area irrigation systems.
- Continue to maintain safe and clean parks, ongoing weed abatement, and monthly street sweeping.

Mossdale Landscape & Lighting District

Description

The purpose of this division is to maintain street lights, landscaping, park sites, and street trees within the district.

Accomplishments

- Contracted with MCC Control Systems to provide SCADA programming and support services.
- Upgrade of SCADA firewall promoting security of City communication systems.
- Trees were trimmed to promote health or removed if they posed a public safety hazard.
- Reviewed plans for construction and provided inspections.
- Quarterly streetlight inspections, maintenance and repairs required to maintain public safety.
- Coordinated with Silva Landscape to provide street landscaping maintenance services.
- Maintained safe and clean parks.
- Continuous maintenance of the central landscape irrigation control with the Cal-Sense Central Irrigation Control System.
- Preventative maintenance for heavy equipment and vehicles.
- Landscape roundabout and new lighting.
- Replaced landscaping inland passage
- Installed new Cal-Sense Hibs
- Treated for Aphids and Mistletoe

- Maintain a safe, clean, and efficient operation of street lights and street trees.
- Continue to provide quarterly streetlight inspections, maintenance, and repairs required to maintain public safety.
- Continue to manage street landscape maintenance and street sweeping contract.

HISTORICAL CFD 2005-1

Description

The purpose of this division is to operate, maintain and improve the system for the storm drain facilities, parks, and street landscaping within the Historical Community Facilities District. This District includes the Richmond American Homes Developments on "O" Street and Thompson Street and the Florsheim Homes on Warren Avenue. This division is designed to annex all new residential and commercial in-fill developments east of Interstate 5 and function as the primary funding source for the services and systems mentioned above.

Accomplishments

- Maintained the street landscaping, storm drain facilities, and parks in the district to an acceptable standard.
- Maintained the central landscape irrigation control with the Cal-Sense Central Irrigation Control System at Armstrong Park.
- Coordinated with Silva to provide landscape services along "O" Street, Thomsen Street, Warren Avenue, and Armstrong Park.
- Rebuilt pumps at Thomson Street Storm Drain Station.
- Removed diseased trees and repainted sound wall at Armstrong Park.

- Maintain a safe, clean and efficient operation of the storm drain facilities, parks, and street landscaping.
- Annex commercial properties located along Harlan Road as CFD 2005-1, Tax Zone 3.

CENTRAL LATHROP CITY SERVICES CFD 2019-2

Description

The Central Lathrop City Services CFD fund was established to fund the activities related to providing public services, public safety, and to maintain public infrastructure as necessary in the Central Lathrop area.

Accomplishments

- Streetlight quarterly inspections and routine maintenance and repairs to maintain public safety.
- Coordinated with Silva Landscape services to maintain public improvements on Golden Valley Parkway.
- Provided police services to the Central Lathrop Specific Plan area.
- Preventative maintenance performed for the storm water pump and low flow sewer.
- Contracted rodent control services for River Island Parkway and Lathrop Road.
- Accepted new sewer/storm station in May 2019.
- Maintenance on Dos Reis Pump Station.
- Sprayed weeds and graffiti abatement.
- Changed loading zone to no stopping at the Generations Center.

- Maintain a safe, clean, and efficient operation of the storm drain facilities, street lights, and traffic signals.
- Continue to provide streetlight and landscaping services on Golden Valley Parkway from River Islands Parkway to Lathrop Road and Lathrop Road from Manthey Road to Land Park Drive.
- Operate and maintain the CLSP Interim Sewer and Storm Drain pump station and storm drain basin.

WATER

Description

The purpose of the Water Division is to provide safe, reliable drinking water to the City's water utility customers. The Water Division operates, maintains, and improves the water supply and distribution system. The City's water system includes five active wells, the Louise Avenue Water Treatment Facility (LAWTF), four water storage and associated booster pump stations, distribution system, water service meters, and backflow prevention devices. The system is operated under a Water Supply Permit administered by the State Water Resources Control Board -Division of Drinking Water (SWRCB - DDW).

Accomplishments

- Provided safe, reliable drinking water to utility customers.
- Provided high quality customer service, including response to customer inquiries about drinking water quality, and the water system, provided customers with indoor and outdoor Water Conservation kits.
- Contracts administered for water tank maintenance, water quality testing, SCADA and other services related to operations and maintenance of the potable water system
- Operation and maintenance of the City's potable water system including the LAWTF, city wells, booster pump stations, and water distribution system.
- Performed preventative maintenance on heavy equipment and vehicles
- Provided support and contract administration services for drinking water utility related CIP projects planned for fiscal years FY 2017-18 and 2018-19:
 - o Integrated Water Resources Master Plan Update, PW 10-10
 - o Well 21 Improvements (PW 08-09)
 - o LAWTF Solids Handling Improvement, PW 17-04
- Provided support for regulatory permit compliance for the City's drinking water system:
 - o SWRCB DDW Water Supply permit
 - Water quality monitoring and reporting
 - Cross connection control program
 - DDW annual inspection and response
 - Annual reporting to DRINC system
 - Prepare and distribute annual Consumer Confidence Report (CCR)
 - o Urban Water Management Plan, PW 10-09
 - o Sustainable Groundwater Management Act, PW 16-04
 - Initiated US-EPA Unregulated Contaminant Monitoring Rule 4 (UCMR4) monitoring and reporting

