Additionally, the 2004 Central Lathrop Specific Plan, as amended by the proposed Phase 2 Amendment is consistent with the General Plan Update goals related to achieving visual and functional quality of new development because it requires the provision of open space within the planning area and the provision of landscape buffers between the Phase 2 area and sensitive receptors.

7. The 2004 Central Lathrop Specific Plan, as modified by the proposed related Amendments, is consistent with the goals, policies, general land uses and implementation measures of the General Plan because it will promote orderly development of the plan through flexible phasing which is tied to the provisions of supporting infrastructure capacity in the construction of off-site infrastructure improvements. The 2004 Central Lathrop Specific Plan, as modified by the proposed related Phase 2 Amendment, provides for the construction of roadways to provide improved access to the project and adjacent properties, and the extension of utilities such as water, sanitary sewer, and storm drainage facilities necessary to accommodate the project.
8. The 2004 Central Lathrop Specific Plan, as modified by the proposed related Phase 2 Amendment, is consistent with the goals, policies and implementation measures of the General Plan Public Safety Element because it ensures that all new buildings construction shall conform to the latest California Building Code and seismic standards, gives priority to support police protection, and to fire suppression, and implements practices and regulations which avoid hazardous land use relationships.

1. The proposed Zoning Code Text Amendment is consistent with the City's General Plan Update, as enumerated in the Consistency Findings in the Staff Report.
2. The proposed Zoning Code Text Amendment furthers the public interest, convenience, and general welfare of the City by implementing the Central Lathrop Specific Phase 2 Amendment. The amendments would ensure consistency with the CLSP Phase 2 Amendment, General Plan, and Lathrop Municipal Code and update the zoning standards that are relevant to the CLSP Phase 2 Amendment.

Section 4. Upon adoption by the City Council, the Central Lathrop Specific Plan Phase 2 Amendment applies only to the Central Lathrop Specific Plan Phase 2 Project and does not change the adopted Central Lathrop Specific Plan as it applies to the balance of the CLSP area (Phase 1).

These documents shall be substantially in the form on file with the City Clerk.

Section 7. This Ordinance is not intended to and shall not be construed or given effect in the manner that imposes upon the city or any officer or employee thereof a mandatory duty of care toward persons and property within or without the city so as to provide a basis for civil liability for damages, except as otherwise imposed by law.
