

Tracy Subbasin Public Workshop

 **Tuesday June 23, 2026**

 **4:30 – 6:00 p.m.**

 **Tracy City Hall**
333 Civic Center Plaza
Tracy, CA 95376
or Join Virtually

Please join us in learning how the **Groundwater Sustainability Plan** is being implemented in the Tracy Subbasin.

This is a great opportunity to:

- Learn about groundwater management in the subbasin,
- Hear updates from the subbasin's annual report,
- Learn more about current subbasin conditions, and
- Find out how to stay engaged!

REGISTRATION

Visit tinyurl.com/tsb-2026 or scan the QR code to let us know if you will be joining virtually or in person.

Virtual meeting information will be sent upon registration