WATER

- Continue to provide safe, reliable drinking water to utility customers.
- Continue to provide high quality customer service, including response to customer inquiries about drinking water quality, and the water system, provide customers with indoor and outdoor Water Conservation kits.
- Continue to administer contracts for water tank maintenance, water quality testing,
 SCADA and other services related to operations and maintenance of the potable water system
- Continue ongoing operation and maintenance of the City's potable water system including the LAWTF, city wells, booster pump stations, and water distribution system.
- Continue performing preventative maintenance on heavy equipment and vehicles
- Continue to provide support and contract administration services for drinking water utility related CIP projects planned for fiscal years FY 2019-20 and 2020-21:
 - o Integrated Water Resources Master Plan Update, PW 10-10
 - o Well 21 Improvements (PW 08-09)
- Continue to provide support for regulatory permit compliance for the City's drinking water system:
 - SWRCB DDW Water Supply permit
 - Water quality monitoring and reporting
 - Cross connection control program
 - DDW annual inspection and response
 - Annual reporting to DRINC system
 - Prepare and distribute annual Consumer Confidence Report (CCR)
 - o Urban Water Management Plan, PW 10-09
 - o Sustainable Groundwater Management Act, PW 16-04
 - US-EPA Unregulated Contaminant Monitoring Rule 4 (UCMR4) monitoring and reporting

MWQCF WASTEWATER COLLECTION SYSTEM

Description

The Manteca Water Quality Control Facility (MWQCF) maintains and improves the wastewater collection system for the safe transmission of the City's wastewater for treatment and disposal. The MWQCF provides wastewater treatment for the majority of areas east of I-5 in Lathrop, excluding the Crossroads Commerce Center area. The MWQCF wastewater collection system consists of gravity mains, sewer force mains, manholes, and pump stations.

Accomplishments

- Provided safe, reliable sewer service to utility customers, responded to customer inquiries and sewer blockages and/or overflows.
- Provided support and contract administration services for utility related CIP projects planned for fiscal years 2017-18 and 2018-19:
 - o Integrated Wastewater Master Plan Update, WW 15-08
 - o Woodfield Pump Station Improvements, WW 19-01
- Contracted with MCC Control Systems to provide SCADA Programming Support Services.
- Update and continued implementation of the City's Sewer System Management Plan, WW 11-08 as related to the MWQCF wastewater collection system.
- Performed TV assessment of MWQCF sewer collection system and preventative maintenance of heavy equipment, vehicles, and Pump Stations.
- Coordination with the City of Manteca regarding MWQCF operations and regulatory permit compliance.
- Updated ISU Transfer Policy to more effectively manage allocation, reallocation and/or transfer of Interceptor System Units (ISUs).
- Accepted improvements for Harlan Road sewer pump station.
- Replaced pump at J Street Pump Station.

- Continue to provide safe, reliable sewer service to utility customers and respond to sewer issues.
- Continue to provide support and contract administration services for utility related CIP projects planned for fiscal years 2017-18 and 2018-19:
 - o Integrated Wastewater Master Plan Update, WW 15-08
 - o Woodfield Pump Station Improvements, WW 19-01
- Continue coordination with the City of Manteca regarding MWQCF operations and regulatory permit compliance.
- Continue ongoing implementation of Sanitary Sewer Management Plan, WW 11-08 as related to the MWQCF wastewater collection system.
- Continue ongoing management of allocation, reallocation and/or transfer of Interceptor System Units (ISUs).

CROSSROADS WASTEWATER - TREATMENT

Description

The Crossroads wastewater treatment facility was decommissioned as part of CIP WW 15-20. The operation and maintenance of the wastewater flows for the Crossroads Commerce Center area are being treated at the Consolidated Treatment Facility.

Accomplishments

- Provided support services and administered contracts for regulatory permit compliance, operations and maintenance, water quality testing, and groundwater monitoring associated with the Crossroads wastewater treatment plant.
- Administered Veolia Water Industrial Pretreatment Program Contract and management of the Industrial Pretreatment Program (IPP).

Goals

• Continue to provide services and manage contracts for operations, maintenance, and regulatory permit compliance for the wastewater treatment plant serving the Crossroads Commerce Center.

CROSSROADS WASTEWATER — COLLECTION AND DISPOSAL

Description

This division provides services for operation and maintenance, and regulatory permit compliance for the wastewater collection system, recycled water storage ponds, and recycled water percolation basin serving the Crossroads Commerce Center. This wastewater collection system feeds into the Consolidated Treatment Facility.

Accomplishments

- Provided services and management of contracts for operation and maintenance and regulatory permit compliance for the wastewater collection system, recycled water storage ponds, pump station, pipelines and percolation basin serving the Crossroads Commerce Center.
- Performed preventative maintenance for heavy equipment and vehicles.
- Administered contract with Erler & Kalinowski, Incorporated (EKI) for update of SWISS/Hormel wastewater permit.
- Administered Veolia Water Industrial Pretreatment Program (IPP) Contract and management of the IPP.
- Updated Sanitary Sewer Management Plan and ongoing implementation as it pertains to the Crossroads wastewater collection system

- Continue to provide services for operation and maintenance and regulatory permit compliance for the wastewater collection system, recycled water storage ponds, pump station, pipelines and percolation basin serving the Crossroads Commerce Center.
- Continue preventative maintenance for heavy equipment and vehicles.
- Continue to administer contract with EKI for SWISS/Hormel Wastewater permit compliance discharge.
- Continue to administer Veolia Water Industrial Pretreatment Program (IPP) Contract and management of the IPP.
- Continue implementation of the SSMP as it pertains to the Crossroads wastewater collection system.

