CITY OF LATHROP POLICE DEPARTMENT

PREFACE

The Lathrop Police Department presents the Annual Military Equipment Report. This report covers activity from January 2025 through December 2025. The Lathrop Police Department is committed to maintaining public safety by providing the highest quality police services to our city. We have undertaken an obligation to serve and protect our residents, businesses, and neighboring communities. We are committed to an enforcement posture that does not allow for crime and violence to thrive. We are thankful for the resources and equipment available to the Department, and for the support of our community. Continued access to funding and the approval to acquire, train on, and deploy equipment ensures we are capable of confronting and resolving any threat of violence in our community. As always, the brave men and women of the Lathrop Police Department continue to stand ready to fulfill our duty to serve and protect.

Respectfully,

A handwritten signature in black ink, appearing to read "S.D. Sealy".

Stephen Sealy, Chief of Police

HISTORICAL BACKGROUND

On September 30, 2021, Governor Newsom signed seven major peace officer reform bills into law, including Assembly Bill 481 (AB 481). AB 481 authored by Assembly Member David Chieu (D-San Francisco) addressed requirements for the funding, acquisition, and use of items considered to be "military equipment." Effective January 1, 2022, AB 481 required law enforcement agencies to obtain approval of their respective governing bodies (the Lathrop City Council), by adoption of a Military Equipment Use policy prior to taking certain actions relating to the funding, acquisition, or use of military equipment. The full text of AB 481 is available here: https://leginfo.legislature.ca.gov/faces/billTextClient.xhtml?bill_id=202120220AB481

During the passage of this new law, the City of Lathrop was working on transitioning to its own Police Department, with a commission start date of July 1, 2022. To comply with new state requirements for all California law enforcement agencies, the new Lathrop Police Department diligently prepared a policy for the funding, acquisition, and use of designated "military equipment," along with a list of equipment to be used by the new Lathrop Police Department in accordance with AB 481. The Lathrop City Council adopted Ordinance Nos. 22-433, 22-436, and 22-441, related to this matter.

CITY OF LATHROP POLICE DEPARTMENT

REQUIREMENTS OF AB 481 - FUNDING, ACQUISITION, AND USE OF MILITARY EQUIPMENT

Assembly Bill (AB) 481 requires each law enforcement agency's governing body to adopt a written military use policy by ordinance in addition to other requirements by the bill. The following are required:

- Publish the draft Military Equipment Use policy to the Police Department's website 30 days ahead of a public hearing to approve the policy.
- Obtain approval by the applicable governing body (Lathrop City Council), by adoption of a Military Equipment Use policy prior to taking certain actions relating to the funding, acquisition, or use of military equipment, as defined (See definitions below).
- Publish an annual report by the law enforcement agency to include each type of military equipment approved by the governing body.
- Annual review of the Military Equipment Use Ordinance by the governing body, and option to either disapprove a renewal of a type of military equipment or amend the Military Equipment Use policy if it determines that the military equipment does not comply with standards for approval.
- Hold at least one well publicized and conveniently located community engagement meeting within 30 days of submitting and publicly releasing the annual Military Equipment Report.

DEFINITION OF MILITARY EQUIPMENT (GOVERNMENT CODE 7070)

AB 481 designates the following 15 categories of items as military equipment:

1. Unmanned, remotely piloted, powered aerial or ground vehicles.
2. Mine-resistant ambush-protected vehicles (MRAP) or armored personnel carriers. However, police versions of standard consumer vehicles are specifically excluded from this subdivision.
3. High mobility multipurpose wheeled vehicles (HMMWV), commonly referred to as Humvees, two and one-half-ton trucks, five-ton trucks, or wheeled vehicles that have a breaching or entry apparatus attached. However, unarmored all-terrain vehicles (ATVs) and motorized dirt bikes are specifically excluded from this subdivision.
4. Tracked armored vehicles that provide ballistic protection to their occupants and utilize a tracked system instead of wheels for forward motion.
5. Command and control vehicles that are either built or modified to facilitate the operational control and direction of public safety units.
6. Weaponized aircraft, vessels, or vehicles of any kind.

CITY OF LATHROP POLICE DEPARTMENT

7. Battering rams, slugs, and breaching apparatuses that are explosive in nature. However, items designed to remove a lock, such as bolt cutters, or a handheld ram designed to be operated by one person, are specifically excluded from this subdivision.
8. Firearms of .50 caliber or greater. However, standard issue shotguns are specifically excluded from this subdivision.
9. Ammunition of .50 caliber or greater. However, standard issue shotgun ammunition is specifically excluded from this subdivision.
10. Specialized firearms and ammunition of less than .50 caliber, including assault weapons as defined in Sections 30510 and 30515 of the Penal Code, with the exception of standard issue service weapons and ammunition of less than .50 caliber that are issued to officers, agents, or employees of a law enforcement agency or a state agency.
11. Any firearm or firearm accessory that is designed to launch explosive projectiles.

"Flashbang" grenades and explosive breaching tools, "tear gas," and "pepper balls," excluding standard, service-issued handheld pepper spray.

Area denial electroshock devices, microwave weapons, water cannons, long-range acoustic devices, acoustic hailing devices, and sound cannons.

The following projectile launch platforms and their associated munitions:
40mm projectile launchers, "bean bag," rubber bullet, and specialty impact munition (SIM) weapons.
12. Any other equipment as determined by a governing body or a state agency to require additional oversight.
13. Notwithstanding paragraphs (1) through (15), "military equipment" does not include general equipment not designated as prohibited or controlled by the federal Defense Logistics Agency.

MILITARY EQUIPMENT USE POLICY

"Military equipment use policy" means a publicly released, written document governing the use of military equipment by a law enforcement agency or a state agency that addresses, at a minimum, all of the following:

- (1) A description of each type of military equipment, the quantity sought, its capabilities, expected lifespan, and product descriptions from the manufacturer of the military equipment.

CITY OF LATHROP POLICE DEPARTMENT

- (2) The purposes and authorized uses for which the law enforcement agency or the state agency proposes to use each type of military equipment.
- (3) The fiscal impact of each type of military equipment, including the initial costs of obtaining the equipment and estimated annual costs of maintaining the equipment.
- (4) The legal and procedural rules that govern each authorized use.
- (5) The training, including any course required by the Commission on Peace Officer Standards and Training, that must be completed before any officer, agent, or employee of the law enforcement agency or the state agency is allowed to use each specific type of military equipment to ensure the full protection of the public's welfare, safety, civil rights, and civil liberties and full adherence to the military equipment use policy.
- (6) The mechanisms to ensure compliance with the military equipment use policy, including which independent persons or entities have oversight authority, and, if applicable, what legally enforceable sanctions are put in place for violations of the policy.
- (7) For a law enforcement agency, the procedures by which members of the public may register complaints or concerns or submit questions about the use of each specific type of military equipment, and how the law enforcement agency will ensure that each complaint, concern, or question receives a response in a timely manner.