CONSOLIDATED TREATMENT FACILITY WASTEWATER - TREATMENT

Description

This division provides wastewater collection, treatment and disposal of treated effluent for the Mossdale, River Islands, CLSP, and Crossroads Commerce Center development areas at the Lathrop Consolidated Treatment Facility (LCTF). The treated water is pumped to recycled water storage basins, urban or agricultural land application sites located in the Mossdale, River Islands and CLSP development areas. The LCTF is operated under a design-build-operate contract with Veolia Water North America (VWNA). The wastewater collection system consists of gravity sewer pipelines, sewer force mains, and the Mossdale sewer pump station. The recycled water system consists of recycled water distribution pipelines, five recycled water basins, three recycled water pump stations, and numerous urban and agricultural land application areas.

Accomplishments

- Provided support and contract administration services for utility related CIP projects planned for fiscal year 2017-2018 and 2018-19:
 - o Integrated Wastewater Resources Master Plan Update, WW 15-08
 - o Consolidated Treatment Facility Expansion Phase I, WW 10-15
 - o Consolidated Treatment Facility Expansion Phase II, WW 14-14
 - o Wastewater Treatment Plant Upgrades, WW 12-07
 - o Crossroads Decommissioning, WW 15-20
- Provided ongoing support and contract administration services for operations, maintenance, and regulatory permit compliance for the LCTF wastewater treatment plant and associated wastewater collection and recycled water systems.
- Administered Veolia Water IPP Contract renewal and management of the Industrial Pretreatment Program (IPP).
- Worked with Veolia to perform asset management assessment and update of the 5 year Capital Replacement budget.
- Managed the IPP and FOG program including review of monthly reporting systems.
- Performed preventative maintenance for heavy equipment and vehicles.
- Update and ongoing implementation of the City's Sewer System Management Plan (SSMP), WW 11-08 as related to the LCTF collection system.

CONSOLIDATED TREATMENT FACILITY WASTEWATER – TREATMENT

- Provide support and contract administration services for utility related CIP projects planned for fiscal year 2019-2020 and 2020-21
 - o Integrated Wastewater Resources Master Plan Update, WW 15-08
 - o Recycled Water Program Expansion, RW 16-06
- Continue to provide ongoing support and contract administration services for operations, maintenance and regulatory permit compliance for the LCTF and associated wastewater collection and recycled water systems.
- Continue to provide contract administration services for the Veolia Water IPP Contract and program management of the IPP and FOG source control programs.
- Continue working with Veolia to perform asset management assessment and update of the 5 year Capital Replacement budget.
- Ongoing preventative Maintenance for Heavy Equipment, Vehicles and Pump Stations.
- Continuation of the City's Sewer System Management Plan (SSMP) as related to the LCTF's collection system.

ESSENTIAL CITY SERVICES

Description

In September 2011, the City Council directed staff to evaluate a local revenue measure for the purpose of maintaining and enhancing essential City services, such as police and fire protection, and youth and senior services within the City. In July 2012, Council approved placing a 1% sales tax measure on the November ballot for voter consideration. On November 6, 2012, over 77% of the City of Lathrop registered voters passed Measure C (Public Safety/Essential City Services).

On November 2012, the City Council approved an agreement with Lathrop Manteca Fire District allocating 40% of Measure C funds to the District. Measure C funds will be used to augment and enhance fire protection activities within the City. The remaining 60% of Measure C funds will be used by the City to maintain and enhance police and other essential City services. All Measure C expenditures will be reviewed by the Measure C Community Oversight Committee and recommended to the City Council for approval.

Measure C went into effect on April 1, 2013. The City began receiving revenue from Measure C in September 2013.

Accomplishments

Public Safety

- Lathrop Manteca Fire Districts
 - o 40% of Revenue transferred to LMFD
 - 6 Firefighter Engineers
 - 1.98 Battalion Chiefs
- Lathrop Police Services
 - o Funded five (5) sworn police positions

Parks & Recreation

- Funded four (4) positions
- Funded the Maintenance and Operations (M&O) costs related to the Lathrop Generations Center.

City Projects

- Funded community projects totaling \$884 thousand approved by Council:
 - Upgrades of Park facilities throughout the City: installation of fitness equipment, benches, barbeque areas, waste receptacles, water and pet fountains, parking lot repairs at Valverde and additional parking at the Generations Center.
 - o Purchase of Automated License Plate Readers (ALPR) for enhanced law enforcement.

ESSENTIAL CITY SERVICES

Objectives

Public Safety

• Continue to fund sworn public safety positions to promote a safe environment in the community focused on prevention, intervention, and outreach.

Essential City Services

• Continue to fund support positons and M&O costs for the Lathrop Generations Center.

Budget Highlights

This budget also includes the following:

- Increase sworn staff by 0.5 FTE or one (1) position with an estimated costs of \$250 thousand partially funded through the General fund and Measure C.
- Purchase one (1) patrol vehicle at an estimated cost of \$60 thousand funded through the General Fund and Measure C.

LATHROP-MANTECA FIRE DISTRICT

Description

In September 2011, the City Council directed staff to evaluate a local revenue measure for the purpose of maintaining and enhancing essential City services, such as police and fire protection, and youth and senior services within the City. In July 2012, Council approved placing a 1% sales tax measure on the November ballot for voter consideration. On November 6, 2012, over 77% of the City of Lathrop registered voters passed Measure C (Public Safety/Essential City Services).

On November 2012, the City Council approved an agreement with Lathrop Manteca Fire District allocating 40% of Measure C funds to the District. Measure C funds will be used to augment and enhance fire protection activities within the City. The remaining 60% of Measure C funds will be used by the City to maintain and enhance police and other essential City services. All Measure C expenditures will be reviewed by the Measure C Community Oversight Committee and recommended to the City Council for approval.

Measure C went into effect on April 1, 2013. The City began receiving revenue from Measure C in September 2013.

Accomplishments

- Funded six (6) Firefighter Engineer positions no longer funded through the Safer Grant as this funding source sunset at the end of June 2014. The six (6) firefighters were hired in an attempt to comply with the number of firefighters required by NFPA 1710. This staffing level is required in order to enhance the preservation of life, property, and the environment within the City of Lathrop.
- Funded 66% of three (3) Line Battalion Chiefs positions. The Line Battalion Chiefs help maintaining the span and control of supervisory responsibilities of the large incidents that bring chaos and unrest in our community. The Battalion Chiefs are an integral part of the administration assisting with community programs, events and the day-to-day operations.

Objectives

- Maintain funding for six (6) Firefighter Engineer positions.
- Maintain funding for 66% of three (3) Line Battalion Chiefs.
- Begin Staffing the Rescue Unit.

Description

Development Project funds are used to record and track all development funded activity in the City of Lathrop, including city staff's time and supplemental contracted services required to continue the progress of development projects.

SAYBROOK CLSP LLC (STANFORD CROSSING)

The Central Lathrop Specific Plan (CLSP) project area consists of approximately 1,521 acres located north of Mossdale Village on the west side of I-5. The property was annexed into the City of Lathrop in 2005. The project land uses include roughly 700 acres of low-density residential, 45 acres of medium density residential, and 28 acres of high density residential. Other land uses include approximately 340 acres of commercial land, the High School, the Generations Center, ~36 acres of K-8 school sites, ~100 acres of community and neighborhood parks, an 11 acre site for civic center, and ~94 acres of open space along the levees. A tentative map is approved for 1,040 single-family lots. The City also approved a tentative map for 430 single family lots on the 94 acre site adjacent to the Generations Center. The City is working collaboratively with the City of Manteca, RD-17, developers and other stakeholders regarding the implications and implementation measures needed for SB-5 for 200-year flood protection. The City recently approved replacement Community Facility Districts for the project area that has opened the area to development.

PHELAN DEVELOPMENT COMPANY (PHELAN GATEWAY)

The Lathrop Gateway Business Park Specific Plan (LGBPSP) is located north of SR 120, south of Yosemite Avenue and Vierra Road, northwest of the UPRR alignment at McKinley Avenue, and southeast of the UPRR alignment at D'Arcy Parkway. The LGBPSP includes 86 acres of office, 66 acres of retail, and 155 acres of industrial land. The LGBPSP

contains a total of 384 acres; however, only 213.5 acres were annexed to the City. On January 23, 2012 the City Council approved the partial Annexation of the specific plan area, which was subsequently approved by LAFCO on June 1, 2012. The triangular area of the southeast corner of McKinley and Yosemite Avenue was removed from the annexation area and remains in the County. On February 11, 2015, the Planning Commission approved a Vesting Parcel Map. On December 19, 2018, Phelan Development Company obtained Site Plan Approval from Planning Commission construction of 10 warehouse buildings totaling 3 million sq. ft. in 3 separate phases. Building Permit applications for construction of the first two buildings of Phase 1 are in The first phase consists of plan check. approximately 1 million sq. ft. of warehouse distribution. Phelan Development diligently pursuing capacity for wastewater treatment to accommodate buildout of their development.

CROW HOLDINGS, LLC. (TRI-POINT LOGISTICS CENTER)

South Lathrop Specific Plan (SLSP) area is approximately 315 acres of land located South of State Route 120. The City approved the South Lathrop Specific Plan, General Amendment, Zoning Amendment, Development Agreement, Vesting Tentative Map, and Site Plan Review in July of 2015. The SLSP area was subsequently annexed to the City of Lathrop by action of the Local Agency Formation Commission on June 14, 2016. A vesting tentative parcel map to create 8 parcels was approved in April of

2016, followed shortly thereafter with approval of a Site Plan Review for the South Lathrop Commerce Center (SLCC) providing for the construction of 6 industrial warehouse/distribution buildings totaling 4.5 million square feet. Recent activity includes the sale of the project to Crow Holdings, and their application for a Site Plan Review for the **SLCC** Phase 2 adding warehouse/distribution buildings and increasing total developable square footage to 4.85 million square feet. Construction of the SLCC is under way with infrastructure and roadway improvements along with a 1.2 million sq. ft. building to be occupied by Wayfair. The SLCC was recently rebranded as the Tri-Point Logistics Center (TPLC). Crow Holdings has made significant investment in development of the TPLC and will continue to buildout over the following years.

CROSSROADS RICHLAND

Located on a site south of Louise Avenue between Howland and Harlan Roads. Crossroads is an industrial/commercial area comprised of 450 acres of industrial property, zoned Limited Industrial (LI) and 48 acres of Highway Commercial (HC) zoned land. The commercial area contains the 138,000 square foot Lathrop Business Park. Adjoining the Lathrop Business Park are several restaurants and a hotel. The Industrial area includes several leading manufacturing and distribution facilities. The City, Richland Planned Communities, and business owners recently accomplished a consolidation of the Crossroads wastewater treatment plant into the City's wastewater treatment plan to lower sewer rates and promote efficiency.

PACIFIC UNION HOMES

The project is being developed as a mixeduse master planned development located on the west side of Interstate 5, east of the San Joaquin River, north and south of River Islands Parkway. The site consists of approximately 316 acres within the Mossdale Village portion of the West Lathrop Specific Plan area. The property is located within the Mossdale Landing Urban Design Concept. The project land uses include 929 low-density lots, 179 medium density lots, one K-8 elementary school site, a 20-acre community park, four neighborhood parks, bike trails and bike paths, the River Linear Park, and a fire station site. Woodside Homes has purchased and is completing the construction of residential homes on the remaining infill lots that were not previously constructed.

RIVER ISLANDS

The River Islands at Lathrop project is developing mixed-use as а residential/commercial development 4,995 acres on Stewart Tract, west of Interstate 5 and the San Joaquin River. The project includes, among other uses, 11,000 residential units, an approximately 325-acre employment center; a 45-acre town center; schools; over 260 acres of parkland; more than 600 acres of lakes and waterways; over 600 acres of open space; and necessary public facilities and infrastructure to support the project. A current tentative map of 4,284 units in Phase 1 of the plan is approved and developing. Bradshaw Crossing Bridge has been completed. The first Charter School opened in August 2013 and a second Charter School opened in 2015. River Islands added a Baseball Stadium and Soccer Complex to the Town Center in 2019. Six merchant homebuilders are currently constructing homes. and the City has approximately 1,300 building permits for the construction of single family residences. River Islands plans to move forward with applications to obtain entitlements to accommodate development of Phase 2.

WATT (LATHROP MARKETPLACE)

The Watt-McKee property is a portion of the Mossdale Landing East Project. Watt-McKee controls the 27 acres of Highway Commercial property located at the southwest corner of Louise Avenue and River Islands Parkway adjacent to the west of Interstate 5. Lathrop Marketplace is anchored by Target. This shopping center is planned and approved for several freestanding commercial and retail businesses totaling as much as 300,000 square feet. The City and Watt have extended the term of the Development Agreement to facilitate marketing of the remaining pad sites in this center. Recent activity includes the development of a freestanding Starbucks restaurant with a drive through, and an In-N-Out Burger restaurant with a drive through. Conditional Use Permit for the construction of a Fairfield Inn has been approved, with plans for construction pending.

RAMONA CHACE (LATHROP TOWNE CENTRE)

The Developer has had success with developments in the Mossdale Village area leading to the sale and pending development of the 208 Unit Mossdale Landing Apartment project, the 146 Unit Towne Centre Apartment project Phases 1 & 2 east of City Hall and north of Towne Centre Drive. The Developer obtained approval of a Site Plan Review for the Lathrop Towne Centre Shopping Center on the land south of Target on Golden Valley Pkwy (GVP). The shopping center is currently being marketed with the intent of obtaining a grocery store, service uses, restaurants, and entertainment to serve nearby residents.

APPENDIX

RESOLUTION NO. 19-4591

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LATHROP ADOPTING THE BIENNIAL BUDGET FOR FISCAL YEARS 2019/20 AND 2020/21, THE SALARY SCHEDULE FOR FISCAL YEAR 2019/20, THE AUTHORIZED POSITIONS BY DEPARTMENT, AND THE FINAL GANN LIMIT FOR FISCAL YEAR BEGINNING JULY 1, 2019 AND ENDING JUNE 30, 2020

WHEREAS, the City Council of the City of Lathrop has duly considered the financial needs of the City of Lathrop; and

WHEREAS, the proposed Fiscal Years 2019/20 – 2020/21 Operating Budget was prepared by the individual departments and reviewed by the Budget Manager, Deputy Finance Director, Finance Director and the City Manager; and

WHEREAS, the two year Operating Budget aligns with the City Council's Goals, meets the 10-50% of general fund reserve policy established by Council and is balanced in both Fiscal Years 2019/20 and 2020/21; and

WHEREAS, the City Council has caused a budget to be prepared which establishes the total number of Authorized Positions by Department (Exhibit "A") which includes 129.88 funded positions for Fiscal Year 2019/20 and 129.63 funded positions for Fiscal Year 2020/21; and

WHEREAS, the proposed Fiscal Year 2019/20 and 2020/21 Budget included the following personnel changes:

DIVISION	POSITION	FTE	ANNUAL COST	JUSTIFICATION
Add:				
Police	Traffic Officer	2.00	\$461,420	Two new positions.
Police	Management Analyst	0.25	48,081	Add position for 3 months to overlap before retirement.
Parks and Recreation	Recreation Leaders		31,569	Adjustment of part-time percentages to reflect current hours worked.
Unfund:				
Public Works	Project Manager	(1.00)	\$(166,995)	Unfund Vacant Position
Reclass:		tina etak		
Finance	Budget Manager to Senior Management Analyst	N/A	\$6,096	Adjustment to reflect current tasks performed.
Finance	Management Analyst (vacant) to Accounting Manager	N/A	53,266	Adjustment to assist with high volume of fiscal analysis due to development.
Parks and Recreation	Office Assistant II to Administrative Assistant I	N/A	1,723	Adjustment to reflect current tasks performed.

WHEREAS, the Salary Schedule for Fiscal Year 2019/20 has been updated to reflect a three (3) percent increase in salaries based on a Cost of Living Adjustments (COLA) as agreed with the respective labor groups (see Exhibit "B"); and

WHEREAS, the Final Gann Limit has been calculated for Fiscal Year 2019/20 to be \$202,160,908 (see Exhibit "C"); and

WHEREAS, the budget document is filed with the City Clerk of the City of Lathrop; and

WHEREAS, a Certification of Assessment and Special Assessment Charge Agreement is required by the San Joaquin County Assessor in order to levy the City's Special Assessments each year (see Exhibit "D"); and

WHEREAS, the appropriations are approved as the budget for Fiscal Years 2019/20 and 2020/21 and the City Manager is hereby authorized to transfer appropriations within the department budgets provided no change is made in the amount provided for any one department; and

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Lathrop:

1. Adopts the remaining City of Lathrop 2019/20 – 2020/21 budget and approves the listed appropriations and general fund subsidy, as follows:

Fund Category	FY 20:	L9/20	FY 2020/21			
ruite Category	Revenue	Expenditure*	Revenue	Expenditure		
General Fund	\$18,974,385	\$18,939,839	\$19,350,857	\$19,152,473		
Special Revenue Funds	59,186,454	49,026,044	34,601,894	29,771,474		
Capital Improvement	19,041,863	27,422,076	6,710,975	6,470,357		
Projects		<u> </u>		, ,		
Enterprise Funds	28,720,644	27,198,887	23,406,103	19,389,936		

- 2. Approves the Authorized Positions by Department (Exhibit "A") totaling 129.88 positions for FY 2019/20 and 129.63 positions for FY 2020/21.
- 3. Approves the Salary Schedule for FY 2019/20 (Exhibit "B").
- 4. Approves the General Fund Subsidy to the Storm Drain District totaling \$19,841 in FY 2019/20 and \$20,579 in FY 2020/21.
- 5. Approves the Final Gann Limit for Fiscal Year Beginning July 1, 2019 and Ending June 30, 2020 (Exhibit "C").

The foregoing resolution was passed and adopted this 12^{th} day of June, 2019 by the following vote of the City Council, to wit:

AYES:

Akinjo, Lazard, Torres-O'Callaghan, and Salcedo

2017-18 GANN LIMIT		130,843,093
2018-19 GANN LIMIT	1	150,652,737
2019-20 GANN LIMIT		202,160,908

2019-20 FINAL CALCULATION

The City will use the percentage change in Non Residential New Construction to calculate the Final Gann Limit.

ADJUST FOR CHANGE IN POPULATION
Based on California Department of Finance Information

Increase 5.17%

Adjust for Change in Non Residential New Construction

Per Change in Non Residential New Construction: 27.59%

Adjust by the Above Factors:

Population 1.0517 x Change in Non Res 1.2759 = 1.3419

\$150,652,737 x 1.3419= \$202,160,908

If you have any questions, contact Cari James in the Finance Department.

EXHIBIT D

CERTIFICATION OF ASSESSMENT

The City of Lathrop (the "City") hereby certifies that the special assessment(s), fee(s) or charge(s) listed below to be placed on the 2019-2020 Secured Property Tax bill by the City meets the requirements of Proposition 218 that added Articles XIIIC and XIIID to the California State Constitution.

Martha Salcedo, Vice Mayor, City of Lathrop

Salvador Navarrete, City Attorney, City of Lathrop

SAN JOAQUIN COUNTY SPECIAL ASSESSMENT CHARGE AGREEMENT WITH

CITY OF LATHROP

	DATE:	June	12,	2019
--	-------	------	-----	------

PARTIES:

COUNTY:

COUNTY OF SAN JOAQUIN

Auditor-Controller

44 North San Joaquin Street

Suite 550

Stockton, CA 95202

AGENCY:

City of Lathrop c/o City Clerk

390 Towne Centre Drive

Lathrop, CA 95330

AGREEMENT:

The County and the City of Lathrop (the "City") agree as follows:

Pursuant to Government Code Section 29304, the City agrees to pay the County one percent (1%) of the assessment amount levied or three dollars (\$3.00) per each assessment on a parcel, whichever is less, for the collection of special assessments or special assessment taxes.

IN WITNESS WHEREOF the parties have executed this agreement the year and date first written above.

COUNTY OF SAN JOAQUIN

CITY OF LATHROP

Adrian J. Van Houten

Auditor-Controller

Martha Salcedo

Vice Mayor

"COUNTY"

"CITY"

RESOLUTION NO. 19-4592

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LATHROP ADOPTING THE WOODFIELD LANDSCAPE MAINTENANCE DISTRICT BUDGET FOR FISCAL YEARS 2019/20 AND 2020/21

WHEREAS, the City Council of the City of Lathrop has duly considered the financial needs of the City of Lathrop for Fiscal Years 2019/20 – 2020/21; and

WHEREAS, the City Council has caused a budget to be prepared which incorporates the Woodfield Landscape Maintenance District budget for Fiscal Year 2019/20 with anticipated expenditures of \$93,917, estimated revenues of \$54,764, estimated use of Fund Balance Reserves of \$20,710, and requiring a General Fund subsidy of \$18,443; and

WHEREAS, the City Council has caused a budget to be prepared which incorporates the Woodfield Landscape Maintenance District budget for Fiscal Year 2020/21 with anticipated expenditures of \$89,151, estimated revenues of \$54,764, and requiring a General Fund subsidy of \$34,387; and

WHEREAS, the budget document is filed with the City Clerk of the City of Lathrop; and

WHEREAS, the Woodfield Landscape Maintenance District budget was removed from the overall budget for separate consideration due to a potential conflict of interest of one member of the Council; and

NOW, THEREFORE, BE IT RESOLVED that the City Council does hereby adopt the City of Lathrop Fiscal Years 2019/20 – 2020/21 Woodfield Landscape Maintenance District budget including General Fund subsidies of \$18,443 in Fiscal Year 2019/20 and \$34,387 in Fiscal Year 2020/21.

The foregoing resolution was passed and adopted this 12^{th} day of June, 2019 by the following vote of the City Council, to wit:

AYES:

Akinjo, Lazard, Torres-O'Callaghan, and Salcedo

NOES:

None

ABSENT:

Dhaliwal

ABSTAIN:

None

Martha Salcedo, Vice Mayor

All of the City's General Government programs are initially accounted and budgeted for in the General Fund. However, these support service programs also benefit the City's special revenue and agency funds, and accordingly, transfers are made from these funds to reimburse the General Fund for these services. These transfers are based on a Cost Allocation Plan prepared for this purpose which distributes these shared costs in a uniform consistent manner in with generally accepted accounting principles. Copies of the most current Cost Allocation Plan are available for review in the Finance Department.

FISCAL POLICIES

The overall goal of the City's budget is to establish and maintain effective management of the City's resources. Formal statements of budget policy and major goals provide the foundation for effective planning.

OVERVIEW

Budget Basis of Accounting

The City's budget is prepared on a modified accrual basis of accounting for all funds, including proprietary funds. Capital outlays and debt service principal payments are budgeted as expenditures. Debt proceeds, capital grants, inter-fund transfers and inter-fund loans are budgeted as revenues. For accounting purposes, however, these transactions are reported at year-end on the full accrual basis of accounting in proprietary funds in the City's Comprehensive Annual Financial Report (CAFR).

Upon approval of the City Manager, encumbrances may be carried forward to the next fiscal year.

Appropriations are adopted for the general, special revenue and capital project funds. Annually appropriations are adopted separately for each project as shown in the Capital Improvement Program (CIP) schedules. Funding sources are shown on the schedules as well.

Budget Level of Control

The budget level of control is at the detail expenditure level. Once the budget is adopted, the City Council by affirmative vote of a majority of the Council, upon the recommendation of the City Manager, may by resolution make additional or supplementary appropriations from unexpended and unencumbered funds set aside in the reserves in the City budget. The City Manager is authorized to approve transfers of appropriations between expenditure accounts in the operating budget within the same department and within the same fund.

Budget Process

The annual City budget process is as follows:

Month	Task
DECEMBER	
	The City Council approves the budget calendar
JANUARY	
	Departments estimate revenues and expenditures for previous Fiscal Year. Indirect Cost Plan Review and Preparation
FEBRUARY	
	City Manager reviews Non-218 Assessment District Budgets Finance prepares beginning estimated fund balances

FISCAL POLICIES

Month	Task
	Departments prepare Capital Improvement Program with Funding Sources
MARCH	
	City Council adopts Landscape and Lighting Non-218 Assessment District Resolution of Intent City Manager reviews Capital Improvement Departments prepare estimated revenues City Council reviews Capital Improvement Program Departments prepare estimated appropriations
APRIL	Departments prepare estimates appropriations
	Parks and Recreation Commission reviews Recreation budget Planning Commission reviews Capital Improvement Program for conformity with General Plan
MAY	
	City Council holds public hearing for Non-218 Assessment Districts Preliminary Budget delivered to City Council
JUNE	Tremminary Budget delivered to dity education
-	City Council reviews Preliminary Budget and Capital Improvement Program City Council adopts Final Budget City Council adopts Salary Schedule City Council adopts Final Gann Limit

GOVERNMENTAL FUND CATEGORY

Fund 1010 – General. The general fund accounts for the financial resources not required to be accounted for in another fund. This fund consists primarily of general government type activities.

Fund 1060 – Measure C Essential City Services. Established to account for revenue and expenditures for the City's Measure C Essential City Services portion.

SPECIAL REVENUE FUNDS

Special revenue funds account for the financial activity of specific revenues that are legally restricted to expenditure for particular purposes. The individual special revenue funds are as follows:

Fund 1050 – Economic Development. Established to account for revenues and expenditures for the City's economic development division.

Fund 2010 – Measure C LMFD. Established to account for revenues and expenditures for the City's Measure C LMFD portion.

Fund 2015 – Building & Safety. Established to account for revenues and expenditures for the City's planning and building activities.

Fund 2020 – Development Engineering. Established to account for revenues and expenditures for the City's development engineering activities.

Fund 2030 – Gas Tax. Established to account for revenues apportioned to the City under the Streets and Highway Code, Sections 2105, 2106, 2107, and 2107.5 of the State of California, which are legally restricted for the acquisition, construction, improvement and maintenance of public streets.

Fund 2070 – Traffic Safety. Established to account for the fines and forfeitures received under Section 1463 of the Penal Code, which are restricted for the use of official traffic control devices and for some street construction purposes.

Fund 2080 – Local Street. Established to account for revenues and expenditures for the City's street division.

Fund 2090 – Public Nuisance. Established to account for revenues and expenditures for code compliance activities.

Fund 2100 – Asset Forfeiture. Established to account for revenues obtained from the sale of forfeited property in drug related cases. These funds can only be used by the police department for police-related equipment.

Fund 2110 – Measure "K". Established to account for revenues generated from a ½ cent sales tax for local street repairs. These funds are restricted for maintenance and construction on street-related projects.

Fund 2120 – Public Transit. Established to account for local transportation funds received for transit purposes from San Joaquin County Council of Governments.

Fund 2140 – Streets & Roads Local Transportation. Established to account for the local transportation funds received for street and road purposes from the San Joaquin County Council of Governments.

Fund 2150 – Federal Grant. Established to account for federal grant revenues and expenditures.

Fund 2160 – State Grant. Established to account for revenues and expenditures for transportation projects included in the State Transportation Improvement Program.

Fund 2190 – Universal Hiring Grant. Established to account for the State of California Office of Traffic Safety "Selective Traffic Enforcement Program (STEP)" Grant.

Fund 2220 – State COPS. Established to account for California State Supplemental Law Enforcement Services Fund (SLESF) grants. Funds received in fiscal year 2012-13 must be spent by June 30, 2013.

Fund 2240 – Historic Lathrop Loan Program (HLLP). Established to account for loan activity for the Historic Lathrop Loan Program.

Fund 2250 – Traffic Mitigation. Established to account for the financial resources collected from traffic mitigation capital facility fees.

Fund 2260 – Culture & Leisure. Established to account for the financial resources associated with the capital facility fees for the Library, Cultural Center, Park Improvements to Community Center and Neighborhood Parks.

Fund 2270 – City Service. Established to account for the financial resources associated with the capital facility fees for City Hall, Corporate Yard, Animal Services Facility and the Police Station.

Fund 2280 – Storm Drain Capital Facility Fee. Established to account for capital facility fees collected from storm drains.

Fund 2290 – Administration. Established to account for a percentage of all capital facility fees collected for the staff to manage/administer capital facility fees.

Fund 2310 – Environmental Mitigation CFF. Established to account for capital facility fees collected for the brush rabbit habitat mitigation.

Fund 2320 – W / C Lathrop Transportation CFF. Established to account for capital facility fees collected for local and regional road and freeway projects in West Central Lathrop.

Fund 2330 – WLSP Regional Transportation CFF. Established to account for capital facility fees collected for regional road and freeway projects in the West Lathrop Specific Plan area.

Funds 2340-2370 — Regional Transportation Impact Fee (RTIF). Established to account for capital facility fees collected for regional projects in San Joaquin County. A portion of the fees collected are payable to San Joaquin County & San Joaquin County of Governments.

Fund 2390 – Central Lathrop Specific Plan (CLSP) Services CFD. Established to account for revenues and expenditures associated with the CLSP Community Facilities District 2006-2.

Fund 2400 – AB939 Recycling. Established to account for the financial resources associated with the preparation, implementation and administration of the City's Integrated Solid Waste Management Plan in accordance with AB939.

Fund 2420 – North Lathrop Transportation CFF. Established to account for capital facility fees collected for North Lathrop area.

Fund 2430 – Stewart Economic Development 80% CFF. Established to account for capital facility fees collected to support development both on and off the Stewart Tract that will provide to the City and its citizens.

Fund 2440 – Citywide Economic Development 20% CFF. Established to account for capital facility fees collected to support development both on and off the Stewart Tract that will provide to the City and its citizens.

Fund 2490 – Crossroads Storm Drain Capital Replacement. Established to account for revenues and expenditures related to capital replacement expenditures within the Crossroads Subdivision.

Fund 2500 – Crossroads Storm Drain. Established to account for revenues and expenditures related to the maintenance and operations of the storm drains and improvements within the Crossroads Subdivision.

Fund 2510 – Storm Drain Benefit Assessment District. Established to account for revenues and expenditures associated with the maintenance and operations of storm drains

for residential, commercial and industrial areas within Historic Lathrop.

Fund 2520 – Street Light. Established to account for revenues and expenditures associated with the maintenance and operations of street lighting for residential, commercial and industrial areas within Historic Lathrop.

Fund 2530 – Woodfield Landscape Maintenance. Established to account for revenues and expenditures associated with specific park maintenance and operations within the Woodfield Landscape District.

Fund 2550 – Stonebridge Landscape Maintenance. Established to account for revenues and expenditures associated with specific park maintenance and operations within the Stonebridge Landscape District.

Fund 2560 – Stonebridge Drainage and Lighting. Established to account for revenues and expenditures associated with the storm drainage and lighting activities within the Stonebridge District.

Fund 2570 – Mossdale CFD. Established to account for revenues and expenditures associated with the Mossdale Community Facilities District 04-1.

Fund 2580 – Mossdale Landscape and Lighting District. Established to account for revenues and expenditures associated with the lighting and landscaping activities within the Mossdale District.

Fund 2590 – Mossdale CFD Capital Replacement. Established to account for revenues and expenditures related to capital replacement expenditures within the Mossdale Community Facilities District 04-1.

Fund 2610 – Mossdale Landscape & Lighting Capital Replacement. Established to account for revenues and expenditures related to capital replacement expenditures within the Mossdale Landscape & Lighting District.

Fund 2630 – Historic Lathrop CFD. Established to account for revenues and expenditures associated with the Historic Lathrop Community Facilities District 2005-1.

Fund 2640 – River Islands CFD. Established to account for revenue and expenditures associated with the River Islands Community Facilities District 2013-1

Fund 2650 – Community Development Block Grant (CDBG). Established to account for the annual federal grant that provides for development of a viable urban community.

Fund 2660 – Mossdale Standby 2005-1. Established to account for standby charges related to the Operation and Maintenance of the Wastewater Recycling Plant-1 MBR.

Fund 2670 – South Lathrop City Services CFD 2019-1. Established to account for revenues and expenditures associated with the South Lathrop Community Facilities District 2019-1.

Fund 2680 – Central Lathrop City Services CFD 2019-2. Established to account for revenues and expenditures associated with the Central Lathrop Community Facilities District 2019-2.

Fund 2700 – Scholarship. Established to account for the revenues provided by businesses/organizations to provide assistance with tuition of qualified parks and recreation participants.

CAPITAL PROJECT FUNDS

Capital project funds account for the financial resources to be used for the acquisition or construction of major facilities other than those financed by proprietary funds.

Fund 3010 – General. Established to account for the expenditure of funds for projects funded from the General Fund.

Fund 3310 – Streets and Roads. Established to account for capital project expenditures related to streets and roads occurring over more than one Fiscal Year. There is more than one fund used to fund this account.

Fund 3410 – Park In-Lieu. Established to account for revenues and expenditures that can legally be made under the Quimby Act. The revenue is collected from residential developers to offset the impact on parks and can only be used for new park development.

Fund 3910 – Storm Drain. Established to account for capital project expenditures related to storm drain improvements occurring over more than one Fiscal Year.

DEVELOPER PROJECT FUNDS

Developer project funds account for revenues and expenditures related to capital projects funded by developers.

Fund 2710 – Developer Project. Established to account for the deposits held for multiple developers in accordance with agreements with the City.

Fund 4010 – Saybrook CLSP. Established to account for the deposits held for Saybrook CLSP in accordance with agreements with the City.

Fund 4020 – Gateway Business Park. Established to account for the deposits held for South Lathrop LLC Gateway Business Park in accordance with agreements with the City.
